## THE NEWEST REMEDY FOR BACKACHE, RHEUMATISM AND DROPSY.

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and loins, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, gout or sciatica. Write Dr. Pierce at once, send 10 cents for large trial package, or 50 cents for full treatment of "Anuria" or ask your druggist for it.  
 During digestion uric acid is absorbed into the system from meat eaten, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anuria," the new discovery of Dr. Pierce for Kidney trouble and Backache. Neglected kidney trouble is responsible for many deaths, and Insurance Company examining doctors always test the water of an applicant before a policy will be issued. Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment or settling sometimes indicates kidney trouble. The true nature and character of diseases, especially those of the kidneys and urinary organs, can often be determined by a careful examination—this is done by expert chemists of the Medical Staff of the Invalid's Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his Staff of Assisting Physicians will inform you truthfully.

## Some Reasons Why:

EDWARD F. WARFEL SHOULD BE NOMINATED AS THE REPUBLICAN CANDIDATE FOR TREASURER OF WAYNE COUNTY

He is qualified, HAVING HAD A SUFFICIENT SCHOLASTIC AND BUSINESS TRAINING TO FIT HIM for an efficient and thoroughly competent public official.

He is young, energetic, and if successful will bring into the office a disposition to serve ALL THE TAX-PAYERS FULLY AND COURTEOUSLY.

He is experienced, having worked his way from a humble beginning to the position of general manager of the newspaper whereon he began, nine years before. For three years he has successfully managed his present business, of which he is chief owner.

HE IS FREE, HAVING NO PRIVATE ENTANGLEMENTS OR OBLIGATIONS OF ANY KIND THAT MIGHT IMPAIR HIS USEFULNESS. He has made no promises nor will he make any except to the entire community—that if elected, he will see to it in person that they have no occasion to regret their choice.

He is THE LOGICAL CANDIDATE FOR PARTY REASONS. If nominated he will bring to bear, in assisting the entire ticket, a broad acquaintance, an experience in all phases of legitimate political activity, and a popular confidence in his honesty and ability properly to fill the place he seeks.

IN THE LIGHT OF THE FOREGOING, MR. VOTER, CAN YOU THINK OF ANY GOOD REASONS, WHY EDWARD F. WARFEL SHOULD NOT HAVE YOUR VOTE FOR TREASURER OF WAYNE COUNTY NEXT TUESDAY, MARCH 7?
