

# Mourns Soldier Husband Killed

Mrs. Marie Horne, actress, and Capt. "Bobby" Horne, who was killed in battle "Somewhere in France."

"Pleasure" is sad; joy is grief-stricken.  
Captain "Bobby" Horne was killed in action on the French front January 27 and news of his death was conveyed to Mrs. Marie Horne, who plays the part of Pleasure in "Experience," now being shown at the Garrick Theatre in Chicago.

Mrs. Horne was prostrated by grief yesterday when she was told of her husband's death and was unable to appear in the play.  
Captain Horne was a member of the Seventh Battalion, King's Own Scottish Borderers, and won his captaincy as a reward for bravery in the big drive at Loos. At that time he was shot in the arm.

## U. S. TO DIRECT HAITI AFFAIRS

WASHINGTON, Feb. 10.—The senate foreign relations committee today voted unanimously to recommend ratification of the treaty establishing a protectorate over the Republic of Haiti.

## Head Stopped Up? Can't Breathe? Try the Vick Vap-O-Rub Treatment

Applied in Salvo Form Over Throat and Chest Relieves by Inhalation and Absorption.

Vapor treatments are best for inflammations of the air passages. The vapors carry the medication direct to the inflamed surfaces without disturbing the stomach, as internal medicines will do. A very convenient vapor treatment is a good application of Vick's "Vap-O-Rub" Salve over the throat and chest, covered with a warm flannel cloth. The body heat releases vapors that are inhaled with every breath, opening the air passages, loosening the phlegm, and healing the raw surfaces. For deep chest colds, first apply hot wet towels to open the pores. Vick's is then absorbed through the skin, taking out the tightness and soreness. 25c, 50c, or \$1.00.

## PURDUE EXPERT TALKS ON HOGS AT CAMBRIDGE

CAMBRIDGE CITY, Feb. 10.—Prof. B. E. Thompson of Purdue university, was the principal speaker this morning at the opening session of the Tri-county farmers institute which opened in the opera house for two days. This afternoon's session consisted of addresses by Benjamin Doddridge on "Hog Cholera" and W. O. Jones county superintendent of roads who discussed the problem of good roads. Andrew Kerber also delivered an address on "The Home Strawberry Patch."

Prof. Thompson in speaking on the subject, "Raising Hogs for Profit on the Farm" recommended hogging the corn fields as offering better results and more profit than the feeding of dry gain. He illustrated his remarks by using a representative farm as an example. He compared the profits derived through the feeding of hogs with corn and tankage. He believed the latter was more profitable.

About 250 farmers from Wayne Fayette and Henry counties were present at the opening session and even a greater number is expected to attend the institute tonight and Friday.

Prof. Thompson will speak again tonight and A. B. Hill, president of the Community League of Indianapolis, will also deliver an address. An orchestra will furnish music at the remaining sessions.

Exhibits of corn, domestic science and feed corn are being held and awards will be made before the close of the institute.

### Can't Find Dandruff

Every bit of dandruff disappears after one or two applications of Danderline rubbed well into the scalp with the finger tips. Get a 25-cent bottle of Danderline at any drug store and save your hair. After a few applications you can't find a particle of dandruff or any falling hair, and the scalp will never itch.—Adv.
