

## FRIENDS HEAR COFFIN SPEAK ON SOCIAL UNION

Seventy-five men attended a joint meeting of the men's social unions of the South Eighth Street Friends' church, Whitewater church and the West Richmond Friends' church held at the last named church Wednesday night to hear Dr. Coffin of Whittier College, son-in-law of Timothy Nicholson, discuss the growth and scope of the men's social union in Whittier.

Other speakers were Levi P. Pennington, president of Pacific college at Newburg, Oregon, and E. G. Hill, who told of his trip to San Diego and San Francisco during the Panama-Pacific Exposition.

Harrison Scott, president of the West Richmond Friends Social Union presided at the meeting. Dr. Coffin said the organization in Whittier had practically taken the place of a Y. M. C. A. in holding summer camps, nature study classes and other association activities. The union in that city has increased its membership by taking in boys and youths.

## NOSS AND NUSBAUM PLAY IN ORCHESTRA

The names of Roland Nusbaum and Russell Noss were unintentionally omitted from the personnel of the Richmond Symphony orchestra which was printed recently. The former plays a clarinet and the latter a flute. Weekly rehearsals will be held by the orchestra, which has been re-organized.

## Magnesia Fine For Sour, Acid Stomach

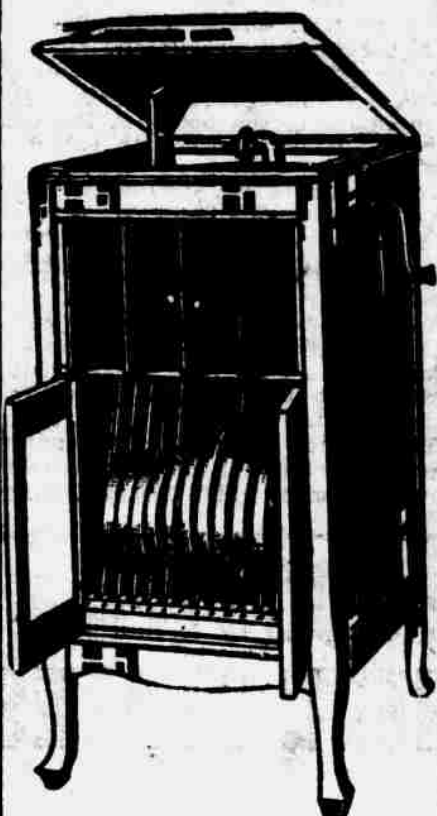

Use Bisurated Magnesia to Quickly  
Stop Indigestion Pains, Belching  
Bloating and Sour Rising.

Most folks who after eating experience a sour burning sensation in the stomach are troubled with gas, bloating or a heavy, lumpy feeling call it indigestion and take a peppin pill or something of the kind to help the stomach digest the food and push it into the intestines.

In most cases these people have what physicians call an acid stomach. Their stomachs secrete too much hydrochloric acid which mixes with their food so that it ferments and sours and makes them uncomfortable. Instead of using something to artificially push this sour mass into the intestines where it will do almost as much harm as in the stomach they need a simple, harmless antacid like bisurated magnesia that will quickly and harmlessly neutralize the acid in their stomach and make its food contents sweet. Then digestion becomes natural and painless and the disagreeable symptoms of heaviness, burning, gas, belching, bloating, etc., all vanish. As magnesia is put up in various forms and for various purposes do not allow the druggist to give you anything but the real bisurated magnesia in a plainly labeled and sealed bottle which insures the purity and full strength either in powder or tablet form. A teaspoonful of bisurated magnesia in a little water taken after meals will neutralize the excess acid in your stomach and prevent or stop stomach distress.—Adv.

## DR. LIGHT'S FAMILY ARRIVES IN CITY

Dr. Somerville Light, new superintendent of the Richmond district of the Methodist Episcopal church of the North Indiana conference, practically has completed the removal of his

household goods and family to this city from Elkhart, his former home. The family has moved into the house at 215 South Fourteenth street.

Human hair is in great demand in Europe for weaving into draperies, for which long practice at parting makes the material particularly valuable.
