"Go Up Higher"

"Friend, go up higher"—this is the text for our little sermon. This is the genius of the gospel. It is Christ's call to every man.

An age of materialism is defying selfishness. A man's worth is expressed in material terms, and happiness is thought to be found only in that which is purchasable. So extravagant display provokes covetous discontent, and strife follows.

For many even religion is only a sort of heavenly selfishness. They try to meet the requirements of their creeds because that is the price they think they must pay for the advantage offered. This is life on the lower plane.

But life is more than a meal ticket, and Christianity more than a fire escape. The man who thinks he can glut his physical nature and violate his moral being and then sidestep the consequences by some pious makeshift, will have a sad awakening.

Christ came to call men to a higher plane of life, where real values are made and recognized, where success is measured not by what a man can get out of life, but by what he puts into it. Some lives are zero, some minus, but the high-plane life is PLUS.

PROTEST CHANGE OF MAIL ROUTE IN RESOLUTIONS

EATON, O., Jan. 22.—Closing their annual institute at Campbelltown, farmers in Jackson township passed resolutions in which was embodied a strong protest against the proposed change in mail service. The resolution will be forwarded to Congressman Gard for the purpose of enlisting his aid.

When motorization of mail routes in Preble county goes into effect February 1 the postoffice department proposes to discontinue the postoffice there and eliminate the one rural route extending from the office. Patrons of the route and office declare the service is entirely satisfactory, and are strongly against any change. Stanley S. Hart, a member of the county fair board, was elected president. Other officers elected are as follows: Vice president, Harry Price; secretary, O. T. Ardelotte; treasurer, Darrell Wisner; executive committee, Frank Miller, E. E. McWhinney, Everett Yost, John McWhinney and J. F. House.

The United States last year imported from Sicily \$678,973 worth of citrate of lime.

SALTS IN HOT WATER CLEARS PIMPLY SKIN

Says We Must Make Kidneys Clean the Blood and Pimples Disappear.

Pimples, sores and boils usually result from toxins, poisons and impurities which are generated in the bowels and then absorbed into the blood through the very ducts which should absorb only nourishment to sustain the body.

It is the function of the kidneys to filter impurities from the blood and cast them out in the form of urine, but in many instances the bowels create more toxins and impurities than the kidneys can eliminate, then the blood uses the skin pores as the next best means of getting rid of these impurities which often break out all over the skin in the form of pimples.

The surest way to clear the skin of these eruptions, says a noted authority, is to get firm any pharmacy about four ounces of Jad Salts and take a tablespoonful in a glass of hot water each morning before breakfast for one week. This will prevent the formation of toxins in the bowels. It also stimulates the kidneys to normal activity, thus coaxing them to filter the blood of impurities and clearing the skin of pimples.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia. Here you have a pleasant, effervescent drink which usually makes pimples disappear; cleanses the blood and is excellent for the kidneys as well.—adv.

FORMER MANAGER OF CEDAR SPRINGS DIES IN NEW PARIS

EATON, O., Jan. 22.—Dr. Allen F. Halderman, 72, at one time owner of the Cedar Springs Health resort, died at noon Friday at his home in New Paris after a two weeks' illness resulting from the effects of grip. His condition had not been considered serious by relatives, and the announcement of his death proved a sad shock. Mr. Halderman was a native-born, public country and with the exception of a few years his entire life had been spent within the county confines. Many years ago he studied medicine and was graduated, but never engaged in the profession. The greater part of his life was spent in New Paris and vicinity, where he owned property and land now in the possession of the Auto club, of Richmond, Ind. The property still bears the name he gave it, "Cliffdale."

He is survived by one sister, Mrs. Katherine Gale, of West Alexandria. Postmaster Oscar A. Gale and John M. Gale, cashier of Eaton National bank, nephews. The deceased had been twice married and one son and one daughter also survive him.

The body was brought to Eaton late Friday and prepared for burial in the parlors of Undertaker Gilton, and was taken to the home of the sister in West Alexandria, where funeral services will be held at 10 o'clock Sunday morning. Burial will be made in the Roberts cemetery, two miles south of Eaton.
