Child's Tongue Becomes Coated If Constipated

When cross, feverish and sick give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child will simply not stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sours, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again.

Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Syrup Company." Refuse any other kind with contempt.—adv.

Chief Cause of Pimples, Blotches, Sallow Skin

(Messenger of Health)

Unslightly eruptions, pimples, blotsches, and on muddy skin, are due to a sluggish liver, a malnourished bowel—and a polluted blood stream as a consequence. How foolish in such cases to reason out on self-implication, which never have natural permanence results. If more people only knew it, there is a very simple remedy, to be found in any drug store, and it is an old formula, long recognized by the medical profession, which has been put in tablet form, and at such small cost no one need be deprived of its wonderful benefits.

"Sentinel tablets" that the name is not memorable, and are a habit-forming ingredient. You need only get about a dime's worth, and swallow one at bedtime to realize there's nothing else so good for the skin. The action in the morning is so easy, so sooth- ing, and instead of a weakening effect, you feel truly refreshed and invigorated. These tablets are not only the finest remedy known for constipation and torpid liver, but offer the sanest, most sensible treatment for complexion difficulties of the character mentioned.
