

ILLINOIS SENDS SHERMAN BACK TO SENATE SEAT

Sullivan Early Today Refuses to Concede G. O. P. Candidate's Election by Substantial Margin.

CANNON GOES BACK

Make-Up of Legislature Still in Doubt, Although Democrats Claim to Have Small Majority.

[BY LEASED WIRE.] CHICAGO, Nov. 4.—Lawrence Y. Sherman, Republican, was returned to the United States Senate by about 15,000 plurality over Roger C. Sullivan, and a Republican majority of congressmen were named from Illinois in yesterday's election, according to fairly complete returns received today.

With more than half the down-state precincts reported, Sherman leads by 35,000. The others still to report are his strongholds, so that it appears reasonably sure that Sherman will come to Chicago with a lead of 70,000. Sullivan carried Chicago and Cook county by 55,000, which leaves Sherman a margin of 15,000.

Sullivan, however, early today refused to concede the election of Sherman.

Sullivan Confident. "I have reliable information from 97 of the 101 counties," said the Democratic boss, "and I believe I have been elected."

State Republican headquarters early today claimed the election of Sherman by 25,000.

The total vote of Raymond Robins, Progressive candidate, is about 125,000.

Illinois chose fourteen Republican congressmen, and the returns to date show a gain of nine. The Illinois delegation in the lower house next year will comprise fourteen Republicans and thirteen Democrats.

Uncle Joe Happy. Joe Cannon of Danville was elected by a plurality of 523, according to incomplete returns. Mann, Foss, Madden, Britten and other Republican leaders in congress were all re-elected. The Progressives re-elected one, Ira C. Copley, of the Eleventh district.

The make-up of the state legislature is still in doubt, although it is believed the Democrats will still have a small majority.

This is largely because of the overwhelming Democratic vote in Cook county.

Both the wets and the dries claim to have secured control of the legislature.

ALLIES FORCE BACK GERMAN ADVANCE

[BY LEASED WIRE.]

PARIS, Nov. 4.—Official announcement was made this afternoon that the allies have retaken the village of Lombray, and that the Germans hold the bank of the Yser only at the end of a bridge between Dixmude and Nieuport. In the retreat from the Yser the Germans have abandoned war material, including some pieces of artillery that sank in the mud.

The allies have advanced to the east of Quenoy-En-Santerre as far as the Heights of Parvillies.

This indicates that the French and British troops are attempting to cut off the German forces occupying Lille. The allies are now both to the north, the south and the west of that town.

VOTERS DECLINE

(Continued from Page One.)

extension of the line to cities north of Richmond had failed to swing the voters into line, persons interested in the subsidy circulated leaflets promising work to the unemployed. Although over a thousand Richmond men are without work, they refused to authorize an increase in their county's taxes to get jobs.

Mr. Purdell's paid agent, John Fitzgibbon, was busy visiting the polls yesterday but failed in his efforts to have the \$10,000 subsidy granted.

Shortly before the election posters were spread on sign boards about the city advertising the proposed Richmond & Hamilton line and asking the voters to finance it with money from the townships. Mr. Purdell even appeared before the voters at the shops and explained his proposition. But all efforts were in vain. The one crushing defeat left no question as to the attitude of the large majority.

A tale from the Pacific relates that a steamer which rudder unexpectedly broke was steered for several days by packing boxes hung over the side.

HOW TO HEAL SKIN TROUBLES

A Baltimore doctor suggests this simple, but reliable and inexpensive home treatment for people suffering with eczema, ringworm, rashes, and similar itching skin troubles. At any reliable drugstore get a jar of resinol ointment and a cake of resinol soap. These will cost a bit more than seventy-five cents. Use the resinol soap and warm water bath the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the distressing itching and burning stops with the first treatment and the skin soon becomes clear and healthy again. For free samples of resinol ointment and resinol soap, write Dept. 34-B, Resinol, Baltimore, Md.—Adv.

GERMANS DESTROY BRITISH CRUISERS

2,000 English Officers and Sailors Lose Lives Off South American Coast When Kaiser's Cruisers Knock Vessels To Bottom of Sea.—Await Sailing of Glasgow Seeking Refuge in Talcahuano Harbor.

[BY LEASED WIRE.] VALPARAISO, Chili, Nov. 4.—Officers of the German cruiser, Scharnhorst expressed the belief today that nearly two thousand British officers and sailors had been killed in the naval engagement off Coronel. The British cruiser Monmouth, which was sunk, carried a complement of 678 officers and men, and the cruiser Goodhope, the flagship of Rear Admiral Sir Christopher Cradock, which is believed to have gone down immediately after the battle, carried nine hundred officers and men. In addition the British cruiser Glasgow and the transport Otranto were struck by shells from the German ships and damaged. If, as believed, the fire-stricken and shell-riddled cruiser Goodhope went to the bottom in the gale that was raging during the battle, it is certain that Sir Christopher Cradock, who was commander of the British squadron in Mexican waters, lost his life. The German cruisers Scharnhorst, Gneisenau and the Nürnberg, which came into this harbor Sunday night after the engagement, had steamed up at dawn and ready to depart. They showed but little effects of the fighting and Admiral Graf H. Spohn, commander of the German fleet, reported that only two men had been wounded on the Gneisenau.

At the time of the battle a hurricane was raging and no boats could be lowered to pick up the survivors, the German officers said.

Armored German transports and the cruisers Leipzig and Bremen are lying off the Talcahuano harbor where the Glasgow took refuge. The Glasgow probably will be dismantled and interned, under water, as she is no match for the German ships.

The destination of the German fleet is unknown, but it is reported they will cruise off the South American coast until the Japanese fleet which is said to be on its way from the Orient, arrives and her strength is ascertained.

DEMOCRATS ENCOURAGED BY RESULTS OF ELECTION

Big Business Boom Due, Say Leaders, and Party Will Prove Wisdom of Tariff and Federal Reserve Legislation.—Minimize Sweeping Victories of Republican Party.

[BY LEASED WIRE.]

WASHINGTON, Nov. 4.—Returns received at the White House today caused officials there to estimate that the Democratic majority in the next house would be approximately twenty-five. They also claimed a Democratic gain of three in the senate. Former Mayor Philan of San Francisco, telegraphed to President Wilson that he was running 16,000 votes ahead of his opponent. Neely, in Kansas and Sullivan, in Illinois, also have been elected by the senate, according to the White House figures.

These reports served partly to dispel the gloom that prevailed in administration circles following the early reports of sweeping Republican victories. It was stated that the Democrats were due for a hard beating, owing to business depression caused by tariff readjustment and to the collapse of Progressive strength.

JOHNSON SCORES IN WESTERN STATE

[BY LEASED WIRE.]

SAN FRANCISCO, Nov. 4.—Governor Hiram Johnson has been elected to succeed himself by an enormous majority. Seemingly the Johnson landslide has carried through all the Progressive ticket with the exception of Secretary of State.

For United States senator returns indicate a close race between Joseph R. Knowland, Republican, and former Mayor James D. Phelan, Democrat.

Francis J. Heney leads in Los Angeles and Fresno, but is generally rather a poor third.

The wets have carried the state decisively. California's representation in Congress will be little changed.

How They Rank

CARSON, Nev., Nov. 4.—Incomplete returns, in ten of the sixteen counties in Nevada indicate that Francis G. Newlands, who has represented this state in United States Senate since 1903 will save his seat by the narrowest of margins.

OREGON RESULT.

PORTLAND, Ore., Nov. 4.—Partial returns from all counties in the state indicate a clean sweep for the Republican ticket with the exception of United States Senator, which seems to have been won by George E. Chamberlain, Democrat.

DEMOCRATS SCORE.

ST. PAUL, Minn., Nov. 4.—Minnesota normally Republican by 60,000, on the basis of returns available today, elected Congressman Winfield Scott Hammond, of St. James, Democrat. Governor over William E. Lee, Republican, by between 25,000 and 40,000.

MURDOCK LOSES.

TOPEKA, Kans., Nov. 4.—On latest returns, George A. Neely, Democrat, is leading for the United States senate, over ex-Senator Charles Curtis, Republican, by about 3,000, with less than one-fourth of the vote counted. Murdock is third.

DEMOCRAT WINS.

LINCOLN, Neb., Nov. 4.—Incomplete returns indicate the election of Morehead, Democrat for governor by a plurality slightly reduced from that of two years ago, with the remainder of the state ticket in doubt.

SUSPENDS RATE

[BY LEASED WIRE.] WASHINGTON, D. C., Nov. 4.—The Interstate Commerce commission today vacated an order suspending proposed increased rates on cement from Mitchell, Indiana, to New Orleans, La., and common points over the Illinois Central and other Mississippi Valley railroads.

KENTUCKIANS HIRE PROTECTING GUARDS

[BY LEASED WIRE.]

LOUISVILLE, Ky., Nov. 4.—Members of the state militia in Western Kentucky who had experience in the "night rider" troubles, are being engaged by the Western Kentucky miners to guard their property from the "possum-hunters," whose depredations recently and whippings have caused terror throughout the Western Kentucky mine region. The "possum-hunters" are supposed to have organized against the negroes and non-union miners.

WASHINGTON BEATS PROHIBITION BILL

Republican Aspirant for the United States Senate Leads Contenders.

[BY LEASED WIRE.]

SEATTLE, Wash., Nov. 4.—Scattering returns from all parts of the state at Washington indicate that prohibition has been beaten decisively, and that the proposed eight hour law has been also defeated.

Senator Wesley L. Jones, Republican, is probably re-elected. In the first, or Seattle district for congress, William E. Humphrey, Republican is ahead. In the third or Tacoma district Albert Johnson, Republican, appears to have been re-elected. In the fourth, or Walla-Walla district R. M. Drumheller, Democrat, is leading. In the fifth or Spokane district, C. C. Dill, Democrat, is leading.

SOCIALIST ELECTED

[BY LEASED WIRE.]

NEW YORK, Nov. 4.—Meyer London, a Socialist, has been elected to Congress from the twelfth New York district. He is the first member of that party to be elected a member of the house of representatives from this state. His opponent, Henry M. Goldfogel, Democrat, and Independence League candidate, conceded London's election today.

RETURN NEWLANDS

[BY LEASED WIRE.] CARSON, Nevada, Nov. 4.—Incomplete returns, in ten of the sixteen counties in Nevada indicate that Francis G. Newlands, who has represented this state in the United States senate since 1903, will save his seat by the narrowest of margins. Governor or Tasker L. Oddie, Republican leads Emmett Boyle, Democrat by a small margin.

SULTAN'S ARMY WINS

Defeats Attempts of Slavs to Make Strategic Advances in Regions of Trans-Caucasia Country.

BY FREDERICK WERNER, Staff Correspondent Representing the International News Service.

BERLIN, by Wireless Via Sayville, N. Y., Nov. 4.—It is officially announced that nineteen Russian transports have been sunk by the Turks and that these vessels carried 1,700 mines intended to be used in blockading Turkish water, thus proving that Russia's intentions were hostile.

It is also announced that the Russian troops have been unsuccessful in their first fights against the Turks in Trans-Caucasia.

The following information was given out by the official news agency today:

"The Gazette Del Popolo says that the treatment accorded Germans in England is a questionable measure, as numerous English industries are conducted by Germans to replace whom will be difficult."

"Sir Edward Grey's note denouncing Turkey, when given out at Rome by the British ambassador, contained an unfavorable impression for England in Italian political circles, as the note showed England's fear of Turk rule."

CHICAGO, Nov. 4.—The Union Stock Yards will open for the slaughter of cattle. Meanwhile the killing of infected herds and the burial of their bodies in trenches with quick lime was begun this afternoon.

The Federal authorities are without power to close the yards and the state authorities refuse to close them. There the matter rested today. Reopened for the night. The continuation of the pens continues night and day.

YARDS IN CHICAGO SLAUGHTER CATTLE

[BY LEASED WIRE.]

TOPEKA, Kans., Nov. 4.—With about half voting George Neely, Democrat, has apparently been elected United States senator with a plurality of 8,000 over Victor Murdock, Progressive, and Charles Curtis, Republican, although enough votes are uncounted to change this entirely. Arthur Capen, Republican, is elected governor by about 20,000 over Hodges, Democrat. The Republicans claim the entire Republican ticket except Curtis by 25,000. This result is indicated by the count of half the votes.

BIG PLANT RESUMES

[BY LEASED WIRE.]

LOUISVILLE, Ky., Nov. 4.—As a result of the lease of the Kentucky Refining company's plant by Sulzberger and Company of New York, the plant, which has been closed down for a year, will resume operations at once and the sum of \$5,000 will be spent within ten months with the cotton growers first out for cotton seed. This announcement was made today by the management of the company. The purchase of cotton-seed has already begun.

Mother's Friend

Before Baby Arrives

During several weeks of expectancy there is a splendid external embrocation

in which thousands of women have the most unbounded confidence. They have used it and know it. They tell of its wonderful influence to ease the abdominal muscles and how they avoided

stretching pains that are so much talked about. This safe external application is gently used over the skin to render it amenable to the natural stretching which it undergoes. The myriad of nerve threads just beneath the skin is thus relieved of unnecessary pain-producing causes and great physical relief is the result as expressed by a host of happy mothers who write from experience.

It is a subject that all women should be familiar with as "Mother's Friend" has been in use for many years, and is recommended by grandmothers who in their earlier days learned to rely upon this splendid

"You can obtain 'Mother's Friend' at almost any drug store. Get a bottle to-day and the whole world of our little book so useful to expectant mothers."

MANY VOTERS SAY NEW CONSTITUTION NEEDED BY STATE

[BY LEASED WIRE.]

INDIANAPOLIS, Ind., Nov. 4.—One hundred and twenty-nine precincts vote on the constitutional convention: Yes, 19,420; No, 17,250.

Vote on centennial appropriation: Yes, 19,869; No, 16,630.

It is not definitely known how either of these measures fared at the hands of the voters. There was much opposition to the constitutional convention, especially from the liberal element, which feared the injection of the liquor problem and an anti-liquor clause in the new basic law. The centennial appropriation was regarded as a measure giving Indianapolis a new building and benefiting the state as a whole very little.

GOVERNMENT SPARES CATTLE AT CHICAGO

[BY LEASED WIRE.]

WASHINGTON, Nov. 4.—The department of agriculture today officially denied a report from Chicago that it proposed to kill all the blooded cattle on exhibition at the National dairy show in the Windy city because of the discovery of several cases of the foot and mouth diseases among the exhibits.

"There is nothing in it," said the department. "Only three cows infected with the disease have been found. They were all in one herd, which is most encouraging, and they were promptly isolated so as to prevent the spread of the disease."

It was pointed out that the best of the cattle in the country is being shown at the exhibition and to kill them all under the circumstances would cause an unwarranted and tremendous loss.
