## MAY WHEAT CLOSES AT \$1.63 MARKER

### Grain Market Rules Dull and Closes With Very Small Losses.

[BY LEASED WIRE.]

CHICAGO, Feb. 10.—The grain market ruled dull during the entire session today and closed with losses of 1/2 to 3/4 c for wheat, 1/2 to 3/4 c for corn and 3/4 to 1 c for oats. The premium for sack wheat was unchanged, but the cash article declined with the futures.

May wheat was "pegged" at \$1.63, as there were buying orders in large amounts at that figure at the close of the day. A Baltimore export house was offering 25,000 bushels of No. 2 rye, bought here some days since. Cash transactions were one cargo for export via the Gulf. Here the sales were 225,000 bushels of corn and 330,000 bushels of oats, of which 125,000 of corn and 330,000 bushels of oats were for export.

The close was: Wheat, May \$1.63 1/4, July \$1.38 1/2. Corn, May 80 1/2, July 82 1/4. Oats, May 61 1/4, July 57 1/4.

## HELMS SHIPS SEED FOR PURDUE FARM

The seed firm of Helms and Helms shipped twenty-one bushels of clover seed to Purdue university today, to be used on the main farm owned by the school. The order was placed by Dean J. H. Skinner, of the agricultural college, who said that the samples of seed which had been submitted to the experiment station for examination were the best that he had been able to find in the state.

The shipment made today included eighteen bushels of little red clover, and three bushels of big English clover. The seed tested as high as 99.6 per cent pure, and from 92 to 95 percent germination.

## SOUDERS STOCK SALE RECEIPTS NET \$14,000

### Draft Mare Brings Top Price of \$312.50—Cows Sell for \$70.00.

About \$14,000 was realized from the sale of livestock on the Bert Souder farm, one mile north of Hagerstown, Md. The semi-annual livestock sale of the farm is the largest one of its kind in the State.

The sale of livestock held in Wayne county of an attract buyers from all over the State. The sale has attained a reputation as a place where good animals, and especially those in the sale ring, are to be found. Each year the sale draws a large number of buyers from all over the State, and through his sales the Souder farm is instrumental in stocking western Wayne county with good Jersey cows.

Good work horses were in demand at the sale yesterday, and the top price paid was \$312.50 for a draft mare. The prices paid for the 35 head of horses ran from \$200 to \$300.

The prices paid for the cattle were much lower than those paid at the fall sale, when a good cow sold for \$140. The average price this year ran from \$50 to \$70.

One hundred and fifty brood sows were sold. The high price of corn and the reaction from the foot and mouth scare kept the average price down to \$18.

Between four and five hundred persons attended the sale, taxing the capacity of the large barns and the sale pavilion.

There are about three million two hundred thousand bicycles in use in France now, as compared with five hundred thousand years ago, when the government began counting them for taxation.

## WARMER DAYS HELP SWELL SALE CROWDS

### Horses Bring Especially Good Prices at O. T. McConaha and Bonn Farms.

Three farm sales of universal interest were held today within a radius of ten miles of Richmond. The sunshine and milder weather brought out a good attendance at each place, and the livestock, especially the horses, brought good prices.

At the O. T. McConaha farm, one mile south of Centerville, 60 head of hogs, 12 horses, 5 head of cattle and 12 sheep were sold, as well as a good supply of alfalfa and clover hay. Vanderbeck and Sons conducted the sale, with Frank Jones of Richmond, as clerk, and Thomas Ahl of Centerville, as cashier.

Henry Bonn, on the J. B. Unthank farm north of W. ester, sold 65 good hogs, 30 head of cattle and 5 horses, also several hundred bushels of corn in the crib, some clover and timothy hay, and 25 tons of baled straw. The sale was in charge of the veteran auctioneer, Col. Thomas Conliff, and his assistant, Simon Weddle. Clarence Pitts acted as clerk, and William Lewis cashier.

The sale of H. Christman, held at his farm four miles southeast of El Dorado, Ohio, was not largely attended by farmers from over the Indiana line, as the latest quarantine regulations now prevent interstate delivery of animals from Ohio. Forty head of Duroc Jersey hogs were sold, and four horses and nine head of cattle.

## LOYD OSBORN DIES

ECONOMY, Ind.—Edwin Osborn, 78, was found dead Monday morning by his son, Lloyd Osborn. Funeral was held Tuesday afternoon in the Friends' church. Rev. Oliver Frazer officiated. Mr. Osborn was a very eccentric man and was a follower of Thomas Payne's teaching. He died in the same room he was born in seventy-eight years ago. Perhaps no man in this part of Indiana could give such lucid interpretation of Shakespeare's writings as Mr. Osborn. His favorite poet was Will Carleton. He held a birthright membership in the Springfield Friends' church, but long ago gave up the orthodox teaching of the Friends.

## FLOOD OF MEASURES MEANS NIGHT WORK

[BY LEASED WIRE.]

INDIANAPOLIS, Feb. 10.—Thirty-five new bills, the largest number introduced in any one day, were presented in the house this morning. These new bills, with 25 committee reports submitted to the house, made it certain that night sessions of that body will be necessary in the near future.

Of the new measures the most noteworthy was one by Representative Vanhorne on the housing question. His newest measure strikes out all the provisions of the present state housing law and makes all laws on this subject effective only in cities of more than 30,000 population. A lively fight is in prospect over the housing question. Mrs. Abbot Fellows Bacon is here leading the advocates of the existing statutes on that subject.
