GENERAL LAMB DIES

NEW PARIS, O., Feb. 11.—General Lamb, aged 45 years, of Fletcher, O., died Wednesday at Piqua (Ohio) hospital from injuries received a week ago in an accident whereby he fell from a telephone pole breaking three ribs and a limb and fracturing his skull. He leaves his widow, formerly Miss Minnie Burden, a daughter, aged 17, a son 6 years old, two brothers, Riley of Dayton, and Albert of Buffalo, N. Y., and one sister in Dayton. The body will arrive in New Paris Saturday morning and will be taken to the home of his father-in-law, Wesley Burden. Funeral services will be held Saturday afternoon at 1 o'clock at the M. E. church, Rev. McLaughlin in charge. Burial will be in Springfield cemetery. Mr. and Mrs. Lamb lived here two years ago when they removed to Fletcher.

WOW !!! PAIN IN THE BACK

USE SPEEDWAY LINIMENT

It goes right to the spot and brings soothng relief. Makes muscles limber up—oils up the joints and makes you forget your trouble in no time. Nothing equals Speedway Liniment for relieving rheumatism, lumbago and such ailments. It penetrates—does just what is needed for livening up the circulation and building up your system.

You can put it on full strength—rub it on right out of the bottle. It does not burn or blister—but it certainly does the business better than anything we ever knew of. Acts like a magic balm—never fails.

Speedway Liniment has brought relief to thousands of sufferers. Sold in 25c, 50c and \$1.00 bottles. Try a bottle and see how it relieves you. Money back if it does not.

Better get the large bottle and give it a good trial. Use it night and morning. If your case is bad, soak little of the liniment into a flannel cloth and apply as a bandage. Leave it on over night.

Step in and ask for a bottle today at A. G. Lukens' and other good dealers.—Adv.

Dr. Dennis Lectures.

Illustrated by stereopticon slides.

Dr. D. W. Dennis gave an interesting talk on "Germs in General." The importance of taking precautionary measures in the case of all germ diseases was emphasized by the speaker.

"Indiana is as good a place to cure consumption as any place in the country," said Dr. Dennis. "All that is required is fresh air and lots of it.

"A visiting health nurse will spread

the gospel of fresh air and sunshine.

It will be her duty not only to nurse the sick of the county, outside of Richmond, but also to educate the people regarding these diseases, not alone tuberculosis, but all diseases.

There were thirty-three deaths in Richmond due to tuberculosis, and approximately the same number in the county, outside of Richmond. If only one of these lives a year could be saved through your efforts, it would be worth the money."

Family Spreads Disease.

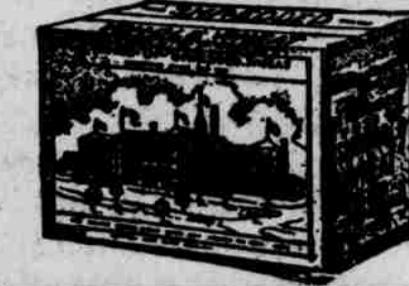

Dr. Squires then told of a family in Washington township today where there were nine children; one of the children had tuberculosis, but this did not hinder the child from mingling with school children to spread the disease.

"An ounce of prevention is worth a pound of cure," he said.

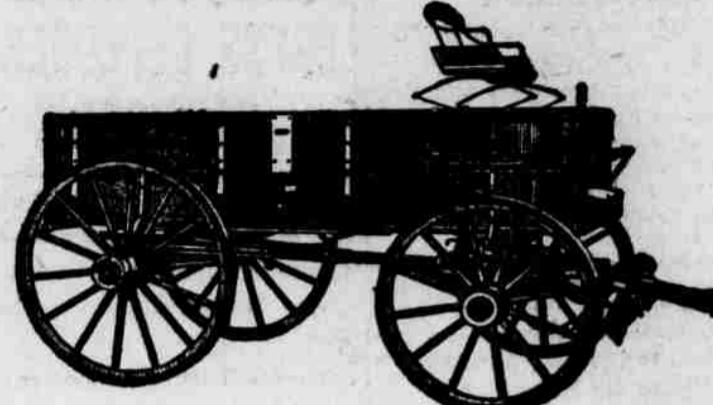

"I have found that there are three classes of people in the Boosters' club," said Dr. Squires. "They are the workers, the shirkers and the jerks. I have appointed this committee from among the first class, and we intend to do something right away."

A moving picture appropriate to the tuberculosis campaign, was one of the features of the meeting.

A Million Mothers behind the purest, cleanest, most nutritious of all cereal foods—Shredded Wheat. They have tested it and found it best for youngsters, best for grown-ups—a food to work on, to play on, to think on. Contains the life of the wheat in a digestible form—puts gimp and ginger into the jaded body. Delicious for breakfast or for any meal with milk or cream. Made at Niagara Falls, N. Y.

INTERNATIONAL HARVESTER MACHINES

See the New and Better Columbus

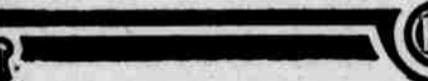

YOU have probably heard and know something about that special new wagon feature, the International fifth wheel (patent applied for) which you can find only on International Harvester wagons.

There are several other new and strong points on the Columbus for you to look over when you come in next week. There is the convenient link end box rod. This rod couples in the center, has threaded handle nuts at each end, can be easily tightened at either end, hangs fast to the wagon when uncoupled, and can be entirely removed easily. No more lost or bent end rods or stripped threads when your wagon is new Columbus.

The accurately-fitting skein and skein box, the gear construction, the straight-grained oak hounds—everything new and better, from tongue to tail board, are right here waiting inspection. Come in and see a real up-to-date wagon.
