Healthy Old Age
Brings Happiness

Simple Remedy Promotes Health By
Overcoming Tendency to Con-
stipation.

Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation should not be tolerated—it is often the direct cause of ill health.

Headache, belching, biliousness, bloating, drowsiness after eating and other symptoms of constipation can be readily relieved by the use of a simple laxative compound sold in drug stores under the name of Dr. Caldwell's Syrup of Pepsin. Mr. J. H. Bristol, 1412 Geddes Ave., Ann Arbor, Mich., who is 83 years old, says "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for constipation and I always have a bottle of it in the house to use when I feel the need of it; it never disappoints."

Dr. Caldwell's Syrup Pepsin is a mild laxative preparation, positive in its effect, acting easily and naturally without griping or other pain or discomfort. For over a quarter of a century it has been the standard household remedy in thousands of homes. Drug-

Kindly Solicits Your Support.Are you having bad luck
with baking now?

"What's the matter with my bread lately, and why doesn't my cake and pastry bake nicely as they used to? Are you asking these questions, as hundreds of other women are now? Are you wondering why your baking results are not right recently? Don't blame yourself; it's not your fault, for

rain-damaged wheat is the reason

The last crop of wheat was simply soaked with rains. Wheat nearly everywhere, wheat that would have been high grade, was practically ruined by wet weather. Such wheat makes poor flour; flour without strength and vitality and so fermented by moisture that it won't rise properly in baking.

Only a very few sections, favored by good weather, were able to raise any high-grade wheat. With so little of it to be had, high grade wheat went away up in price. But we didn't hesitate an instant—we sent our own men to every section where any high grade wheat could be had and had them pay the highest price necessary to get it.

We got the highest grade wheat
for Valier's Enterprise Flour,

because we were able and willing to pay the high prices asked for it, and because we immediately went after it. As a result, Valier's Enterprise Flour is one flour that has the same high quality it has always had.

The very first time you try Valier's Enterprise Flour you'll notice a big improvement in baking results. You'll notice how much whiter and nicer your bread bakes, every part baked perfectly, clear to the crust, and you'll notice how much lighter and finer your cakes and pastry are. Buy a sack and prove this.

Of course, such superfine flour that has been kept up to its high quality even while high-grade wheat is so scarce and high priced, may cost you a little more. But we are sure you get more baking per sack of Valier's Enterprise Flour than from an equal amount of ordinary flour. And you get such far better baking results. As a lady recently wrote, "I have used Valier's Enterprise for some time now and it is the very best flour I have ever used for every baking purpose, and I get four more loaves of bread from a small sack of it than from an equal amount of flour."

Tell your grocer to send you a sack of Valier's Enterprise Flour. If he hasn't any he can get it for you very quickly.
