Dublin Young Woman Married to Earl F. Snyder at Home.

DUBLIN, Ind., May 11.—One of the prettiest weddings of the season took place Thursday evening at 7:30 o'clock at the home of Mr. and Mrs. W. E. Floyd, of Dublin, when their daughter, Leonora, was united in marriage to Earl F. Snyder, son of the Rev. Mr. Snyder of Huntington. Bishop Halleck Floyd, grandfather of the bride, performed the ceremony. Lilacs, lilies-of-the-valley and carnations combined with ferns were artistically arranged in the rooms. Pink shaded candles and white wedding bells also adorned the rooms.

Preceding the ceremony, Miss Mary Gilbert, accompanied by Mrs. J. Floyd, sang "At the Dawning" and "O Promise Me."

The bride and bridegroom were attended by Miss Veva Snyder and Mr. Everett Floyd, and entered to the strains of the bridal chorus from Lohengrin and "I Love You Truly," was sung very softly by Miss Gilbert during the ceremony. The bride wore a gown of white messaline and carried a bouquet of bride roses.

After congratulations the guests were invited to the dining room where refreshments were served. The out-of-town guests were Mr. and Mrs. Harry Bartholomew of Glen Karn, O., Miss Effie Wolford and Paul Beckett of Richmond, Miss Elizabeth Morris of Indianapolis, Mrs. George Floyd of Dugger, Mr. and Mrs. William Swearingen of Mooreland, Mrs. Flora Ferguson and Mr. and Mrs. Henry Hess of Milton, and Misses Ruth and Veva Snyder of Huntington.

## Speed Face Caught By Camera for First Time

The picture to the left is the first of its kind ever taken. It shows the speed face of Eddie Rickenbacker, star Maxwell driver, negotiating the Indianapolis motor speedway at ninety miles an hour. Note the distortion of the cheeks and lips, the most sardonic malformation of countenance, due to wind pressure. Even Rickenbacker's mother would not know him as the smiling boy on the right.

How was the picture made? That is another story, with C. Latta, Rickenbacker's mechanic, as the hero. Latta permitted himself to be strapped on the front of Rickenbacker's car, so that he would ride backwards, standing up, and then, camera in hand, was whirled over the speedway at the rate of ninety miles an hour, with results as shown. It is not likely that another picture will ever be made the same way.

## It's a mighty short way to pipe-joy

if you go via Prince Albert—tobacco that answers every question any man can hand out! You can jam it in your old jimmy pipe or roll it into a makin's cigarette and it will produce more real and true happiness than any brand at any price you ever bucked up against. Now, let's all get together, and repeat slowly and distinctly:

## PRINCE ALBERT

the national joy smoke

can't bite your tongue, and can't parch your throat, because it is made by a patented process that removes the bite and the parch. No other tobacco ever was or can be made like P. A. And P. A. tastes as good as that sounds!

So the warm tip is: Get the jimmy pipes out of dark corners, out of the rafters, where you've hidden them for fear of more tongue bites. Get 'em out and fire up with P. A., for you can go to it fancy-free from sun-up right down the line to the pillow-period!

And the sooner you know this little thing personally, the more joy'us you'll be.

Prince Albert is sold everywhere in topky red bags, 5c; tidy red tins, 10c; pound and half-pound tin humidors—and that classy pound crystal-glass humidor with sponge-moistener top that just beats the band for keeping P. A. fine like silk. You buy one quick.
