The winners scored their lone tally in the second inning. The two teams are now tied for fourth place. ### MANY AUTO OWNERS PAY STATE LICENSE

INDIANAPOLIS, July 5.—There are approximately one hundred thousand automobiles owned by citizens of Indiana, according to an estimate by the secretary of state's office where license plates are issued. Licenses for 1915 to the number of more than 82,000 already have been purchased by motor vehicle owners, and applications continue at the rate of more than one hundred a day. The receipts of the state automobile department for the first six months of 1915 exceeded \$535,000. There were 15,000 more licenses issued up to June 30 this year than in the entire year of 1914. There are 650 retail auto dealers in Indiana.

### JITNEY REPLACES ORDINARY NICKLE IN DAILY SPEECH

Richmond is under sway of the jitney. This popular little term has become a household word, and even staid grandmothers like its use when speaking of a 5 cent piece. What made the fate of the jitney secure in Richmond, exists only in the name. That is, the jitney bus. Although the word was used previous to the opening of the jitney bus lines here, the passenger automobiles were never given the name by the owners. The term as applied to these lines, was purely of outside origin, and now no one dignifies a jitney bus with the name "passenger automobile." "Mama, give me a jitney," is not an uncommon request of a child. "One jit," is often the reply given in trading places when designating the price of a 5-cent article. Trades people have taken up the term jitney. "The jitney way" is now the name of a method of payment on the installment plan. Girls spend their jittneys for ice cream where they formerly spent nickels. Gamblers look pitifully on a fellow "whose speed is one jit." Jitney dances are now the thing in terpsichorean circles. The Wild Rover is a jitney boat, carrying passengers around the lake from one end to the other for five cents. How soon slot machines will be called jitney machines, 5-cent papers, jitney sheets, street cars jitney wagons, remains a question of days.

### YOUNG MEN REFUSE TO JOIN COLORS

LONDON, July 5.—On every street corner and almost on every house, you can displayed a fac simile letter in Lord Kitchener's handwriting appealing for another 300,000 men to fight for their country, when these men who are so badly needed might be rounded up in a few hours in places of amusements in London alone. Married men with families to support up to the age of forty are enlisting, while young men in the full strength of youth and with nobody but themselves to look after, sneak away when they catch sight of a recruiting sergeant.

### DAVIS SMACKS HOME RUN HIT WINNING GAME

Williamsburg Tucks Away Game After Running Neck and Neck for Six Innings.

WILLIAMSBURG, Ind., July 5.—In an interesting and closely contested game Williamsburg added another victory to its credit column Sunday when the team whipped the fast New Palestine (O.) nine by a 5 to 2 count. Up to the last of the sixth neither team could gain any advantage, the score being tied. "Whitely" Davis pried off the lid in Williamsburg's time at bat by leaning on the horsehide for a homer. This touched off the fire works and Palestine players began ballooning. They were not brought to ground until two more runs had been chased over. Wilcoxon and Wiggs scoring. Jennings and Clements featured in the field with some clever stops and throws, while Davis' homer was the batting feature. Game was called at the end of the seventh on account of rain. Score:

### COSTLY ERRORS DEFEAT ZEYENS IN EVEN SCRAP

Lawrence and Mooreman Allow Five Hits Each—Players Drive Three Umpires to Bench's Cover.

Brennens	4	1	.800

Errors at critical times spelled defeat for the Zeyens Sunday morning at Athletic park, as they went down under a 4-to-1 score. As long as it lasted the battle was about the best the boys have put up, few bungled up plays being made. Lawrence shaded Mooreman a little in the box because of better control. "No Hit" allowed only five hits. He issued no free passes to first, whereas he gained the shade, as Mooreman issued five free trips. Red Fitzgibbons was the hitting youngster with two safe blows out of three times up. The fielding feature of the whole show was the double play pulled off by bite Zeyens. Only three umpires were used. Score:
