At Movies Tonight

ARCADE.
There is—or, rather, there was—a tiny white Maltese terrier in the cast of "The Woman's Law," at Arcade Wednesday, the five-part photoplay produced by the Arrow Film Corporation for Pathe, in which Miss Florence Reed is starred. The terrier, "Toodles" by name, belonged to Miss Reed, and outside of the intrinsic and sentimental value naturally set on him by Miss Reed he was a more than ordinarily valuable pet. In "The Woman's Law," Miss Reed plays the part of Gail Orcutt, the home loving wife of a dissolute young New York millionaire. Her whole life is devoted to her home and to her young son, Vance. Vance is played by Master Jack Curtis, a child actor of more than usual ability, but with the average amount of child deviltry.

LYRIC.
"Wuxtry, wuxtry! All about Billie Ritchie in 'Live Wires and Love Sparks.' Billie is a poor husband with a man-size brood of children, all of them Battling Nelsons. Bill is out of work most of the time, and as a result it would be flattering to him to say that he had a 'home.' Bill lives in a tenement of the sort that has dead cats on the back fire-escape and half-washed laundry smeared over the clothes lines. Bill, however, is a thorough Bohemian, and the fact that he has to support his wife and unpeppery kids doesn't worry him in the least. He revels in negligee costume and negligee living.

WEARS MEN'S UNDERWEAR.
MARION, Ind., March 28.—Mrs. Harry L. Johnson, whose husband was arrested for desertion, said she was forced to wear men's summer underwear in the winter time and that her husband made her wear a pair of shoes he bought for twenty cents.

FOR BRONCHITIS, WHOOPING COUGH, CROUP, COUGHS AND COLDS

Make the Best Remedy at Home—128 Teaspoonfuls for 50 Cents

If everything was sold in as liberal and fair a manner as Clem Thistlethwaite is selling Schiffmann's New Concentrated Expectant, absolutely no cause for complaint or dissatisfaction could possibly arise from any one. This drugist says: "Buy a bottle of this remedy and try it for bronchitis, whooping cough, severe croup or any bronchial affection, and we will return your money, just as we do with Schiffmann's famous Asthmador, if it does not give satisfaction, or if not found the best remedy ever used for any of these complaints." Why not take advantage of this guarantee and try this medicine, and get your money back rather than buying another purely on the exaggerated claims of its manufacturer or on the strength of testimonials from others and run the chance of getting something worthless and also wasting your money?

Maternity! The Word of Words

It is written into life's expectations that motherhood is the one sublime accomplishment. And if there is anything, no matter how simple, how apparently trivial it may seem, if it can aid, help, assist or in any way comfort the expectant mother, it is a blessing. And such is a remedy called "Mother's Friend." You apply it over the stomach muscles. It is gently rubbed on the surface, and makes the muscles pliant; this relieves the strain on ligaments, natural expansion takes place without undue effect upon the nerves. And as the time approaches, the mind has one through period of repose, of gentle expectancy, and this has an unquestioned influence upon the future child. That this is true is evidenced by the fact that three generations of mothers have used and recommended "Mother's Friend." Ask your nearest druggist for a bottle of this splendid remedy. He will get it for you. And then write to Bradford Regulator Co., 407 Lamar Bldg., Atlanta, Ga., for a most interesting book of information to prospective mothers. It is mailed free. Write today. It is a book you will enjoy.

Gaining Weight On Inside Job Real Novelty

We can't all be devotees of the great out-of-door, and so the office men and women too often pay the penalty of the all-day grind at the desk.

There comes in many cases the sluggishness that is bred of physical inactivity and the ailments that mark the indoor man for their own.

To say "I feel good all over" is to speak the acme of content, and when this is supplemented by a steady, healthy increase in weight after a long period of suffering, the fortunate man usually feels that he wants to share his good luck with the less fortunate "other fellow."

It is this spirit that prompts so many prominent business men in every community to endorse Tanlac. Tanlac assists nature to throw off depression and in its place to stimulate the system, with the result that energy and vigor return.

That "tired feeling" means a good deal more than is generally realized. It is one of the symptoms of a more serious condition. It is not laziness; it is a physical ailment that needs correction before it takes a firm hold on you. The results of the Tanlac treatment are amazing.

Tanlac tends to make tired out, listless persons sturdy and of real manhood and womanhood like those old-fashioned but most sensible folks—the pioneers.

As a tonic, appetizer and invigorant, nothing ever has been discovered that will compare with Tanlac. It builds new tissues, vitalizes the blood and acts so favorably on ailments of the stomach, liver and kidneys, and catarrhal affections of the mucous membranes.

Satisfied users of Tanlac have proven to be Tanlac's best advertisers. Men and women, from the highest to the lowest walks of life, everywhere are testifying daily to the relief Tanlac has brought them. No other remedy has won such endorsements, that can only come from superlative merits. Tanlac is being especially introduced in Richmond at Clem Thistlethwaite's drug stores, where the Tanlac man is daily explaining its merits and the results that may be expected from its use.

Tanlac may be obtained in the following nearby Ohio cities: New Paris, E. M. Kessler; Eldorado, O. H. Mastin; New Madison, Thomas E. Bank; Eaton, Lake Drug Co.; Camden, J. H. Bohn; West Alexandria, H. N. Price; Greenville, Kipp Drug Co.—Adv.
