SOME INDIANA PEOPLE GET QUICK RELIEF

Hundreds of Indiana people have found relief from stomach and digestive troubles by the use of Mayr's Wonderful Remedy.

This remedy is safe and efficient. The first dose gives results. And the treatment is not long. It has a wonderful record.

Here are the statements of two who have used and proven the merits of the remedy:

CHARLES INMAN, 424 East Chestnut St., Hartford City, Ind.—"Four doctors said they could not cure me unless I went to Fort Wayne to be operated on. I took your treatment in three weeks I went to work and haven't missed but a half day since."

WALTER SPRAY, 1011 South Second St., Frankfort, Ind.—"Before I took your medicine I suffered a great deal, but since I took the first dose I have not had a bad spell. I feel it is even more than you claim."

Mayr's Wonderful Remedy gives permanent results for stomach, liver and intestinal ailments. Eat as much and whatever you like. No more distress after eating, pressure of gas in the stomach and around the heart. Members of all religious beliefs co-operating, every home in Richmond will be visited in two hours, Thursday, April 22, under the direction of J. Shreve Durham, international superintendent of home visitation, it was announced today.

Assisting Mr. Durham in his work will be Rev. C. Huber, president of the Ministerial association; Rev. Father Roell, representing the Catholic clergy; and Samuel Fred, representing Jewish laymen of the city, and volunteers representing every religious sect and creed.

Business men, presidents of educational, commercial, social and civic organizations will be added to the membership of the general committee.

Mr. Durham made arrangements today to open visitation headquarters in a room on the second floor of the Masonic temple, where telephone 1526 will be installed.

"Volunteer visitors will be asked for in all services Sunday, and leaders expect the best and busiest women and young people of the entire city to volunteer to give just two hours for so great a work, as has been the case in other cities," Mr. Durham said. "The busiest men have left their business in other cities to take part in this movement. All visitors are sent two and two, and find the work most pleasant, as the sincere, unselfish spirit of this plan appeals to
