## The Church

A church is an aggregation and combination of people called members.

The best church is one which provides for each member to be at the best.

A member is at the best when there is a present, growing vital knowledge of God.

This knowledge gives best selfhood; highest ideals and most potential service.

Service is the only Christian credential here or hereafter, in earth or heaven.

The credential belongs to all who serve, who respond to the call of God and the need of man.

There is one example of life and service, Jesus Christ who saves to serve.

His friends and followers go about doing good.

\$1100.

## Roadster Evolution

FIRST—The two-passenger roadster. Objectionable on account of limited carrying capacity.  
NEXT—The roadster with one "Rumble" or open seat in the rear. Humorists dubbed this the "mother-in-law" seat.  
THEN—Two "Rumble" seats in the rear outside the top. The passengers on these seats always looked as though they were "being taken for a ride."  
AFTER THAT—The "Clover Leaf"—with an extra seat under the top, but room for ONE only. Objection to this is centuries old: "Two is company; three is none."

## FINALLY— Pilot "Get-Chummy" Roadster

That just "fills the bill" and has met with greater popular approval than any design of Motor Car ever offered.

ALSO—Five passenger "Double Cow" Touring Car with same chassis specifications at same price.

Both "Double Cow" Touring and "Get Chummy" Roadster on exhibition at Richmond automobile show.
