REV. MOTLEY LISTS CAUSES FOR THANKS

Central Christian Pastor Conducts Testimonial Service at Evening Hour.

Members of the Central Christian church gave their individual reasons for thanks at a mid-week meeting held last night.

Rev. W. R. Motley first outlined seven reasons for which every member should be thankful:

"First, Thank God for the ability to be thankful. The most pitiable person imaginable is the one whose life is characterized by a spirit of ungratefulness.

"Thank God for time. Time in which to right wrong, forgive injuries, retrieve losses, do good and get good.

ST. JOHN'S ELECTS

The congregational meeting of St. John's Lutheran church elected the following officers last night: Elder, August Paust; trustee, Henry Kauper; deacons, Herbert Sherman, Fred Bode, and Carl Kehlenbrink; school board, Charles Flening.

"Thank God for the possession of courage.

"Thank God for the material prosperity.

"Thank God for the school, for material equipment, intellectual efficiency and moral tendency.

"Thank God for the home. The homes of our country add to the safety, prosperity and liberty of the citizens.

"Thank God for the church, for its authors, its history, its great names and its fruits."

SHIP WAR HORSES THROUGH RICHMOND

Pennsy Carries Thirty Cars of Animals for Nations of Europe.

Rapid shipments of war supplies have been going through Richmond on the Pennsylvania railroad for several days.

These shipments include Belgium relief supplies, horses for Germany and, it is said, supplies for the other countries purchased by United States agents.

The trains are given the same right-of-way as passenger trains. Last night a special train of thirty cars filled with horses, passed through this city for Pittsburgh where the horses will be transferred and sent to Philadelphia.

TO HOLD BAZAR

Women of the Central Christian church are planning to hold a bazaar and market on Friday and Saturday, Dec. 4 and 5. Mrs. Glen Whitesell will have charge of articles to be placed in the sale, and will collect them at 1128 Main street.

To Ward Off Winter Complexion Ills

To keep the face smooth, white and beautiful all winter, there's nothing quite so good as ordinary mercolized wax. Rough, chapped or discolored skin, inevitable in this weather, is gently absorbed by the wax and replaced by the newer, fresher skin beneath. The face exhibits no trace of the wax, the latter being applied at bedtime and washed off mornings. Creams, powders and rouges, on the other hand, are apt to appear conspicuous at this season, because of alternating expansion and contraction of the skin, due to changing temperatures. I advise you to try this simple treatment. Get an ounce of mercolized wax at any drug store and use like cold cream. This will help any skin at once, and in a week or so the complexion will look remarkably youthful. Winds and flying dust often cause squinting and other contortions which make wrinkles. You can quickly get rid of every wrinkle, however produced, by using a harmless face bath made by dissolving 1 oz. powdered saxolite in 1/2 pt. witch hazel.—adv.

Carefully Treat Children's Colds

Neglect of children's colds often lays the foundation of serious lung trouble in later life. On the other hand, it is harmful to continually dose delicate little stomachs with internal medicines or to keep the children always indoors. The ideal way to avoid colds is to keep plenty of fresh air in the bedroom and at the first sign of trouble apply Vick's "Vapo-Rub" Croup and Pneumonia Salve over the throat and chest, covering with a warm flannel cloth. The body heat releases antiseptic vapors that are inhaled all night long, opening the air passages and healing the inflamed membrane. In addition, Vick's is absorbed through the skin, taking out the soreness and tightness. Vick's contains no harmful drugs whatever. A. druggists—25c, 50c, and \$1.00.
