CALL CROP REPORT BULLISH DOCUMENT

[BY LEASED WIRE.]

CHICAGO, March 8.—The government crop report, which was issued immediately after the close of the board of trade today, was construed by the men in wheat as a bullish document. Wheat was sensationally higher all day, the May future selling from \$1.43 up to \$1.49, compared with a close of \$1.41 Saturday; July sold at \$1.16 to \$1.10, and September at \$1.08 to \$1.11. The close of July on Saturday was \$1.15 and September \$1.07. Corn closed $\frac{1}{4}$ to $\frac{1}{2}$ c higher, and oats were up $\frac{1}{4}$ to $\frac{1}{2}$ c. Cash sales at the seaboard were thirty boatloads of Manitoba. Sales here were 50,000 bushels of corn and 95,000 bushels of oats. Hog products were sharply up.

RICHEST WOMAN FINDS COMFORT IN SMALL ROOM

Mrs. Hetty Green, reputed to be the richest woman in the world, is living in one little room just off the butler's pantry in a brown stone house on Sixty-second street, near Madison avenue, New York. A single cot and a straight-back chair and an old-fashioned bureau comprise the principal furnishings in the room. Heat is furnished by a small oil stove.

JURY TO PROBE

OUCH! LUMBAGO PAIN! RUB BACKACHE AWAY

Instant Relief with a small trial bottle of old "St. Jacob's Oil."

Kidneys cause Backache? No! They have no nerves, therefore can not cause pain. Listen! Your backache is caused by lumbago, sciatica or a strain, and the quickest relief is soothing, penetrating "St. Jacob's Oil." Rub it right on your painful back, and instantly the soreness, stiffness and lameness disappears. Don't stay crippled! Get a small trial bottle of "St. Jacob's Oil" from your druggist and limber up. A moment after it is applied you'll wonder what became of the backache or lumbago pain.

Rub old, honest "St. Jacob's Oil" whenever you have sciatica, neuralgia, rheumatism or sprains as it is absolutely harmless and doesn't burn the skin.—Adv.

GULFPORT, Miss.—With the arrival of half a dozen veterans, training for the Tigers became a strenuous proposition today. Vitt, Covaleski and Veach are the latest arrivals. Two hot sessions will be held daily from now on. Cobb will not come for another week.

TAMPA, Fla.—Half of the Chicago Cub squad went to St. Petersburg today to play with the Phillies.

FINE FOR RHEUMATISM!

Musterole Loosens up Those Stiff Joints—Drives Out Pain

You'll know why thousands use MUSTEROLE once you experience the glad relief it gives. Get a jar at once from the nearest drug store. It is a clean, white ointment made with the oil of mustard. Better than a mustard plaster and does not blister. Brings ease and comfort while it is being rubbed on!

MUSTEROLE is recommended by doctors and nurses. Millions of jars are used annually for Bronchitis, Croup, Stiff Neck, Asthma, Neuralgia, Congestion, Pleurisy, Rheumatism, Lumbago, Pains and Aches of the Back or Joints, Sprains, Sore Muscles, Bruises, Chills, Frosted Feet, Colds of the Chest (it often prevents Pneumonia).

At your druggist's, in 25c and 50c jars, and a special large hospital size for \$2.50. Be sure you get the genuine MUSTEROLE. Refuse imitations—get what you ask for. The Musterole Company, Cleveland, Ohio.

Delois was sworn as interpreter to act until the jury obtains the facts in the case. This is expected to be tonight or not later than noon tomorrow. Gaetano Camarero is in jail, having been captured a few days after the killing at Cincinnati. It is said he has confessed to the police.

PASTORS START

and January to date, giving exact report for each Sunday. The total amount of receipts reported is \$111.10. To the Salvation Army was given \$9, about 8 per cent.

"Palace theatre, latest report December 21, 1914, \$9.50, given to relief work of Ladies' Auxiliary of Sons of Veterans. This is a little less than the average of the preceding four months, all of which went to the same object. Amount of receipts not reported.

Gives Arcade Report.
"Arcade, latest report December 27, shows detailed reports for all November and December, giving total amount of Sunday business as \$225.30, stating that on December 12, \$27.95 was paid to the Penny Club, about 12 1/2 per cent of the business. A peculiar feature of this report is that the payment to charity for the last three Sundays of the year was made before the Sunday exhibitions took place. A survival of the doctrine of indulgences, perhaps.

"Lyric, latest report February 28, 1915. Amount received for admissions is not given, but \$2.50 is paid weekly to Home of Friendless.

"These reports show that, though a charity sop is thrown to the law by the Sunday shows, yet the spirit and letter of the law are violated in that they are not run in the interests of charity but in the interests of business.

"Respectfully submitted on behalf of the committee,
"W. O. STOWALL, Chairman."

The weather vane in the yard of C. A. Haskell, of Newburyport, has been in use for nearly forty years. It is about 1 1/2 feet long and is the replica of an arrow. It was made by Mr. Leigh, of Newbury, who is now repairing it.

OUTLOOK FOR GRAIN SATISFIES EXPERT

Henry Clews in his weekly reviews has the following to say on the agricultural outlook:

Throughout our agricultural regions, there is little cause for complaint; the situation in the grain districts being generally satisfactory owing to the large foreign demand and good prices for all food products. The cotton belt is an exception, inasmuch as it feels the reduction of foreign demand as well as the lower prices which growers are forced to accept. What the next season will bring to the South is an interesting problem, since it is certain that less cotton will be grown and more grain. Canada, too, is making strenuous efforts to increase her wheat crop; so that the next harvest will plainly reflect war influences. Europe will be obliged to grow less on her farms during the coming season, and it will remain for other portions of the world, especial North America, to make good the deficiencies.

The output of musical instruments in this country is constantly increasing, but the number of factories is on the decrease.

DON'T BE DECEIVED

If you feel exhausted and weak or tire easily, don't try to brace up on liquor or some patent medicine that will produce the same effect.

It is only temporary, and the reaction leaves you in worse shape than before. What you want is more strength. Father John's Medicine is a pure food medicine; its ingredients are nourishing and strengthening. Nothing equals it as a tonic and body builder for all throat and lung troubles.

Contains no alcohol or injurious drugs. Get a bottle today; it will make you strong. Remember, it has been in use fifty years.

FATHER JOHN'S MEDICINE

Contains no weakening stimulants—not a temporary tonic. It makes new tissue, and because it is a food medicine it **BUILDS YOU UP**
