The wedding of the Rev. George Pfueger of Farmersville, Ohio, and Miss Elsie Berg, daughter of Mr. and Mrs. Joseph Berg of North G street, was solemnized last evening at 6 o'clock at the Trinity Lutheran church in the presence of a large number of guests. The church altar was decorated with palms and ferns. Miss Edna Deuker presided at the altar and played a program of bridal airs and Mrs. Charles Igleman sang "My Dear," by Ball; "I Know a Lovely Garden," by D'Hardelot, and "Still as the Night," by Bohm, as the guests were being seated by the ushers, Misses Marjorie Beck, Marguerite Deuker, Corinne Sudhof and Katherine Daub. The girls wore white frocks with pink ribbon sashes and corsage bouquets of pink rose buds.

After the guests had been seated the young girls took their places at the rear of the church and preceded the bride and bridegroom to the altar forming a semi-circle about the wedding party.

The bride wore a gown of white marquisette trimmed in lace. Her flowers were a bouquet of white roses. The ceremony was performed by the Rev. Mr. Pfueger of Farmersville, Ohio, with Rev. Joseph Beck, pastor emeritus of the church, assisting.

The double ring service was used. After the ceremony the wedding party went to the Berg home where a wedding dinner was served. The bride's table was appointed with roses and ferns. Covers were laid for Rev. and Mrs. Joseph Beck, Mr. and Mrs. Joseph Berg, Rev. and Mrs. George Pfueger of Farmersville, Ohio; Rev. Charles Pfueger, Rev. Jesse Pfueger of Westerville, Ohio; Rev. and Mrs. Pfueger of Clyde, Ohio, parents of the bride groom, and Rev. and Mrs. Spacht of the Wernle Orphans Home. The other guests were served at small tables placed about the room, and numbered sixty.

At a late hour Rev. and Mrs. Pfueger left for their new home in Farmersville. The bride's traveling suit was of blue broadcloth with hat to match. A number of wedding guests from Ohio and other points were in attendance.

Dr. and Mrs. J. M. Staughton motored here from Covington, Ken.

Recommends Chamberlain's Cough Remedy.

"Last winter I used a bottle of Chamberlain's Cough Remedy for a bad bronchial cough. I felt its beneficial effect immediately and before I had finished the bottle I was cured. I never tire of recommending this remedy to my friends," writes Mrs. William Bright, Ft. Wayne, Ind. Obtainable everywhere.—Adv.

When Baby Has the Croup.

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere.—Adv.

For Indigestion.

Never take peeps and preparations containing peeps or other digestive ferments for indigestion, as the more you take the more you will have to take. What is needed is a tonic like Chamberlain's Tablets that will enable the stomach to perform its functions naturally. Obtainable everywhere.—Adv.

Chronic Constipation.

"About two years ago when I began using Chamberlain's Tablets I had been suffering for some time with stomach trouble and chronic constipation. My condition improved rapidly through the use of these tablets. Since taking four or five bottles of them my health has been fine," writes Mrs. John Newton, Irving, N. Y. Obtainable everywhere.—Adv.

### A Wonderful Influence.

Thousands of women have unbounded confidence in Mother's Friend. They have used it and know its value to the expectant mother.

They tell of its influence to ease abdominal muscles and how they avoided these dreaded stretching pains.

The safe external application gently soothes the vast number of nerve threads just beneath the skin and relieves the undue tension of the cords and ligaments, giving great physical relief from stubborn pains. Druggists can supply Mother's Friend. There is no other treatment as dependable.

### 1458. A Neat Dress for the Growing Girl.

The style is nice for galathea, gingham, seersucker, linen, batiste, poplin, or repp, and also suitable for taffeta, velvet, velveteen, corduroy, flannel, novelty and plaid suitings. The right front of the waist is shaped at the closing. The skirt is gored and plaited. The sleeve may be finished in wrist length with a straight cuff, or in elbow length with a jaunty turnback cuff. The pattern is cut in 4 sizes: 6, 8, 10 and 12 years. It requires 3½ yards of 40-inch material for a 10-year size.

### HOW THIN PEOPLE CAN PUT ON FLESH

Thin men and women—that big, hearty, filling dinner you ate last night. What became of all the fat, producing nourishment it contained? You haven't gained in weight one ounce. That food passed from your body like unburned coal through an open grate. The material was there, but your food doesn't work and stick, and the plain truth is you hardly get enough nourishment from your meals to pay for the cost of cooking. This is true of thin folks the world over. Your nutritive organs, your functions of assimilation, are probably sadly out of gear and need reconstruction.

Cut out the foolish foods and funny sawdust diets. Cut out everything but the meals you are eating and eat with every one of those a single Sargol tablet. In two weeks note the difference. Let the scales be the judge. Five to eight good solid pounds of healthy, "stay there" fat may be the net result. Sargol aims to charge weak, stagnant blood with millions of fresh new red blood corpuscles—to give the blood the carrying power to deliver every ounce of fat-making material in your food to every part of your body. Sargol, too, mixes with your food, to prepare it for the blood in an easily assimilated form. Thin people tell how they have gained all the way from 10 to 25 pounds a month while taking Sargol and say that the new flesh stays put. Sargol tablets are a careful combination of six of the best assimilative elements known to chemistry. They come 40 tablets to a package, are pleasant, harmless and inexpensive, and Leo H. Fihe of Richmond, Ind., and all other good druggists in this vicinity sell them subject to an absolute guarantee of weight increase or money back as found in every large package.—Adv.
