GENNETT THEATRE. In "Martha By-the-Day," the new comedy by Julie M. Lippmann, announced as the attraction at the Gennett theatre, Saturday matinee and night, May Robson will be seen in a role that fits her every bit as nicely as did that of "Aunt Mary," the dear old funmaker of "The Rejuvenation of Aunt Mary," in which she made her last appearance in this city. The part of "Martha Slawson" gives Miss Robson abundant opportunity to demonstrate her skill in the portrayal of eccentric comedy roles. The Academic Producing Co., under whose direction Miss Robson is playing has gathered an entirely new company for her and has secured names that mean much in the presentation of comedy.

Roses at \$1.00 per doz. for Easter. Lemon's Flower Shop.

It is washable with soap and water or can be readily cleaned with wall paper cleaner.

Being perfectly sanitary Orient Flat Finish is preferable to wall paper and has marked advantages over Kalsonine and water colors.

It is made in 21 beautiful shades and selected by large and small consumers alike for its superior covering and easy working qualities.

We would like to show you the Orient Chart displaying color schemes that will undoubtedly interest and please you.

What, if anything has happened to the crown prince of Germany? All sorts of rumors are in circulation concerning him, many even coming from Germany. Some say he has been relieved of his command and sent to retirement by the kaiser, because he presumed to comment adversely on his father's strategy. Others insist he has been dead several months, or that he is seriously wounded. The last official mention of his name was from Berlin, when he was mentioned as being present in a conference of the upper war lords.
