## Let It Stand Between Your Motor and Deterioration

Excessive carbon, scored cylinders, "knocking," power wasted in friction—all of which over-load your motor—are destructive, costly, unnecessary troubles.

Hundreds of thousands of motorists in the middle west alone—all won to POLARINE in the last seven years—know the protection, the efficiency and the pleasure resulting from the scientifically perfect lubricating oil.

Do YOU know this oil?

—an oil sufficiently fluid to lubricate and completely cover the remotest friction surface.

—an oil of maximum durability and correct lubricating body at any motor speed or temperature.

—an oil that pays back its cost, not only by saving repairs but by maintaining a high re-sale value for your car.

Why experiment?—when the greatest of all specialists in matters of lubrication have experimented for you. Use Polarine.

## For the Woman's Eye

Undoubtedly the white suit of serge or gabardine is smartest. When faultlessly tailored, as is the suit illustrated, and worn correctly it is an ideal summer outfit. The circular skirt set on a big girde, falls in graceful folds. The jacket, hip length, with a suggestion of a waistline, flares about the hips. Deep pocket tabs relieve the severeness of the coat and small pearl buttons serve as trimming.
