

## MEET TO NAME SLATES TO RUN FOR CLUB JOBS

Commercial Club Directors Lineup to Elect George Seidel President for Second Term in Office.

Nominating committees of the Commercial club were called to meet at 4 o'clock this afternoon to prepare tickets for the annual election of directors next Monday night.

The report of the tickets will be made first to the Commercial club directors at the regular meeting to-night.

It is understood two of the retiring directors have asked that their names be left off the new tickets. With the exception of these two directors one of the tickets will contain names of all the directors whose terms expire.

They are: James A. Carr, chairman of the manufacturers' committee; Demas S. Coe, chairman of the house committee; Henry Gennett, chairman of the committee on public service corporations, Theodore H. Hill, chairman of the committee on electric railroads; Lee B. Nusbaum, chairman of the membership committee; Will H. Quigg, chairman of the public health committee; John L. Rupe, chairman of the legislation committee; and George E. Seidel, president of the club.

To Approve Tickets.

The two nominating committees will meet together. The "Red" tickets will be made out by John F. McCarthy, C. Beck and Folger P. Wilson. The committee to nominate the "Blue" ticket is Fred Lemon, R. B. Nicholson, and Burton Carr.

The directors will approve the tickets tonight and submit them to the club February 8 when the election will be held. There will be eleven new names to be voted on and seven names of the directors who are now in office.

The election of club officers will be held March 1, by the new board of directors. The officers are George E. Seidel, president; Pettis A. Reid, first vice president; George H. Eggemeyer, second vice president; John M. Lontz, third vice president, and Howard A. Dill, treasurer.

It is said there is a movement on foot among some of the members to have the same officers reelected and the directors expect to make President Seidel head of the club for another year.

The chairman of the club committees will make their reports in part to-night.

## BOARD QUILTS OILING BY PUBLIC CONTRACT

Orders City Engineer to Test All Oil Before Application.

Not only did the board of public works vote unanimously today not to have the streets oiled this spring and summer under public contracts but it also decided that when streets are oiled under private contracts the city will not pay the cost of the oiling of street intersections.

In adopting the policy of street oiling under private contracts the board provides that no oil can be used which has not been tested by the city engineer, and that all oiling must be done under the supervision of that official. There are still unpaid assessments for street oiling done last year under public contracts to the amount of \$140, which the city must assume the loss or sue the property owners.

Resolutions for a trunk sewer system in West Richmond, west of Southwest Seventh street between Main street and the National road, was adopted today. This sewer will empty into a disposal plant on Clear Creek on property owned by the cemetery association.

The board also adopted a resolution to provide a combination storm and sanitary sewer in Main street between Eleventh and Twelfth streets. There is no sewer in this block now, it being drained by shallow sewers in alleys, north and south.

years' active participation in highway improvement and repair, he believes the proper method to be that the township should only be charged with the initial opening and grading and improving of highway. That at once the same should be gravelized to the extent required by statute for such highway to be taken over and thereafter maintained by the county as such.

"By such course being pursued and by such course only can the various municipalities be required to participate in the maintenance and upkeep and repair of the main travel highways, which in their use are primarily used for the benefit of the people of the various municipalities. In so doing not only will the highways generally of the county be maintained to the highest state possible with the funds available, but in so doing will the burden of maintenance be placed where it belongs. Further, by so doing only will Wayne county be able to participate in the automobile tax fund to an amount proportionate to its contribution. Only by so doing will the various townships be relieved of what is at this time not only a heavy burden but which is at the same time attended with a constantly increasing loss and constantly increasing expense."

"The writer has shown this article to Mr. Channess, county treasurer, before presenting it to you, and he approves as correct the statements herein relative to the conversation with your reporter. Respectfully,

W. O. JONES.

County Superintendent of Highways.

## BUSY WEEK AHEAD OF INDIANA SOLONS

Besides Legislative Grind, Lawmakers Expect to Hear Bryan.

[BY LEASED WIRE.] INDIANAPOLIS, Feb. 1.—When the two houses of the legislature were called to order at 2 o'clock this afternoon, the busiest week of the present session was in prospect. A large number of new bills will be introduced during the coming few days, committee meetings on the various projects already before the legislators, several public hearings, caucus on Democratic party measures, and the passage or rejection of more than a score of measures on which committee reports have been made, will keep the senators and representatives on the job for longer periods each day than has been the rule during the early part of the session.

Considerable interest centers in the coming visit of Secretary of State Bryan who will address the legislature Friday afternoon. It is expected the secretary will have something to say about the state-wide primary, which is a part of the Democratic state platform.

## GONZAGAS ORGANIZE FOR ATHLETIC WORK

Y. M. I. Council to Form Teams for Competition With Other Orders.

Seventy-five members of Y. M. I. Gonzaga council, No. 612, organized the Y. M. I. Athletic association yesterday afternoon. The purpose of the association will be to increase interest in athletics among the members of the council, and to finance teams representing the association.

Frank Taube was elected president. Other officers are: Rudolph Gausepol, secretary, and Clarence Zeyen, treasurer. The president was authorized to appoint leaders to interest candidates in athletics and oversee the organization of teams.

The following leaders were appointed: Leonard Bosenmeier, polo; R. W. Gustin, basketball; Clarence Zeyen, bowling; Herman Zeyen, baseball. Several teams will be organized in each branch of the sports named and elimination contests held to select the strongest teams. The association hopes to secure a gymnasium at once.

## RUSS REPORT SUCCESSES IN GERMAN FIGHT

Battle Wages in Forests North of Pillkallen as Czar's Forces Rush Eastward.

PETROGRAD, Feb. 1.—Four German regiments took part in the assault upon the Russian lines near Borjimow on Saturday, both of which lost heavily, it was officially announced today. The Russians captured three officers and more than sixty men. The following communication was given out by the war office:

"The Russians continued to advance in the forests north of Gumbinnen and Pillkallen in East Prussia, where stubborn fighting is still in progress.

"There was a bayonet fight on Saturday in the region of Borjimow where the Germans occupied Russian trenches, which we have now re-occupied. We captured three officers and more than sixty men as well as a Maxim gun. On the same day the enemy attempted to repel an attack by Russian outposts on their trenches, but was repulsed. Only a small part of the enemy's forces succeeded in retaining their positions.

"Prisoners state that the German attack upon the Russian position near Borjimow, four German infantry regiments suffered heavily. Russian artillery has been most successful on the whole front. Left of the Vistula, our guns seriously damaged enemy's position, causing serious loss. In the Carpathians the Russian situation is satisfactory. On the front from Dukla Pass to Wyshkow we are advancing."

## WESTERVILLE HORSE EXPORTED TO RUSSIA

Harry Dillon, 2:10, by Sidney Dillon, 23157, dam Adlio, by Guy Wilkes, 2:154, the great trotting stallion which was sold a few days ago by E. J. Gould of Westerville, Ohio, to Harry Hersey, is to be exported to Russia. The destructive war in Europe does not altogether deter the foreign horsemen in their planning for the future. Of course, some day the war will be over and the people will again have time to think about the trotting horse.

## ANDERSON OVERRULES ROBERTS DEMURRER

Federal Judge Holds Jurisdiction Over Terre Haute Frauds.

[BY LEASED WIRE.] INDIANAPOLIS, Ind., Feb. 1.—Federal Judge Anderson today overruled the demurser of Mayor Donn M. Roberts, Judge Eli H. Redman and the other Terre Haute, politicians, who are charged with conspiracy in connection with alleged election frauds, and set March 8 as the date for trial. Roberts and the others had questioned the jurisdiction of the federal court, and Judge Anderson decided that he did have the right to order the case tried in the United States court.

Mayor Roberts, Judge Redman and the twenty-five other defendants were in court when his decision was read.

Congressman A. O. Stanley, chief counsel for the defense, asked the court to set the trial date after the adjournment of Congress on March 5.

Judge Anderson held that the federal court has jurisdiction in this case, because in the election in question, a United States senator, and a congressman were chosen.

The court stated that action to debase such an election was an offense against the United States, and a conspiracy to use the United States mails to corrupt an election also was a violation of federal law.
