Aiding the Health Movement.

The arrival here yesterday of Dr. Leslie E. Cofer, assistant surgeon general of the United States, accompanied by Dr. J. N. Hurty, efficient secretary of the state board of health, for the purpose of advising Richmond citizens regarding a purposeful fight on tuberculosis, marks a new era in Richmond in conserving the health and happiness of its citizens.

Dr. Cofer is an authority on the subject of the treatment and prevention of tuberculosis. His reputation is established and is international in scope. Hence, the suggestions he will make, the advice he will offer, the plans he will propose are to be weighed heavily by the citizens and should be followed out to the letter, for they will mean a crusade against the great white plague that will materially cut down the death rate from this source, thereby adding happiness in many homes and hundreds of dollars to the commonwealth.

Dr. Hurty is so well and favorably known in Indiana that little need be said of his accomplishments and of the soundness of his advice. He has been a foe of tuberculosis and all diseases that undermine the community. His advice merits acceptance.

One of the most interesting phases connected with the coming of these two great health authorities is the fact that the women of the city

are responsible for their advent. The Federation of Women's clubs, an organization that has shown its worth in a number of notable instances, took the initiative in obtaining the services of Dr. Cofer. The city owes this organization and the women who constitute its personnel a debt of gratitude. With the women's clubs backing the suggestions of these experts, it is safe to assert that a solution of the tuberculosis problem in Richmond and Wayne county is near at hand.

Ten Lessons From the War.

Ex-President Eliot of Harvard, in a long letter to the New York Times, summarized the lessons of the war as follows: Ten things have stood out as undeniably proved after eight months of struggle (1) that the destruction caused by modern warfare is without a parallel, (2) that its effects have been felt by the most remote countries, (3) that the cost has been without precedent, (4) that the previous period of peace seems not to have led to any deterioration in manhood, (5) that defensive warfare seems the only kind that is at all profitable, (6) that huge standing armies have not been necessary but that troops can be easily and quickly put into the field, (7) that no one nation alone can dominate Europe, (8) that racial units have proved stronger than national, (9) that colonies controlled exclusively have not been a source of strength, and (10) that free commercial routes are of immense importance.

Dr. Eliot overlooks that the preparation of Germany for war permitted her to gain a tremendous advantage over the Allies. So far she has kept the fighting in the enemies' country, excepting in small portions of East Prussia and Alsace Lorraine. The war has showed that the United States is unprepared even to defend her own territory, much less to engage in an offensive warfare should national honor demand such a step.

Don't stow this away
under your hat. Use it!

Here's the dandy-handy package that's full of the tobacco that lets men know what a good time they can get out of a pipe or making cigarette.

PRINCE ALBERT

the national joy smoke

is genuine pipe-joy plumb full of smoke happiness and that means flavor and fragrance and dream stuff. But the one thing that puts P. A. in solid is the famous patented process that has sent the tongue-torture kinds back to the hills. The patented process

that makes P. A. so friendly is controlled exclusively by us. That's why we say there never can be another tobacco as biteless as P. A.

Prince Albert is sold at all smoke stations. The tidy red tin, 10c; the toppy red bag, 5c; also, pound and half-pound tin humidors.

Here's a hunch: We sure do recommend to our friends the 16-oz. crystal-glass humidor with the sponge in the top that keeps P. A. in fine condition. One home, one at the office, always assures some smoke!

YE SEEKERS AFTER FRANCHISE BEWARE;
FUNNY ELKS' MEN MIMIC YOUR FOLLIES

Advance sale of seats for the Elks' minstrels, to be given at the Gennett theatre Thursday and Friday nights, broke all records for amateur productions in this city. The house for both nights has been practically sold out.

Under the clever coaching of Jack Keefe, the big cast selected for the show has already "rounded into form" and it promises to be the most successful Elks' minstrel production ever put on by the local lodge.

The best male voices in the city have been selected for the solo parts and to strengthen the chorus. Howard Kamp, Walter and Elmer Eggermeyer and other local "favorites" are numbered among the end men, and the

first part is a "scream" from start to finish. It can also be truthfully said

that no amateur or professional production ever put on in this city will have been more beautifully staged or costumed.

The olio, or second part, includes a number of clever acts and sketches. Roy Parks in a piano "act" is sure to be a big feature, also an exhibition of modern ball room dances by Miss Gladys Bailey and Mr. Neal Bly. H. L. Monarch, Fred Kennedy, W. R. Poundstone and Joe Pele appear in a suffragette political act in this part and there is also a big dancing and singing act.

MISS MARY FUDGE
MARRIES F. S. FEW

The music was given by the members of the choirs of the several churches in town. At the close of the sermon the Daughters of Rebekah of Milton Lodge gave their beautiful ritualistic work for the dead.

The interment was at the Westside cemetery. The pall bearers were Albert Kellam, Lafe Rayle, T. M. Jones, Will Higham, Henry Hess and W. L. Parkins. The songs used at the church by the choir were, "Rock of Ages," "God Will Take Care of You," and "Face to Face." The relatives from away were Mrs. Minnie Eby and son, Marlon, Mr. and Mrs. Will Eby, Henry Fouch, Sweeney Nicodemus, Mr. and Mrs. Mead Bookwater of Dayton, Ohio, and Mrs. Charles Eby of German town, Ohio. An elaborate breakfast will be served. The couple will leave shortly after the ceremony and go to Painesville to reside. MILTON, IND.

Mrs. Alice Jones of Richmond, was the guest of relatives here and attended the funeral of the late Mrs. Sweeney.

A very fine entertainment in music was given at the M. E. church, Sunday evening. The boys and girls chorus of the M. E. church at Cambridge City, was present and under the leadership of Mr. Gear, gave a very fine song service. The selections were all excellent and the young people did credit to their excellent training. The people of Milton greatly appreciate the service. The music was also added to by the M. E. orchestra which gave several numbers.

George Border was home from Hartford City to spend over Sunday with his parents, Mr. and Mrs. G. A. Borders, who also entertained at dinner Sunday. Profound Mrs. L. E. Thompson.

Word was received that Mrs. R. W. Warren's father, Mr. Chapman of Dallas, Texas, deceased died the funeral was on Sunday. Mrs. Warren reached his bedside while he was yet conscious and able to recognize her.

Mr. and Mrs. George Laurinburg of Straughn, spent Sunday with their daughters, Misses Anna and Etta Gingrich, and attended the funeral of Mrs. Sweeney.

IF BACK HURTS USE:
SALTS FOR KIDNEYS

Eat Less Meat If Kidneys Feel Like
Lead or Bladder Bothers You—
Meat forms Uric Acid.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally, else we have backache and dull misery in the kidney region, severe headaches, rheumatic twinges, torpid liver; acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well-known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
