

**CARD FROM PRISON  
IN INDIA REACHES  
REV. A. J. FEEGER**

German Relative Interned by  
British Sends First Deten-  
tion Camp Post Card to Lo-  
cal Pastor.

The first post card from a British detention camp of German prisoners reached Richmond today when the Rev. A. J. Feeger, pastor of St. John's Lutheran church, received a card from a relative interned at Ahmednagar, India. The card was mailed February 2, 1915, and was passed by the censor at Bomba.

The following instructions in red ink guide the prisoner in writing the card: "Nothing to be written on this except date and signature of sender. Sentences not required may be erased. If anything is added this card will be destroyed. To avoid delay in delivery all correspondence addressed to prisoners should be written in English and on post cards."

Worked in Africa.

The Rev. Mr. Feeger's relative, Geo. Welchbrot, an electrical engineer, working for a London firm in South Africa at the outbreak of the war, was sent from there to India.

The sentences which are printed on the card and which convey all the messages a prisoner may write, follow: "I am quite well. I have been admitted to the hospital (and am going on well); and hope to be discharged soon. I have received your card, letter, parcel. Letter follows at first opportunity. I have had no letter from you for a long time."

Prisoners strike out the sentences which do not pertain to them. The card which the Rev. Mr. Feeger received said: "I am quite well. Letter follows at first opportunity." The other sentences were deleted by Mr. Welchbrot.

Prices egg frappes are wholesome and nutritious.

Tests by Irish scientists have shown that the wind will carry disease bacteria 200 feet and as high as sixty feet into the air.

**M. E. APPOINTMENT  
REMAINS UNCERTAIN**

Conference May Assign New  
Pastor to Third Church  
Pulpit.

AUBURN, Ind., April 9.—Reports given here at the seventy-second North Indiana Methodist conference show that the Richmond district made a gain of 1,400 in membership during the last year, contrasted with gains of 3,500 and 2,500 respectively in the Fort Wayne and Wabash districts.

Pastors of Richmond churches did not enter the contest for the 1916 session of the conference when Huntington, Fort Wayne, Logansport and Muncie extended invitations to the ministerial body.

Three hundred and sixty pastors have registered. What appointment will be made to fill the vacancy at the Richmond Third Methodist church, whose pulpit will be unoccupied because of the resignation of the Rev. Sylvester Billehimer, can not be learned. As the Rev. Mr. Billehimer has been in failing health for some time, it is probable that he will be allowed to retire, at least, temporarily. There is little doubt that Rev. U. S. A. Bridge and Rev. Harry C. Harman will be returned to their charges in Richmond.

Siberia offers a new field for the development of electricity and the sale of electrical devices.

The New Home Treatment  
For Ugly, Hairy Growths

(Boudoir Secrets)

Here is a simple, yet very effective method for removing hair and fuzz from the face, neck and arms: Cover the objectionable hairs with a paste made by mixing some water with a little powdered delatone. Leave this on for 2 or 3 minutes, then rub off, wash the skin and the hairs have vanished. No pain or inconvenience attends this treatment, but results will be certain if you are sure to get real delatone.—Adv.

**YOUNG PERSONS  
PREPARE PROGRAM**

Wallace Woolfolk of Indianapolis, will be the headliner at an entertainment to be given at the South Ninth street Baptist church at 8 o'clock tonight. Mr. Woolfolk will be assisted by some of the most capable colored persons in the city. The program will be under the auspices of the King's Messengers. A nominal admission fee will be charged.

**VIGRAN'S RESERVES  
GET FIRST WORK**

Vigran's Reserves will hold their first workout at the Ratliff Park Sun afternoon. All members of the team will take note and report. The

**TO HOLD TOURNEY**

Immediately after the league bowling season has ended at the Y. M. C. A. a two-man tournament will start. Quite a little discussion has arisen as to who are the two best bowlers on the "alleyes" and to settle the dispute Tim Sprouse, keeper of the alleys, has decided on this course. If possible he will also begin a single tournament.

Vigran's S. A. L. team will stage a practice Sunday morning. Manager Vigran is anxious that all men report as a matter of much importance is to come up. This team is another that is laying in a claim for the championship of the city.

**John Tillman Patents Self-  
Adjusting Blade.**

John D. Tillman, an employee of the Dille & McGuire company, has been granted the patent right on a new lawn mower device which adjusts the tension of the blade according to the pressure on the machine. With this attachment on a lawn mower work close together when cutting short grass and spread when working in tough grass.
