into a broken plate glass window. Bert Conner had an ankle broken by stepping through a hole in the floor.

Desperate efforts were made by the volunteer firemen to save the house, but the goods of Mrs. Hartzell, who is a widow and poor, but were only able to save a part of them.

The greater part of the stock of the Dunbar store was salvaged, also the household goods of Thomas and Ora Dunbar. A tank of gasoline was the only thing saved from the pharmacy.

Hartfield's loss at his moving picture theatre was complete, but he bore his loss cheerfully.

"The loss by the fire today is not confined alone to the property owners and the tenants of the buildings. The whole town shares in the loss, not only because some of our principal business blocks were destroyed, but because we lost our most prized possession, the old court house," said a prominent Centerville man. "Many of us watched the burning of that historic structure with tears in our eyes. And we had to stand by helplessly and watch the flames ruin it because that damned fire engine wouldn't work."

INSTITUTE PETITIONS FOR COUNTY EXPERT

Preble Farmers Go on Record Favoring County Experimental Farm.

EATON, O., Feb. 11.—In a resolution passed Wednesday at the closing session of the Central Farmers' Institute, the establishment of a county experimental farm and the appointment of an agricultural agent were favored by a gathering which numbered more than six hundred. This project is under consideration of officials of the state agricultural department, and it is planned to petition to the board of commissioners for a special election. The matter was rejected by Preble county farmers a few years ago, but objection is believed to have abated and it probably will be accepted when a vote is called.

Another resolution adopted was that the state be asked for aid in an institute planned to be held next winter. The Commercial club donated the use of the Armory for the meeting and provided music during the sessions.

Officers were elected as follows: President, H. O. Silvers, Dixon township; vice president, Charles Fudge, Washington township; secretary and treasurer, John F. Miller, Washington township.

THREE MEN QUALIFY FOR EARLHAM TEAM

Pennington, Little and Mitchell to Represent the School in Debates.

In the debates against Albion and Wabash next month, Earlham will be represented by E. Pennington, C. Little and K. Mitchell, a team chosen in the final preliminaries at the college last evening.

Government ownership of telephone and telegraph lines will be the question discussed, Earlham attacking the proposition.

Owing to the withdrawal from college of Robert Lyons, this city, who had won a place in the finals, there were only two speakers on the affirmative side last evening. S. Mills and H. Nixon were the other speakers.

Affirmative speakers insisted that evils in the present system demanded changes and that government ownership is the remedy. The negative maintained that public ownership in European countries was a failure.

Fred Hollowell presided in a gracious and self-possessed manner.
