SUMMING UP THE EVIDENCE.

Many Richmond People Have Been Called as Witnesses.

Week after week has been published the testimony of Richmond people—kidney sufferers—backache victims people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 30,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Richmond case: Mrs. J. C. Genn, 522 North Sixteenth street, Richmond, says: "Doan's Kidney Pills are all right. Whenever any of us have backache or any symptoms of kidney trouble, Doan's Pills give relief."

Price 50c, at all dealers. Don't simply ask for kidney pills—get Doan's Kidney Pills—the same that Mrs. Genn had. Foster-Milburn Co., Props., Buffalo, N. Y.

ROAD ADVOCATES

(Continued from Page One.)

mercial club, a committee from the Travelers Protective association, a committee of rural mail carrier out of the Richmond post office and many other individuals.

The following petitions are addressed to the Hon. Walter McConaha, joint senator of Wayne and Union counties: "The undersigned residents having had the opportunity to observe the benefits of the maintenance of highways under the supervision of the county highway superintendent, respectfully address you in request that you use your best endeavors to the end that the present highway law shall not be amended in such way as shall either diminish the duties of such highway superintendent or in such way as shall reduce the efficiency of such plan and system."

Wayne Stands Alone.
That Wayne county good roads advocates are practically alone in the state in fighting the repeal of the law and a return to the old system is said to be the case as other counties complain of needless expense without better results. If the sentiment is overwhelmingly against the action of the Wayne county constituents, it is not improbable that a special bill will be introduced for Wayne county.

The committee will show that the three county commissioners under the old system in 1913 drew a total of \$989 while the highway superintendent received \$1,040, for double the work.

WARM SNOW COVERS YOUNG WHEAT CROP

Weather Makes Farmers Optimistic for Unusual Yield Next Harvest.

Reports from different parts of the country indicate that the condition of the wheat crop is unusually good. Farmers say the weather conditions have been ideal, and that prospects were never better at this stage. At no time this winter has the ground been frozen to any great depth, and during all the severe cold weather the ground has been covered with snow which has been a great protection to the wheat. Each time the snow has come before the weather became very cold.

PENAL FARM MEANS SAVING TO COUNTIES

Through a typographical error in an article appearing in the Palladium a few days ago, George Seidel, one of the members of the state penal farm board of trustees, was quoted as saying that the institution would effect a saving for the various counties of an average of \$100,000. Mr. Seidel stated that the institution would save all the counties \$100,000 per year by lessening the number of prisoners in county jails.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off With Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights. Cleanse the blood, the bowels and the liver with Olive Tablets. Dr. Edwards' Olive Tablets are the successful substitute for calomel. There's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating. No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil, you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints and Olive Tablets are the immensely effective result. Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

A BAD COUGH FOLLOWED GRIPPE

James Martin Tells How Vinol Stopped the Cough and Restored His Strength After an Attack of Grippe. Wapakoneta, Ohio.—"I am a farmer by occupation and the grippe left me with a bad cough and in a nervous, weak run-down condition, and I could not seem to get anything to do me any good. I decided to try Vinol, and soon began to improve, and after taking one bottle I feel like a new man. Vinol has built me up, and my cough and nervousness are all gone, and I can truly say Vinol is all that is claimed for it."—James Martin, Wapakoneta, Ohio.

The many letters which we are continually publishing from reliable people should prove to you that Vinol is a reliable body builder and strength creator; in fact we feel safe in saying that we have never sold in our store a more dependable, upbuilding tonic for the convalescent, weak and run-down than Vinol, our delicious cod liver and iron tonic without oil. Therefore if you need such a medicine, we ask you to try a bottle of Vinol, and if you don't think it helps you, we will return your money. Vinol is a constitutional remedy for all weak, nervous and run-down conditions of men, women and children—Leo H. Fihe, Druggist, Richmond, Ind., and at leading drug stores everywhere. NOTE—You can get Vinol at the leading drug store in every town where this paper circulates.—adv.
