WHEAT TAKES RISE CORN FOLLOWS SUIT

CHICAGO, April 8.—The strength in May wheat overbalanced all else in the market today as the offerings were light during the latter part of the season and shorts were anxious buyers. Prices closed 2 cents higher for the day, with the full range for the season being from \$1.51 1/2 to \$1.55 1/2, and the close was \$1.55. Other months helped the advance. July gained 1/4 and September 2/4. The sales of cash wheat here amounted to only a few cars and at the seaboard the transactions were around 200,000 bushels. Corn closed at advances at 1 1/4 to 1 1/2 cents and oats were up 1/4 to 3/4 cent. Cash sales of corn were 140,000 and oats 255,000 bushels. There were advances in hog products, with pork showing the most gain.

Testimony easily investigated.
The strongest endorsement of merit.
The best proof. Read it:
John Goins, blacksmith, 1326 North street, Richmond, says: "The action of my kidneys was irregular. When I stooped I had sharp twinges in the small of my back. Reading about Doan's Kidney Pills, I began using them and the trouble soon disappeared. Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mr. Goins had been remedied by home testimony. 50c all stores. How To Correct Faulty Digestion

Faulty digestion, flatulence, indigestion, dyspepsia and most forms of stomach trouble are almost invariably due to acidity and food fermentation. Drugs and medicines which stimulate the digestive organs are practically useless in these cases because they act only on the stomach and do not affect the cause of the trouble—the acidity and fermenting food. To instantly neutralize the acid and stop fermentation, take a teaspoonful of Bisurated Magnesia, obtainable of all druggists, in a little water immediately after meals or whenever pain is felt. Dyspepsia should always keep Bisurated Magnesia handy as its use invariably insures, painless, normal digestion. Bisurated Magnesia, No. 25 E. 26th St., N. Y. C.—Adv.
