

GRAFF SPURNS MONEY OFFERED FOR FOUND LOOT

Asserting that false information had been given out regarding his connection with the goods taken from Garland Willett, Matt Graff today explained that the thief who took the loot posed as a man in destitute circumstances. When he appealed to him for aid, the thief said he had trouble with his wife and when Graff gave him \$2, left the goods as security with him. As soon as Graff heard of the Willett robbery he informed the police and Willett promptly turned the goods over to the rightful owner, disdaining to take money offered by Willett. Graff denied that he took \$5 from Willett or demanded payment for the goods. He explained the situation to Chief of Police Goodwin today.

CONSTIPATED? Well, don't be

Sentanel Laxatives conquer Constipation, stir up the Liver, purify the Blood, make you feel great! Wonderful little performers—10c

Sentanel Laxatives make you feel great, because they are blood tonic, as well as a laxative; they clean out and clear up the system just a bit better than any other laxative. Sentanels don't stop when they have rid the bowels and intestines of their trouble. They go on. They cleanse and purify the blood, and in that way add vigor and strength to every organ and muscle of the body. That's the reason for our statement that Sentanels are more than just a physic. Sentanels work painlessly. They are an all-vegetable compound, put

up in tablet form and sugar-coated. Not a bit of calomel in them, so you need fear no nasty after-effects that so often follow the taking of that drug. Have your druggist send you a box of Sentanels tonight. 10 doses for a dime. Try them. If they don't come up to your expectations we will give you your money. Insist on getting Sentanels. If your druggist, for some reason, should not handle them and will not get them for you, we will be glad to fill your order by mail. Sample free for the asking. The Sentanel Remedies Co.
