HELPFUL WORDS
From a Richmond Citizen.
Is your back lame and painful?
Does it ache especially after exertion?
Is there a soreness in the kidney region?
These symptoms suggest weak kidneys.

If so, there is danger in delay. Weak kidneys get fast weaker. Give your trouble prompt attention. Doan's Kidney Pills are for weak kidneys.

Your neighbors use and recommend them. Read this Richmond testimony.

Edgar S. Mote, 24 South Twentieth street, Richmond, says: "I suffered terribly from backache and kidney weakness. The least cold I caught settled on my kidneys and I could hardly straighten. Soon after I began using Doan's Kidney Pills I was rid of the trouble. I publicly endorsed Doan's Kidney Pills some years ago."

CHIROPRACTIC

The first aid to nature. Chiropractic is a method which removes the cause of disease.

Your nerves must be in perfect condition, free from pressure, or you can not remain well.

If the spine is right the man is right. People with so-called incurable diseases have regained their health by Chiropractic Spinal Adjustments. Chiropractic adjustments given by a trained expert are mild and practically painless.

On the recuperative power of the patient depends the time required to regain health.

Every Chronic Disease is the result of an abnormal spine. By examining the spine the cause of any chronic disease or weakness can be located; pains about the head, face, eyes, neck, back or limbs; diseases of the brain, lungs, heart, stomach, liver, kidneys, bowels or special organs of sex; lowered vitality, irritability, insomnia and inability to think or work, are some of the conditions where Chiropractic Adjustments remove the cause.

I do not treat or cure. I remove the Cause, Nature Cures. Investigation costs nothing and may mean your health and happiness.
