

## LEARNER URGES MEN TO ATTEND KING'S LECTURE

**Y. M. C. A. Extends Sweep-  
ing Invitation to Citizens  
to Hear Address at Gen-  
nett Theatre Sunday.**

"We want the men of Richmond to attend the meeting at the Gennett theatre tomorrow afternoon, because they will have a chance to hear a splendid talk, and because we feel that if this first meeting is successful, the other meetings will be well attended," said Secretary Learner of the Y. M. C. A. today.

Dr. Byram W. King, president of the King School of Oratory, located at Pittsburg, will speak tomorrow on "The Drama of Life." Dr. King spoke here several years ago at the chautauqua and is remembered as an interesting and able speaker.

These men's meetings, which are given under the auspices of the Y. M. C. A. are strictly non-sectarian, and no reference will be made to church affiliations, Mr. Learner said.

Music will be furnished by the Y. M. C. A. quartet and a special orchestra. No admission will be charged and no collection will be taken.

In order thoroughly to advertise the meetings a large stereopticon advertisement will be shown at the corner of Eighth and Main tonight.

The second meeting will be held Sunday afternoon, Nov. 22, and will be addressed by Dr. Walter D. Cole, of Springfield, Ill.

## AMES ENCOURAGES AMERICAN MUSIC

Winthrop Ames, manager of the famous "Little Theatre" in New York, has arranged to have the musical programs presented there this year by native composers alone. The fact that only Americans will be represented is interesting and is commented upon by a leading New York publication, which says:

"This is a fact of considerable importance to the musical profession in this country, for, if the experiment is successful, there will doubtless be many other managers to follow suit and so develop a trend of decided advantage."

"To assist native composers in bringing this desirable condition about, Mr. Ames offers a hearing at the Little Theatre for any of their original, unpublished compositions that may be deemed suitable by his musical director, Elton C. Steele."

"Edmund Schirmer, the music publisher, has expressed great interest in the plan, and declares he will be glad to consider for publication all that are selected for use."

This is the sort of action that really encourages native art. Prizes of \$10,000 for the "best opera" are of doubtful value to the development of American musical art since competitions of this character are hardly ever representative, and there is often not much wire pulling on the side that makes the decisions more or less negligible.

Mr. Ames has done a lot for various phases of art in this country, and this, it is predicted, will not be one of the least.

## WOMEN CONDUCT CHURCH SERVICE

Mrs. J. Herschel Coffin and Miss Mary A. Stubbs will be the speakers at the Women's Day program which will be observed at St. Paul's Lutheran church tomorrow morning. Other features of the program will be a vocal number by Mrs. Kreuger, a children's chorus and special instrumental numbers.

The school will assemble at 8:45 o'clock tomorrow morning, and the public is invited to attend the meeting.

Yokohama's export trade for six months ending June 30 amounted to \$70,452,537.

### CANDIDATES CLAIM SMALL EXPENSES

More than 100 candidates have filed campaign expenses. About forty reported they had spent nothing in running for public office. Expense accounts of James Harris, candidate for county council who spent \$45, W. B. Dye candidate for county council who spent \$25 and Albert Anderson, candidate for county commissioner who spent \$62 were filed today among other smaller accounts. The candidates have about three weeks in which to file their statements.

One of the ancient city guilds of London, the Glass Sellers' Company, in 1654 obtained the right to smash glass of foreign manufacture wherever it was found. The charter has never been revoked.

## JOBLESS MEMBERS WORK FOR CHURCH

### Make Improvements to Build- ing of St. John's Congrega- tion.

Members of St. John's Lutheran church are making a number of improvements to the basement of the church edifice. A cement floor is being placed in one of the unfinished rooms to accommodate the primary department of the Sunday school which has outgrown the seating capacity of the Sunday school rooms proper.

The improvements are being made by members who are out of work and who are donating their labor to the church. Some of the material for the improvements has been given by the members of the charge, and it is believed the change will cost the congregation very little.

## CEMETERY SOCIETY WILL SPREAD DINNER

CENTERVILLE, Ind., Nov. 14.—The cemetery association met with Mrs. Steve Shank Friday afternoon with twenty-three members present. The meeting was called to order by the president, Mrs. Minnie Wright. The business was the arrangement of the Thanksgiving dinner.

A vote was taken on whether the dinner would be served at the hall or the M. E. church basement. Twenty-one out of the twenty-three present were in favor of the hall. It was also decided to serve the dinner at the usual price of twenty-five cents and the lunch at ten cents.

The following are the chairmen of the various committees: Advertising, Mrs. O. K. Dunbar; tickets, Mrs. S. P. Pike; buying, Mrs. Frank Neugen; decorating, Mrs. Mattie Buhl; reception, Mrs. N. ## Notice to AUTOMOBILE OWNERS

This is the time of year that you should protect your radiators and motors, as a small sum spent now, may mean a great saving in the future.

We have a solution which will prevent the freezing of the radiator or motor and is absolutely harmless to the radiator or the rubber connections.

We still have room for storage for a few more cars, in a thoroughly steam heated and fire proof garage, and storage of this kind may be the means of another great saving in the spring, as it will prevent the cracking and cracking of the paint on your cars, caused by the expansion and contraction of freezing.

We carry a line of the LEHMAN CARRIAGE & AUTO HEATERS and a heater placed in your AUTO or CARRIAGE will make it as comfortable as your parlor.

We will appreciate your visit to our garage, to see our line of BUICK CARS on display, also our conveniences for storing cars for the winter.

All cars on regular storage will be delivered to your home or office as promptly as possible.

Taxi service at all hours, which you will find warm and comfortable.
