JIM RICE FAVORS FOUR MILE ROW

Jim Rice the veteran rowing coach of Columbia university, who has put himself on record as being opposed to the movement to have the length of the intercollegiate rowing race courses reduced from four to two miles. "When the boys are primed for a race," says Coach Rice, "they can hit it up for six miles without feeling any serious effects."

HOWARD ISSUES SERMON SUBJECT

At the Lutheran service at the First English Lutheran church tomorrow evening the pastor, Rev. E. G. Howard, will speak upon the "Kingdom of God." He is expecting to answer the question "Why are sinful and wicked men permitted to remain in the membership of the churches?" He will also consider some of the problems of the Kingdom arising from dominance of evil manifested in the present great wars.

D. D. D. In Hospitals; Standard Skin Remedy

How many hospital patients have been soothed of their frightful itch, of the scorching pain of skin disease, by the famous D. D. D. Prescription? A soothing fluid, washed in by a nurse's hand.
A SUPERVISING NURSE (name of nurse and institute on application), writes regarding a patient: "The disease had eaten her eyebrows away. Her nose and lips had become disfigured. Since the use of D. D. D. her eyebrows are growing, her nose and face have assumed their natural expression."
Doctors, too, use D. D. D. in private practice. DR. GEO. T. RICHARDSON frankly writes: "D. D. D. is superior to anything I have ever found. Soft and soothing, yet a powerful agent." To do the work, D. D. D. Prescription must be applied according to directions given in the pamphlet around every bottle.
And it certainly takes away the itch at once—the moment the liquid is applied.
All druggists of standing have the famous specific at 25c, 50c and \$1. But we are so confident of the merits of this prescription that we will refund the purchase price of the first full size bottle if it fails to reach your case. You alone are to judge.

M'CONAHA MEASURE ADVANCED IN HOUSE

Senate Receives Favorable Report on Ballou Constitu- tional Convention Bill.

[BY LEASED WIRE.]
INDIANAPOLIS, March 2.—The house received a favorable report of the McConaha bill permitting the Richmond municipal electric lighting and power company to turn its surplus funds over to the city's general fund, and the measure was advanced.

Senator J. R. Fleming's bill to permit foreigners to vote in Indiana only upon their becoming citizens of the United States was passed by the senate today, 30 to 14, after a lively fight against it led by Senator Kinder. The bill intends to exclude from voting all foreigners who have merely declared their intention of becoming citizens and have not taken out their full citizenship papers.

The Waitz bill giving the public service commission the right to grant increased passenger rates was advanced to third reading. Representative Cleary introduced a new bill to give police court judges power to impose a jail sentence upon first conviction of automobile or motorcycle speeders.

The senate today received a favorable report on the Ballou bill providing for a vote by the whole people on the question of holding a constitutional convention.

EXPRESS WAGONS EXTEND DELIVERY

Consent was secured through the higher officers of the Adams Express company.

Lime-Loss in Tuberculosis

In the Journal of the American Medical Association (January 17, 1914) was the following:
"It has been many times stated that in tuberculosis or in the pre-tuberculous stage an increased amount of calcium (lime) is lost, both in the urine and feces. In fact, a demineralization has been thought to be a forerunner of the development of tuberculosis of tuberculous patients and the enormous amount of eggs and milk once given such patients are not now considered advisable by a large number of physicians who are specializing in the treatment of pulmonary tuberculosis."
If tuberculosis is due to a loss of lime from the system, the cause of Eckman's Alternative in the treatment of this disease may be due, in part, to the fact that it contains a lime salt so combined with other valuable ingredients as to be easily assimilated.

Always we have urged users of Eckman's Alternative to attend strictly to matters of food and drink. In addition to rest and proper diet, some effective remedial agent seems to be needed, and in numerous cases of apparent recovery from tuberculosis and kindred throat and chest ailments Eckman's Alternative has supplied this need.
It does not contain opiates, narcotics or habit-forming drugs, so it is safe to try. Your druggist has it or will order it, or you can get it from us direct.
Eckman Laboratory, Philadelphia.

2 BED FELLOWS FIGHT ON STREET

David Brower and Dan Hayes both slept in the basement of the city last night. When they departed this morning Brower accused Hayes of talking about him. This Hayes denied and a hot argument ensued at the corner of Fifth and Main streets. Finally Brower struck Hayes and a lively battle ensued. Brower drew a fine of \$5 and costs and the charge of provocation against Hayes was dismissed.
