WHEAT IS HIGHER AS MARKET OPENS

CHICAGO, Jan. 26.—With wheat $\frac{1}{2}$ ¢ to $\frac{3}{4}$ ¢ higher at the start today the market was fairly active and somewhat nervous. Trading was slow. Cables from Liverpool were higher. Corn was $\frac{1}{4}$ ¢ higher and firm, without much selling pressure.

Unfavorable weather and the report from Brazil stating that the crop of corn there was in danger of damage by locusts were the main factors. Oats were unchanged and steady, there being practically no trading.

ELDERLY WOMEN SAFEGUARDED

Tell Others How They Were Carried Safely Through Change of Life.

Durand, Wis.—"I am the mother of fourteen children and I owe my life to Lydia E. Pinkham's Vegetable Compound. When I was 45 and had the Change of Life, a friend recommended it and it gave me such relief from my bad feelings that I took several bottles. I am now well and healthy and recommend your Compound to other ladies."

—Mrs. MARY RIDGWAY, Durand, Wis.
A Massachusetts Woman Writes: "Blackstone, Mass.—"My troubles were from my age, and I felt awfully sick for three years. I had hot flashes often and frequently suffered from pains. I took Lydia E. Pinkham's Vegetable Compound and now am well."

—Mrs. PIERRE COURNOYER, Box 281, Blackstone, Mass.
Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dizziness, fainting, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and dizziness, should be heeded by middle-aged women. Lydia E. Pinkham's Vegetable Compound has carried many women safely through this crisis.

GRAY VOTES FOR BILL

Representative Finly Gray yesterday was one of the members of the Indiana delegation in the house who voted for the Shackleford good roads measure. The bill provides that the government shall expend \$25,000,000 yearly to the states to aid in the good roads construction providing the states shall match the government's contribution in each case, dollar for dollar.

COMPLETE EVIDENCE IN TRIAL OF KNAPP

Testimony in the Knapp manslaughter case will be completed this afternoon and Prosecutor Reiler will begin the argument tomorrow morning. After two days and a half of state's evidence and a half day spent in the examination of the evidence for the defense, the last witness was heard this afternoon and the jury can expect the case Thursday evening. The revolver that Knapp used has not been found and it is not known whether or not Knapp will take the stand in his own defense. If he takes the stand late this afternoon, Prosecutor Reiler said that he would ask him in cross examination regarding the revolver and for what reason he threw it away after shooting Williams.

The crop of cereals grown in the northern hemisphere in 1915 exceeds the average crop of the last five years by more than 73,000,000 pounds.

CONFESSED LOOTER BLAMES BEVERAGES

Lester Wilkins Silver, confessed looter of the till of the Richard Williams grocery, 222 South Eleventh street, and jewelry robber at the residence of Edwin Cook, 333 South Thirtieth street, arrested in Dayton a few hours after leaving Richmond, was returned to this city by Officer Wenger last evening to answer a charge of grand larceny.

Silver, who is the brother of a Dayton police sergeant, claims he was intoxicated when he committed the crimes with which he is charged. So far as known Silver has previously borne a good reputation. He was drunk when arrested at a Dayton restaurant, where he had just sold for \$2 a watch stolen from the Cook home. Another watch, a bracelet and a lock et he had also taken from the same residence were recovered. Six dollars of the \$25 stolen by him from the Williams grocery was found in his possession. Silver was employed in Richmond for some time at a wholesale liquor house.

SIN BRINGS INEVITABLE REGRET

"Secret sin undermines the very foundation of our lives it undermines our honor and our nation," said Evangelist William J. Sayers at the East Main Street Friends church last night. "A danger to the man and the community at large. If you can't win your own self-respect you can't win the respect of any one else."

"We cannot find ourselves wholly until we find Jesus Christ precious to our souls."

"No sin is safe from detection. No sin is lost. When we sit in the shadows our sins will unroll before us. We can't escape ourselves. We can't do wrong and not suffer for it."

"Sin is the biggest calamity of life. We think sometimes it is loss of money or position but it is sin. God is faithful and just and has power to forgive all sin and to give us a chance to make good and to restore the wasted years."

"Are you making the most of the best that is in you? When sin has been removed there is a place for the filling of God. Sin is not removed till we say, 'Oh, Lord. Make me pure and do it now.'"

"After we leave this world what then? Some people can stand the spot light but not the search light."

FALLS ON PAVEMENT.

Condition of Wallace Murray, 7-year-old son of Mr. and Mrs. Claude Murray of Hagerstown, who was painfully though not seriously injured in a fall on the pavement in front of the Porter grocery at Hagerstown last week, is reported as satisfactory by attendants of Reid Memorial hospital, to which the boy was removed following the accident. His recovery is assured.
