

## RABID DOG CAUGHT TO CHECK DISEASE

A serious epidemic of rabies among dogs in this city was feared for some time because a mad dog, which succeeded in eluding the police several weeks ago, bit several other dogs before he disappeared. These dogs, the authorities believe, have now all been located and accounted for.

The last dog which developed the disease was owned by a family residing on North Twentieth street. He began to act strangely yesterday and a veterinarian, Dr. George Ferling, took charge of him. The animal has a well developed case of rabies and when he dies the head will be sent to the state authorities for examination. This dog was confined before he had an opportunity to attack any one.

## C. & O. WATER TANK ATTACKED BY FIRE

A large water tank at the C. & O. station on North Third street caught fire today and there was quite a lively blaze until the fire companies arrived. The fire was extinguished before much damage had been done. It is believed sparks from engines set the structure ablaze.

## SPEAKER ABSENT

With prisoners ready for a sermon and preparations made for services, no minister appeared at the county jail yesterday, the sheriff and his deputy said today, although arrangements had been made by the ministerial association to have a member at the jail each Sunday afternoon.

## GRIMES IS FINED \$10

Wyman Grimes pleaded guilty in city court this morning to assault and battery on Raymond Robbins, on Main street Saturday night. As he had been in trouble before, he was fined \$10 and costs. Grimes approached Robbins while he was walking along the street with a girl and insisted upon him shaking hands. Robbins refused and Grimes struck him. A lively fight ensued at the corner of Seventh and Main streets until a police officer arrived on the scene.

## SCOUTS ORGANIZE BRANCH WITH 13

For the purpose of organizing a branch membership of boy scouts in Richmond, Paul L. Beckett has been appointed Scout Master No. 17734. Thirteen boys have already applied for membership in the organization.

Mr. Beckett has qualified through examinations before the national organization. He expects that the movement in Richmond will soon be in full swing.

## BOARD WANTS TRUE VALUE OF PROPERTY

Members of the Boston town board were present Saturday at a meeting of the board of review, inquiring into assessments returned for this year on real estate. The Boston representatives were given the information and were asked to return to the board with information on the true cash value of the real estate in the town in order that the board can arrive at a figure of increase. The increase probably will be sweeping.

Only four complaints were heard Saturday and three of these assessments were allowed to remain, as returned by the assessor. The assessment of corporations was not taken up because of the shortness of the Saturday session.

A few complaints were heard today, all of minor importance.
