ELVORD PROMISES
TO LEAVE CNTY

"Blind Dick" Elvord will probably not have to serve his sentence of nine days in the county jail as a result of conviction by a jury Wednesday of running a "blind tiger" at Jefferson.

This morning in circuit court, Elvord told Judge Fox that sentence was suspended because he was willing to sell out his place of business at Jefferson and move from Wise County forever. Prosecutor Releas said in court this morning and Judge Fox said that he would decide what to do after he had conferred with the prosecutor. Releas, however, said there would not object to an arrangement of this kind but that he would oppose any action to have the jail sentence removed.

He was fined \$100 andets which he will pay, he said.

TAGGART TO RIRE
IN RALSTON FAVOR

WASHINGTON, March 31.—Senator Thomas Taggart of Indiana today announced that his reason for not being a candidate to succeed himself is that Governor Ralston will be the Democratic party's nominee at that place. Senator Taggart did not say that Governor Ralston had consented to make the race, but he plainly indicated that he expects him to do so.

"He is much younger than I am and will be a much better man," said the senator.

Governor Ralston just recently appointed Taggart to fill the late Senator's Shively's place in the election.

HACKS RESUME

As soon as weather and road conditions permit, auto truck service to towns within a radius of eighteen miles of Richmond will be resumed. Many of the hacks are now running on schedule time, but the full service, running on regular schedule, will be in operation about April 15.

DEMANDS DIVORCE

Abandonment was the cause assigned by James Rogers in asking for a divorce from Ethel Rogers. The divorce was granted by Judge Fox in circuit court today. The husband was also given the custody of his two children, Charles, aged 7 and Virginia, aged 6, whose mother deserted them.

ROBBERS GET HOUSE.

SOUTH BEND, Ind., March 31.—Robbers made a complete job of it when they entered the Sherman Elison home. They took silverware, draperies, chandeliers and lamps.

CALL CONFERENCE
WITH FRED DOLPH
TRACTION BOOSTER

Traction committee of the Commercial club, which had been in constant communication with Fred A. Dolph, promoters of the traction line

north, held a meeting last evening and instructed Secretary Haas to ask Mr. Dolph to attend another conference with the local committee as soon as possible for the purpose of making several changes in the petition asking for an election. The petitions were prepared by an attorney at Huntington and are not specific enough in many instances, the committee believes.

As soon as a definite form of pe-

tion is approved by both the local committee and the committees from Union City and Portland, they will be circulated. All the expenses of the election will be paid by the traction line promoters.

A Pretty Dress for the Growing Girl.

1650. Girl's dress with or without over blouse, and with two styles of sleeves.

This would make a very attractive dress for party or best wear, for graduation or for dancing school. Silk and crepe or crepe de chine could be effectively combined in this model, also chiffon and net or tulle. The dress may be finished without the overblouse. The sleeve in wrist length has a new cuff. In short length the sleeve is in puff style with gathered ruffle.

The pattern is cut in 4 sizes: 8, 10, 12 and 14 years. It requires 3 5-8 yards of 44-inch material for a 10-year size for the dress, with 1 1/2 yard for the overblouse.

A pattern of this illustration mailed to any address on receipt of 10 cents in silver or stamps.
