

PROWLER AT NIGHT FRIGHTENS AURORA

Epidemic of Scares Follow Mysterious Murder of Woman in Churchyard.

(BY LEASED WIRE.)
AURORA, Ill., Nov. 25.—State's Attorney W. J. Byers today assumed charge of the Jennie Miller murder mystery investigation at the demand of Aurora citizens, who intimated that the local authorities were not as active as they might be in the matter.

Since the murder of Miss Miller seven Aurora women have been pursued and frightened into hysterics by a nocturnal prowler, and the town has been kept in a state of turmoil. Chief Michaels admitted today that he had no tangible clue which might lead to the apprehension of Miss Miller's slayer, and this admission prompted the citizens to call the state's attorney into the case. Chief Michaels said frankly that he took no stock in many reports of the fright abroad concerning the women of the city.

Mr. Byers spent the morning in comparing the handwriting of the man who registered Sunday night at the Burton Block hotel as J. E. Schobles with the chirography of a mysterious stranger who had registered at several other places within the last few days.

Get The Stage Secret Of Healthy Hair.

Though wigs are often used in special parts played by actresses, it is a notable fact that they all have beautiful, natural hair which is the result of sensible care only. Their only secret is care. Not strenuous, but regular. In washing the hair it is not advisable to use a make shift, but always use a preparation made for shampooing only. You can enjoy the best that is known for about three cents a shampoo by getting a package of canthox from your druggist; dissolve a teaspoonful in a cup of hot water and your shampoo is ready. After its use the hair dries rapidly with uniform color. Dandruff, excess oil and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than it is. Its lustre and softness will also delight you, while the stimulated scalp gains the health which insures hair growth.
