## I USE "TIZ" FOR SORE, TIRED FEET

"TIZ" for puffed-up, aching sweaty, calloused feet and corns.

Good-bye sore feet, burning feet, swollen feet, sweaty feet, smelling feet, tired feet.  
Good-bye corns, callouses, bunions and raw spots. No more shoe tightness, no more limping with pain or drawing up your face in agony. "TIZ" is magical, acts right off. "TIZ" draws out all the poisonous exudations which puff up the feet—the only remedy that does. Use "TIZ" and wear smaller shoes. Ah! how comfortable your feet will feel. "TIZ" is a delight. "TIZ" is harmless.

Get a 25 cent box of "TIZ" now at any druggist or department store. Don't suffer. Have good feet, glad feet, feet that never swell, never hurt, never get tired. A year's foot comfort guaranteed or money refunded.—Adv.

## 1255—A Pretty Frock for Mother's Girl.

Girls Dress, with Sleeve in either of two lengths and with or without tucker.

Poplin in a pretty shade of rose was used for this design, with embroidery and piping in white. The model would be nice for albatross or cashmere, for linen, batiste or lawn. It would make a nice school dress in serge, galates or gingham, and is fine for percale or chambray. The dress is a one piece style, with a wide panel over the front. The belt holds the fullness at low waistline, but may be omitted. For warm days the low neck and short sleeve are ideal, while if high neck is preferred, the sleeve in wrist lengths, and the adjustable tucker, make the dress comfortable. The pattern is cut in 4 Sizes: 4, 6, 8 and 10 years. It requires 3 yards of 36 inch material for a 4 year size, for the dress, with 1/2 yard for the tucker, of 30 inch material. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

Address your letter to Richmond Palladium Pattern Department, Richmond, Indiana.

## Science Triumphs Over Curling Iron

No longer does the luckless woman whose hair was "born straight" have to worry. With one sweeping triumph science has banished the curling iron and by the use of Kurlo any woman can have curly hair that stays curly.

Simply get a four ounce package of Kurlo and dissolve it in a pint of warm water and you will have enough curling liquid to last for a year. Dip in your comb and run it through the hair around your finger or around the kids and in five minutes it will be dry—and curly.

Then you can comb it out into beautiful, fluffy curls, or neat, graceful waves just as you desire. Most astonishing of all the advantages of this new compound which makes the work of curling the hair so simple, quick and easy, is the fact that curls made by its use stay firmly in position much longer and always look natural. No woman who has ever used Kurlo, could be persuaded to go back to the curling iron, for Kurlo does the work so much easier and better.
