## CHURCH ISSUES VOLUNTEER CALL

EATON, O., Sept. 10.—Next Sunday has been designated "Volunteer Sunday" by the Rev. McE. Howsare of the First Christian church, and special services have been arranged. The Rev. Mr. Howsare's subject at the morning hour for worship will be "A Call for Volunteers." Rev. Alva M. Kerr of Pleasant Hill will preach during the evening hour. "Now that the vacation season is over," the Rev. Mr. Howsare remarked, "a vigorous campaign will be launched for the upbuilding of the church and community." The evangelistic services of the church begin October 24.

There are only two cities in the United States larger than Buenos Aires—New York and Chicago.

## SALTS IF BACKACHE AND KIDNEYS HURT

Drink lots of water and stop eating meat for a while if your bladder troubles you.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid, which overworks the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog you must relieve them, like you relieve your bowels; removing all the body's urinous waste, else you have backache, sick headache, dizzy spells; your stomach sours tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy full of sediment, channels often get sore, water scalds and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inexpensive, cannot injure, and makes a delightful, effervescent lithia-water drink.

## "Gained 4 Pounds In Weight" Says Local Mechanic

Says He Had Suffered Intensely from Nervous Dyspepsia.

Tanlac, the "Master Medicine" Overcame His Trouble.

Professional men, business men, artisans and innumerable women, common, practical judgment guides them in all of their acts and conclusions, are now endorsing Tanlac, the new medicine that is accomplishing such remarkable results in Richmond and vicinity.

Mr. Rowlett Snyder, the well known woodworker, employed by the Westcott Motor Car Co., who lives at No. 312 S. 8th St., this city, in talking to the Tanlac Man, today, said:

"I have been an intense sufferer from stomach trouble. My appetite was very bad and I received no satisfaction from the food I ate. I felt, many times, as if I had swallowed a piece of lead, after eating. I got up in the mornings feeling languid and all fagged out, without an ounce of real energy or ambition."

"I began taking Tanlac and it was not long before I noticed a big improvement in my condition. I have gained four pounds in weight, feel fine, and I think this Tanlac is a great medicine. I heartily endorse and recommend it."

Such statements as the foregoing should appeal directly to the thousands of those who suffer from the same trouble, said the "Tanlac Man," in commenting upon Mr. Snyder's statement. "Most of such people," he continued, "suffer from nervousness, dizziness, headaches, kidney derangements, depression of spirits, imperfect digestion, sleeplessness, or are susceptible to coughs and colds."

"In all instances of this character Tanlac seems to go straight to the spot, toning up and invigorating every organ of the body."

Tanlac, the celebrated combatant, tonic, appetizer and invigorant, is now sold in Richmond at the four Thistlewaite drug stores, the Tanlac Man is in daily attendance at the 6th and Main Sts. store, where he is meeting the public and explaining the remedy.
