

CLUB TO STUDY HEALTH REPORT MADE BY PERRY

After discussing in an informal manner the report of Dr. J. C. Perry, the government expert who made a survey of the city, the health committee of the Commercial club decided to make a complete study of the recommendations made in the report before taking definite action. William Romey, chairman, divided the report and recommendations into parts, assigning topics to members of the committee. Each member will make a study of the conditions and will make a report to the board of directors of the club.

The tuberculosis recommendations, which suggest the construction of a tuberculosis hospital, will be reported on by Dr. D. W. Dennis. He has already made a study of local conditions and was a member of the anti-tuberculosis committee which recommended the building of a hospital by the county commissioners next year. Other improvements in the sanitary conditions of the city are included in the report of the health expert which will be investigated by Dr. Dennis.

The milk situation will be investigated further by William Quigg; Dr. Charles Marvel will report on needed legislation regarding the eradication of the fly; Dr. A. L. Brankamp will report on the school situation and Al Ogborn on the garbage question.

Additional copies of the report have been ordered, and the special investigation will be started as soon as these copies arrive. Within a week after the copies are received, the committee hopes to report to the board of directors of the club regarding the recommendations.

PLEASURE OF FARM LIFE EMPHASIZED IN SCHOOL EVENT

A movement to make farming not only profitable but pleasurable is being inaugurated by Miss Grace King, county domestic science supervisor, who has arranged for meetings in Abington and Boston, January 26 and 27. Prof. Z. M. Smith, state supervisor of agricultural education, will address meetings at Abington on the afternoon of Jan. 26, at Boston in the evening and probably in the northern part of the county on Jan. 27.

"I don't know just what we will name the movement," said Miss King today, "unless it might be called a 'Home and School' movement." The girls of the domestic science department of the Abington school will have charge of serving the lunch. The patrons of the school have been invited to enjoy a basket dinner. A definite program has not been arranged although it is practically assured that Mordecai Doddridge and Joseph Helms will give short talks on farm topics. Mr. Doddridge has specialized in hog raising and Mr. Helms is known as Wayne county's corn expert.

At the Boston school in the evening, a musical program is being arranged by Miss Kate Husted. Addresses by Mr. Smith and local people will also be made here.

GYPSY CRUEL TO CHILDREN.

INDIANAPOLIS, Jan. 7.—Although John Floris, gypsy, was a wealthy man and traveled in a luxuriously furnished auto bus from town to town, officials of the juvenile court reported he allowed his children to go barefooted in December. But John, released on his own recognizance, did not show up in court when the case was resumed.

Flees From Country

This picture shows King Peter of Serbia, being assisted from his automobile to the back of his horse, during his dramatic and hasty flight across Serbia and Albania, before taking ship for Italy. In the picture the King is accompanied by his staff.

The picture was sent from Scutari to Durazzo by aeroplane by our correspondent who was a member of the King's suite and is the first picture of the last Serbian retreat to reach this country.

PATRIOTIC ORDERS INSTALL OFFICIALS AT JOINT MEETING

Officers for 1916 were installed by the local G. A. R. post and the Woman's Relief Corps last evening at the post room. The installation ceremonies were conducted by John F. Lancaster for the G. A. R. and by Mrs. Mary Christopher and Mrs. L. M. White for the Relief Corps.

The post accepted the invitation extended by Rev. John Rae, pastor of the First Presbyterian church, asking the members of the post to attend the memorial services May 28.

The following officers were installed last evening: Commander, Ralph Weljer; senior vice commander, Isaac Newby; junior vice commander, Thos. Pagan; surgeon, John Ward; officer of the day, L. M. White; officer of the guard, Julius Katter; chaplain, W. K. Young; quartermaster sergeant, W. H. Baughman; sergeant, John Deets; J. P. Lancaster, installing officer. Officers for the Woman's Relief Corps are as follows: President, Mrs. Pauline Jones; senior vice president, Mrs. Maude Vogelsson; junior vice president, Mrs. Harriet Wigmore; treasurer, Mrs. Minnie Hall; chaplain, Mrs. Mary C. Markley; conductor, Mrs. Ruby Smith; guard, Mrs. Belle Caseley; secretary, Mrs. Lizzie Arnold; patriotic instructor, Mrs. Nancy Haseleine; press correspondent, Mrs. Della Phenix; musician, Mrs. Della Polner; assistant conductor, Mrs. Austin; assistant guard, Mrs. Emma Arrowsmith; colorbearers, Mrs. Della Coggeshall, Mrs. Anna C. Personette, Mrs. Mary Thompson and Mrs. Mary Mitchell.

In appreciation of the flag presented to the pupils by the Woman's Relief Corps, the teachers and patrons of the Joseph Moore school sent a beautiful bouquet of carnations and ferns to the corps yesterday afternoon. The members voted to give the flowers to the president as a token of their appreciation of her efficient work during the past year.

An excellent culvert is now made of interlocking sections of concrete.

MASONS TO CONFER IMPORTANT DEGREE

Plans for the conferring of the Super-Excellent degree upon a class of approximately thirty candidates, an event of importance to Masons, were launched at the regular meeting of Wayne Council, No. 10, Royal and Select Masters, in the Masonic temple, last night.

The date has not been set, but will be held in the spring. A banquet will be included in the program. The meeting last night was held for the purpose of installing officers.

APPLY Q-BAN TO DARKEN GRAY HAIR

It is Harmless, No Dye, But Darkens Gray Hair So Evenly No One Can Tell—Also Stops Dandruff and Falling Hair.

Whenever your hair falls out or takes on that dull, lifeless, faded, streaked or gray appearance, simply shampoo hair and scalp a few times with Q-Ban Hair Color Restorer. All your gray hair then turns a beautiful dark shade, and entire head of hair becomes evenly dark, wavy, soft, fluffy, abundant, thick and charming—just as hair appeared when you were 16 or 18 years old. Q-Ban is a ready-to-use, delightful hair color restorer, perfectly harmless, but applied 2 or 3 times a week, besides darkening gray hair, makes scalp healthy and clean. Stops dandruff and falling hair and promotes its growth. Give it a trial. Sold on a money-back guarantee. Only 50c for a big 7-oz. bottle at Fide's drug store, Richmond, Va. Out-of-town folks supplied by mail.—Adv.

elected a month ago. Luther Bruce and Phillip Worrall were installing officers. The Royal and Select Masters' degrees were conferred on one candidate, Russell Joy. About twenty-five members were present.

M.—Meets Tuesday night at 7.30 and Sunday at 2.30 p. m. Theodore Whitney, Captain. C. Perry, Company Clerk. Daughters of America, Pride of Richmond Council, No. 15—Meets at 7.30 Wednesday evening. Jennette Vore, Councillor. Rosetta Hoosier, Rec. Secretary.

BOYS WAGE

(Continued From Page One.)

park shed. Then one ill-fated day a wide-ranging scout of the Southwest Richmond gang discovered Fanny and her family, and he reported his interesting discovery to his fellow members of the Klu Klux Klan. At once a raiding expedition was organized. Taking the West Richmond boys off their guard, the invaders entered the park shed and carried off Fanny and her puppies. Before departing with their captives the Klu Klux Klan chief posted on the door of the shed a sign, printed in red chalk, reading as follows:

"It is best to keep your door shut. 'Peach on us and we will have your hearts' blood. 'The owls be mauling in the grave. 'Sic Buck Wenger on us and you will die. KLU KLUX KLAN.' 'P. S., from Fanny and the puppies: Goodbye. We thank you for your kindness.' When this dastardly act of vandalism was discovered the indignation of the West Richmond boys ran high. It was decided to carry fire and sword into South West Richmond until the captive canines had been recovered. Then the police were appealed to, to assist the West Richmond gang. Following this action a stern ultimatum was forwarded to the Klan, and it had the desired effect. Clandestinely Fanny and her family were returned to their happy home in the park and the incident is closed, although the offended West Richmond youngsters are talking of a punitive expedition into the haunts of the Klan to retaliate for the outrage.

HARD COLDS

Cause Weak Lungs, Richmond Drug-Store Suggests a Reliable Remedy.

We have a constitutional remedy for hard colds and weak lungs which we guarantee. Such letters as this prove its efficiency. Wickatunk, N. J. "I suffered from weak lungs, pains in my chest and very short of breath. I am an agent for the C. R. R. of New Jersey. I had a very bad cough and lost fifteen pounds in weight and my trouble interfered with my occupation so that I had to stop work last July. I had doctored for sometime without benefit, but when I learned of Vinol through a friend I decided to try it, and soon commenced to improve. My cough has gone, the soreness from my chest disappeared, I am working again and have regained the fifteen pounds in flesh which I lost." Victor Walden, Wickatunk, N. J. The reason Vinol is superior to any other remedy is because it contains in deliciously palatable form the healing, body-building and strengthening elements of fresh cod livers, tonic iron and beef peptone—the oldest and most famous tonics known to medicine. Try it on our guarantee. Clem Thistlethwaite's four stores.—Adv.

Richmond People Good Dressers

Very few cities in the United States can show as many well-dressed people as Richmond, a large per cent of them having their clothes made to order. You can tell a wearer of Emmons' Tailoring—it is classy an "p-to-date. We make fine suits—\$15.00 to \$30.00. Main and Ninth Streets—Emmons—Adv.

WILL ASK COUNCIL TO PROVIDE FUND FOR MOTORIZATION

Council will be advised at its next meeting to authorize the complete motorization of the fire department in a communication to be submitted by the board of public works.

This question was considered by the board yesterday afternoon and plan approved. The four chemical wagons now drawn by horses would be motorized under the plan approved by the board and it is estimated that the cost would not exceed \$10,000. It was also decided to keep all four of these wagons in active service instead of placing one in reserve and transferring its crew to the aerial ladder motor truck.

"The reduced cost in the maintenance of the fire department, if completely motorized, would soon offset the original cost of carrying out the improvement," Board Member McMin said today. "Last month it only cost \$2.62 to maintain the two motor trucks at the city hall station. For the eight horses used by the chemical

wagons at the one, three, four and five stations the feed cost for the month was \$12 a horse."

Council will be asked to authorize

the appropriation of \$10,000, to be raised either by temporary loan or bond issue.

CHIROPRACTIC

It is being demonstrated daily by Chiropractors that the secret of health lies in the PERFECTION OF THE SPINE. Disease readily establishes itself in any part of the body when the nerves become unable to carry the normal amount of energy from the brain to the part affected.

In the large majority of cases, the physical cause of disease is a mechanical pressure on the nerve as it passes out between the bones of the spinal column. The trained and educated hand of the Chiropractor alone can find the pressure-point in the spine, and by a quick skillful movement, adjust the displaced bone, and thus re-establish the flow of nerve energy; and health. Every CHRONIC disease is the result of an abnormal spine. By examining the spine the cause of any chronic disease or weakness can be located; pain about the head, face, eyes, neck, back or limbs; diseases of the brain, lungs, heart, stomach, liver, kidneys, bowels, or special organs of sex; lowered vitality, irritability, insomnia and inability to think or work are SOME of the conditions where CHIROPRACTIC ADJUSTMENTS remove the cause. I do not TREAT or CURE. I remove the CAUSE, NATURE CURES. Investigation costs nothing and may mean your health and happiness.

John C. Bockman, Chiropractor

THE HOME OF BUTTERICK PATTERNS

Runs Away from Home to Be With Flowers

Surrounded by loads of pretty flowers, 14 year old Emma Bollongino ran away because she loved the big outdoors, flowers and fields, and did not want to live in the city with its brick walls and iron girders. A few weeks ago she mysteriously disappeared. She was brought back home, but consented not to run away again only on the promise that she should have all the flowers she wanted.
