Child's Tongue Becomes Coated If Constipated

When cross, feverish and sick give "California Syrup of Figs."

Children love this "fruit laxative," and nothing else cleanses the tender stomach, liver and bowels so nicely. A child who simply can't stop playing to empty the bowels, and the result is they become tightly clogged with waste, liver gets sluggish, stomach sour, then your little one becomes cross, half-sick, feverish, don't eat, sleep or act naturally, breath is bad, system full of cold, has sore throat, stomach-ache or diarrhoea. Listen, Mother! See if tongue is coated, then give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated waste, sour bile and undigested food passes out of the system, and you have a well, playful child again. Millions of mothers give "California Syrup of Figs" because it is perfectly harmless; children love it, and it never fails to act on the stomach, liver and bowels. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Syrup Company." Refuse any other kind with contempt.—adv.

There Are Two Ways of BUYING DIAMONDS

One way is to buy anywhere and assume the responsibility yourself.

The other, and only safe way for a person who is not a gem expert, is to deal with an established Diamond merchant whose judgment, reputation and guaranty is back of every diamond they sell.

We warrant our Diamonds to be precisely as represented and they are always exchangeable at their full selling price. Our selection of pure blue-white Diamonds (which we buy direct from the importers) is very extensive.

INSURE FARM PROPERTY FOR 22 CENTS PER \$100

As many farmers have automobiles of their own arrangements were made yesterday by the German Baptist insurance company which met at the court house for their insurance.

A report of the company's meeting has been prepared as follows by Walter Ratliff.

At the twenty-first annual meeting of the German Baptist insurance company yesterday the president, Peter Flant gave his annual address. This was featured by the reports of the secretary, Frank E. Hay, and the treasurer, Perry Hoover, which were accepted.

An auditing committee composed of Urias Birtsch and Charles Sorber reported that it had examined the books and vouchers and found them correct. The following was the financial statement submitted:

Balance on hand Jan. 1, 1915, \$1,943.74.

Receipts on assessment No. 20, \$21,041.27.

Received on cancelled policies, \$147.42.

Receipts from delinquents on No. 19, \$344.03.

Total, \$23,476.45.

Total expenditures were given as \$20,126.20.

Balance on hand Jan. 1, 1916, \$3,350.25.

The same board of directors was

continued for another year. Walter Ratliff was elected a new member of the auditing board. A committee on resolution consisting of William A. Lewis, George R. Thornberg and Emmer G. Hunt gave a report on the death of D. O. Dilling, the late secretary.

COVERS THREE COUNTIES

This company includes the counties of Wayne, Union and Fayette in its writings of farm properties and has made a steady growth as similar companies have done throughout the state. The last year the losses on farm buildings were not so heavy, probably due to the less number of severe electrical storms during the year. The rate on insurance at the last assessment was 22 cents per \$100.

As many farmers are supplied with automobiles of their own, arrangements as to the buildings in which they are kept were made. They can not be insured in buildings containing straw or hay unless separated therefrom by a good partition wall. Among those present were: Frank E. Hay, T. A. Shaffer, John Hoover, Perry Hoover, Hagerstown; Peter Flant, Cornersville; C. C. Petre, Kitchell; Samuel Gilmore, Liberty; Charles Quick, Liberty; William A. Lewis, Williamsburg; George R. Thornberg, Economy; Harry Hunt, Greensfork; Emmer Hunt, Fountain City; Urias Bertsch, Germantown; Charles Sorber, Germantown.

FINED FOR ROBBERY

EATON, O., Jan. 28.—When James Elliott, farmer, near Camden, discovered the loss of hides from game animals, an investigation was begun and led to the arrest of Charles Malston, colored. Malston was indicted, but was released in common pleas court a few days ago on a technicality. Deputy Game Warden Acton of Cincinnati, investigated the matter and found Elliott had hunted out of season and besides had no license. Elliott was hauled into a Camden court upon complaint of Acton and was fined \$25 and costs. Game Warden Acton has charge of a state exhibit at the poultry show being held here this week.
