WHEAT PRICE LOWER ON CHICAGO MARKET

CHICAGO, July 20.—Wheat was sensationally lower today, losing 3/4c. September declining 3/4c and December off 3/4c. It was a weather market from the opening to the closing, and there seemed to be no reactionary power left in the wheat market of the world. It was said that the sales in all positions yesterday amounted to 1,000,000 bushels of wheat. The seaboard reported little doing today, and there were no sales at Chicago. Corn closed 3/4c higher to 3/4c lower, and oats were 3/4c to 1c lower. Cash sales of corn were 160,000 bushels and of oats 680,000 bushels. Hog products were off sharply in price, with July pork losing most.

FIRE CAUSES LOSS

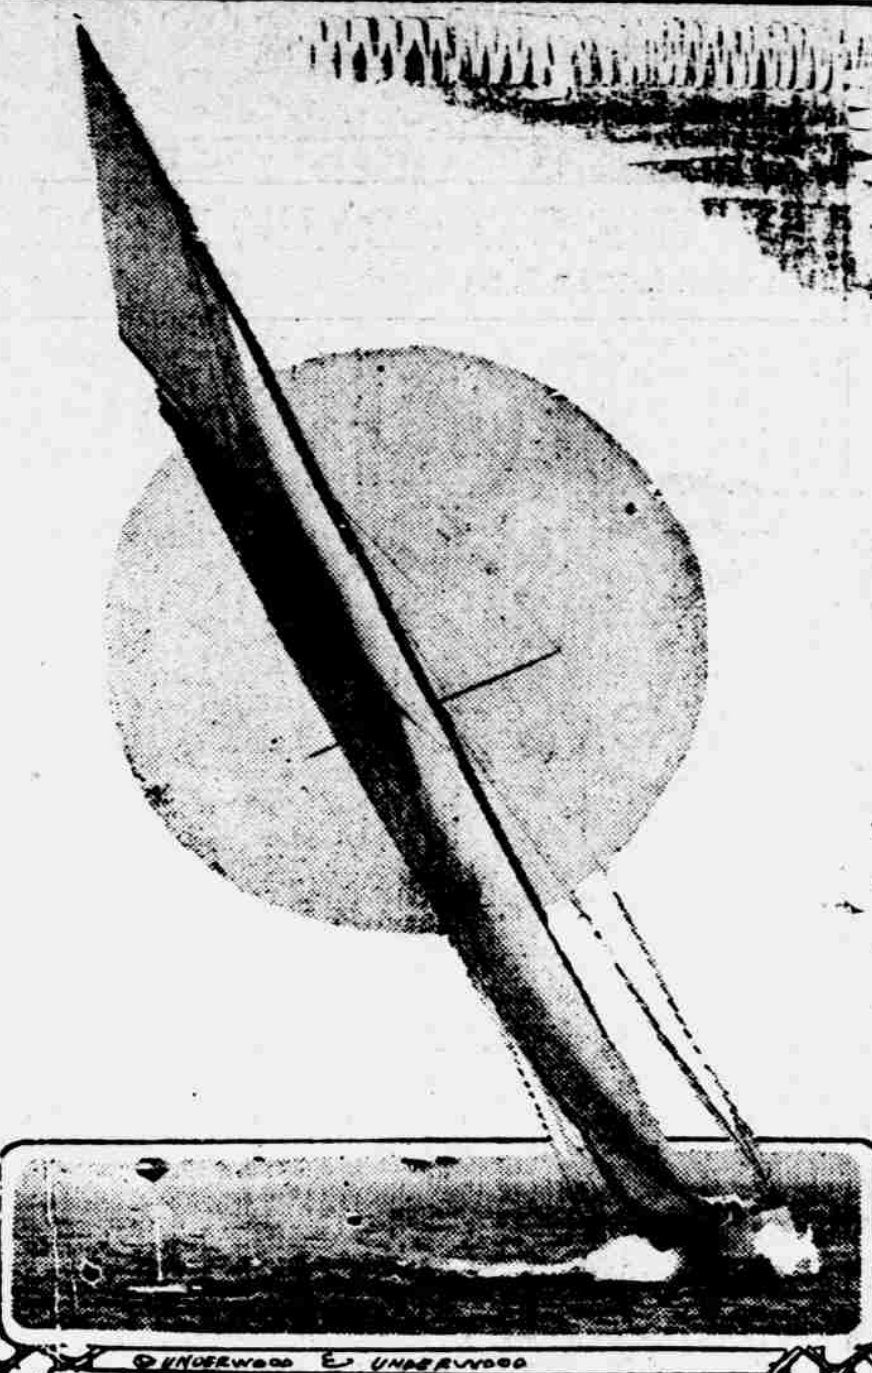

WEST LEBANON, Ind., July 20.—Fire starting from a small tire vulcanizer in Ira Crask's garage destroyed the Goodwine business block here with a loss of \$40,000 distributed among several concerns. A chemical wagon maintained by the town was impotent against the flames and fire companies summoned from Attica and Williamsport, were not able only to save neighboring buildings.

SPEEDER FINED

Too much haste to evacuate Richmond and continue on his way to New York cost William Hutchinson \$11 today. Hutchinson, who had been touring through the west, was speeding out East Main street at a rate of thirty miles an hour when overhauled by the police machine. Hutchinson pleaded guilty, paid his fine and continued on his way.

ARRANGES PROGRAM FOR MEN'S MEETING

The program for the conference of men members of the Friends church which will be held here in October is being drafted today by three members of the committee, consisting of S. E. Nicholson, Charles E. Tebbetts and Rev. A. J. Brown of Wilmington, Ohio. Other persons on the committee were unable to reach the city.

Mr. Nicholson said the committee hoped to complete the program this afternoon late and would probably announce the names of speakers and other events tomorrow.

CRASH FATAL TO 2

CHICAGO, July 20.—Two automobile accidents last night and early today killed two men and caused the serious injury of five other men and three women. Daniel Belasco, a Chicago lawyer and a near relative of David Belasco, the New York theatrical producer, was killed near Libertyville, Ill., and H. W. Anderson, an automobile tire salesman, was killed early today and others in his party were hurt in a collision between two automobiles on the South Side.

THAW KEEPS PLANS FOR FUTURE HIDDEN FROM PITTSBURGERS

PITTSBURG, July 20.—Strange as it may seem, Harry K. Thaw wants to be "let alone." Today, when pressed further for some definite statement as to his future plans, Thaw said he had nothing to say.

"Please do not mother me any more," Thaw said, "I am just a Pittsburgher now. I am going to stick to mother for a while. That is all I can tell you." He would say no more.

"Now that I've got it, what am I going to do with it?" seemed best today to express the attitude of Harry Thaw, back home again after nine long years. If the slayer of Stanford White enjoying the moment of liberty for which his faithful gray-haired mother, Mrs. Mary Copley Thaw, who has the sympathy of all Pittsburgh, had fought by his side and spent, reports say, more than a million dollars, has any definite plans for his future, he had not made them known today.

Since his arrival at 6:25 last night in East Liberty, a suburb, Thaw has said nothing more about his proposed divorce from Evelyn Nesbit Thaw and his projected automobile trip to the San Francisco exposition.

ASKS FOR RECEIVER

NASHVILLE, Tenn., July 20.—When Mayor Howse appeared today to testify in the trial of the suit to have a receiver appointed for the city of Nashville, Attorney Harry S. Stokes, appearing for the citizens of the city, objected to the executive being allowed to testify. The receivership was asked by the city on charges that municipal affairs were mismanaged and that the only way to correct its financial ills was the appointment of a receiver.
