Leased Wire Report. Edited by A. D. Cobb, Agricultural Expert.

WHEAT CLOSES \$1.22 ON RAGGED MARKET

[BY LEASED WIRE.] CHICAGO, March 13.—May wheat was up 1/4c, and while the September was that much lower today, the July was unchanged. This ragged closing shows the unsettled condition of the market. There were no sales of cash wheat reported at Chicago today, and the bids were somewhat lower than yesterday. Premiums for spot wheat were unchanged, while the deferred months were 3 to 4c below May for thirty day shipment. The latter would carry the wheat too far into April and leaving a possibility of it not being put into elevators in time for delivery on May contracts.

Corn closed 3/4c to 1c higher, and oats were up 1 to 1 1/2c. Hog products were higher and firm. May wheat closed at \$1.55 1/2, July \$1.21, September \$1.08 1/2.

Dr. Wagoner Receives Latest Report Showing Progress of Eradication.

Dr. C. O. Wagoner, Federal veterinary inspector, located at Richmond, has received the latest full report from the Bureau of Animal Industry at Washington, D. C., showing the progress against the foot and mouth disease.

That part of the report which pertains to Indiana shows that altogether nineteen counties have been infected. One hundred and five herds in these counties contracted the disease, including 2,358 cattle, 615 sheep, 3,870 swine, or a total of 6,843 animals.

The report shows that at the present time there are no infected herds in the state awaiting slaughter, and no premises to be disinfected, and that the clean up work has been entirely completed.

In Illinois there were 56,019 animals infected with the disease, and there are still 10 herds awaiting slaughter, and 55 premises to be cleaned up. CLUB HEARS LECTURE ON BOOK OF BEN HUR

Milton Boosters Engage Harry Michael, Former Resident, for Address.

MILTON, Ind., March 13.—The Boosters' club was attended by a very large crowd at the hall Thursday evening. The evening's entertainment was opened with a band concert. This was followed by a few introductory remarks, by R. F. Callaway, vice president, who presided in the absence of Dr. Squier, and the calling of Harry D. Michael forward for the evening's entertainment.

Mr. Michael very pleasingly opened his lecture on the book of Ben Hur by a brief talk on his pleasure of being in his home town and the pleasant reminiscences that it brought back. Then followed the lecture illustrated by the stereopticon slides. Other numbers that were to have been given were omitted from the program that all might have the pleasure of hearing Mr. Michael. The next meeting of the club will be at the hall, Thursday evening and a very interesting number will be announced later.

ORDER ESTIMATES ON BRIDGE FLOOR

Little business occupied the county commissioners today and after a short discussion of the Milton bridge difficulty, they adjourned to view the Coggeshal road in Greene township for the purpose of accepting it later. An estimate of the cost of re-flooring the bridge between Milton and Cambridge City was ordered.

NEW ARMOR PLATE

The New Process, It is Claimed, Will Make Large Guns Useless.

Another of the series of experiments to determine the resisting power of a certain class of armor was recently conducted with extremely satisfactory results. Fortifications built of this metal might be made indestructible and it would be useless to bombard them.

It is also useless to try to make a success in life if handicapped by poor health. You lack the strength and stamina necessary to win.

In the majority of cases of poor health, stomach trouble is the real cause; but this can be corrected by careful diet and the assistance of Hostetter's Stomach Bitters. It tones up the stomach and helps the digestive functions and when the food is properly digested, strength and renewed vigor is sent coursing through the entire system.

The proper time for action is when you notice the first symptoms of weakness, such as loss of appetite, headache, bloating, heartburn, sour stomach, indigestion or constipation, and by restoring to Hostetter's Stomach Bitters you can help Nature conquer them. Delay only aggravates matters and prolongs your suffering. Take a bottle home with you today, but see that the stamp over the neck is unbroken.—Adv.

ADVERTISING FAKER GETS PRISON TERM

Samuel P. Keel, formerly of Chattanooga, Tenn., was sentenced to Jeffersonville reformatory for a term of one to seven years today by Judge Fox. He pleaded guilty to false pretense in representing himself as an agent of the Live Stock Men's Association of America and using a fraudulent contract as a means of securing money from Oliver H. Scantland.

Keel operated among farmers in northern Wayne county the first week in February and was captured after some detective work on the part of Scantland and other farmers. He gave Scantland a life membership in the association for \$7.20, reduced from \$36.

IN REMEMBRANCE.

Our mother our own beloved mother Death called from us away And left us here to mourn her loss One year ago today.

Sadly missed by loving husband and children.

60% of the Human Family Affected Thru Heredity or Contagion, With Blood Trouble—Dr. Simpson's Vegetable Compound The Remedy

This is a broad statement, but made advisedly. If you do not believe it, ask the leading hospitals of the country, or any experienced physician.

Prominent symptoms of this, (aside from well developed 'contagious blood poison') are scrofula, systemic catarrh, ulcers, sores, rheumatism, (so-called) 'tubercular joints and muscles,' sore and inflamed eyes; a generally 'run down condition,' and many others. Dr. Simpson's Vegetable Compound contains the only harmless 'specific' known for blood disease in its worst form, with a fine tonic and body builder. One trial will easily convince you of its vastly superior merit. Sold by druggists everywhere. Dr. A. B. Simpson Co., Richmond, Ind.—Adv.
