## COGGSWELL ASKS PLACE IN LEAGUE

These polo teams keep coming from every direction with applications for places in the City league. Preston Coggswell wants to put a team in. He says he has a good one. Pres is no slouch at the game, being a good man on the rushing job. He is figuring on using Bud Besek, a former light, at half back, and Tommie goal. Pres says he'll either back the team himself or let some one else do it.

## "Allie's" Dope

KARL ALLISON  
Yale is doing what Jim Jeffries couldn't do—a real come back, the Eli's seem to be considerably among those present in a football way this year, and unless all signs point wrong Yale ought to beat both Harvard and Princeton.

A fast black—Jack Johnson.  
Cleveland, the Sixth City—except in the American league.

**SADDER BUT WISER MEN.**  
Those who bet on the Athletics. Those who predicted the Feds would "bust" by July 4.  
The Notre Dame footballers who tackled Yale.  
The American light weights who challenged Freddie Welsh.  
The members of the syndicate that is backing Jess Willard.  
Those who waited for the Braves to crack.

**QUOTATION CHANGED.**  
Washington—first in war, first in peace and the center of the ridiculous squabble over where the Army-Navy game shall be played.

**EARLHAM WILL HAVE TO STOP TWO 10-SECOND MEN IN THE KENTUCKY STATE GAME TODAY.**

**POLO GETS HOLD.**  
One polo enthusiast is so wrapped up in the coming season that he took a vacation yesterday afternoon to fix up his "flops." Bill is his first name.

The A. S. M. team in the City league in practicing hard for the season having staged a free for all in the shiping department the other day. We haven't heard yet who won.

**BUYING POWER GREAT.**  
The new Yale bowl will seat 60,000 persons. At \$2 a head, that will mean \$120,000 in receipts from the Yale-Harvard game November 21. Let's see, \$120,000 will buy 2,400,000 glasses.

**PUGS OPEN UP.**  
One doesn't need to look at the calendar to note that the sad and melancholy days have come. The sporting pages save us the looks by chronicling the "renewed activities" of the prize "fighters."

**BRICKLEY OUT.**  
The Brickley vs. Michigan game has been called off. A Michigan vs. Harvard game has been substituted and will be played at the same place and on the same date as the original game—Saturday, October 31, in Cambridge, Mass.

**STALLINGS FAILED.**  
The snoot of Cornelius McGillicuddy remains unswallowed. G. Stallings, a Boston person, threatened to inflict a

## YALE DEVELOPS FOOTBALL STAR

A new football star has brightened the hopes of the Yale coaches this year. He is Scoville, a former Dartmouth man, and he is looked upon as the best ground gainer the Blue have had since the days of McCoy.

hard blow upon the aforementioned snoot on or about October 8, but Stallings has not shown himself to be a man of his word in this regard.

"Gunboat Smith" remarks on contempt, "is a joke fighter." The "news" is about a year old.

About 473,281 new members have joined the Alibi club since the Braves did what they did, and the Athletics didn't do anything.

## SENATORS CLASH RESERVES AGAIN

As rain kept White's Reserves and the Senators from playing their last game of baseball last Sunday, the two are more anxious to go to it tomorrow. White has added two men to his lineup for the settee, which he believes will give them the necessary strength to cop a win off the Senators. Buck Muhl, his pitcher, leaves Monday for the South, where he will play this winter.

## ROACH MIXES MEN IN PRACTICE GAME

"Y" Coach Tries Out Available Material for Substitute Center.

Coach Roach of the Y. M. C. A. basketball team will send the first team against the team in a practice game tonight. This will give his men a good workout and will enable the coach to pick the men who will be known as the regulars and the subs. He is bawling the fact that he has but one center on the team. During the regular last season, decided not to try for the place this year.

Roach has a good substitute for both guards and forwards, but in case his center would be out of the game he would have to use Big Parker in that position, and while Parker can handle the job to a queen's taste, it would break up the machine. Tonight's game will be called at 8 o'clock with the following lineup:  
First Team—Parker and Lanning, forwards; Jones and Roach, center; Brown, Schuman and Burton, guard.  
Second Team—Meranda and Bus Parker, forwards; W. Harris and Al Lanning, center; Kinder and Bavis, guards.

## TWO STARS APPLY FOR POLO BERTHS

Two more have made applications for places on one of the teams which will play in the City polo league this fall. Donald Gordon who is a half back and Geyer, rush. Both boys are fast, especially Geyer who has won several roller skating contests in the west. They were members of the Dille-McGuire baseball team in the S. A. L. this summer.

With these two making applications it appears as though the D-Ms would not be expected to live a few days ago, but has rallied.  
Mrs. Bond, wife of Dr. C. S. Bond, is in a critical condition at her home and her children have been called to her bedside.

## ANSONIA WANTS GAME WITH "Y"

Ansonia, Ohio, has written for a game of basketball with the "Y" team, to be played in November. Roach has not decided upon all of his dates at the present time, but will do so after the practice at the gym tonight. He is planning to open the season November 14. If he can get the Muncie "Y" team for that date he will schedule the game immediately. All games will be played on Saturday nights this season.

## PLAY ONE MORE

The warm weather has revived the good old baseball game. The Kandy-ekles and the Hayes Track Appliance team will stake a nine inning affair tomorrow morning for the winter championship of the city. Vic will have all his regulars on in full force and Fox Schepman will lead his stars.

## WOMEN PLAY OFF FIRST GOLF MATCH

On Saturday Mrs. Price plays Mrs. Comstock and Miss Addington, Mrs. Wilbur Hibberd.

This is the first match play the women have ever engaged in on the Richmond Country club links and the second tournament, the first, in 1913, being handicap play with the cup won by Mrs. Needham.

The winner this year has her name engraved on a cup presented by Dudley Elmer the cup going to the winner of three successive tournaments.

E. church will meet tomorrow to make a final decision in the matter of turning the church over to the Salvation army as a place for holding services during the winter.

## THE YELLOW PERIL

Japanese Warnings.

The Japanese early sought for the truth, and their earliest knowledge was the principle that their strength depended on a healthy stomach. They eat very little and practice "Jiu-Jitsu"—muscular exercise from youth up. The stomach is the center of the body from which radiates our vitality, strenuousness, fighting strength. A healthy stomach turns the food we eat into nourishment for the blood stream and the nerves. Dr. Pierce's Golden Medical Discovery refreshes and tones up the stomach walls. Removes the poisonous gases from the system.

The first day you start to take this reliable medicine, impure germs and accumulations begin to separate in the blood and are then expelled through the Liver, Bowels and Kidneys. In place of the impurities, the arteries and veins gradually get fresh vitalized blood and the action of this good blood on the skin means that pimples, boils, carbuncles, eczema, rash, acne and all skin blemishes will disappear. Then you must remember that when the blood is right, the liver, stomach, bowels and kidneys become healthy, active and vigorous and you will have no more trouble with indigestion, backache, headache and constipation.

Get Dr. Pierce's Golden Medical Discovery today at any medicine dealer; it is a powerful blood purifier, so penetrating that it even gets at the impure deposits in the joints and carries them out of the system.

It is not a secret remedy for its ingredients are printed on wrapper. For free advice or free booklet on blood, write Dr. V. M. Pierce, Buffalo, N. Y.

FREE—Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of 31 one-cent stamps to pay expense of wrapping and mailing only.—Adv.

## Pelvic Catarrh

Tongue Cannot Express How I Suffered. I Would Not Do Without Peruna. I Thank You.

Miss Emelle A. Haberkorn, 2251 Gravois Ave., St. Louis, Mo., writes: "For over two years I was troubled with catarrh of the pelvic organs. I heard of Dr. Hartman's book, 'The Life of Life.' I read it and wrote to the doctor, who answered my letter promptly. I began taking treatment as soon as possible. Tongue cannot express how I suffered with my stomach, and I also was troubled with catarrh of the head. I didn't feel like myself for a long time. So I began taking Peruna. I have taken four bottles, and now I cannot praise it enough. Any one who has chronic catarrh should write to Dr. Hartman. He will help any one. I feel grateful for what the doctor has done for me, and would not do without Peruna. I now enjoy as good health as ever. I and it has improved my health so much that I will recommend it to any one cheerfully. I thank the doctor very much for his kindness."
