

SHINN RETURNS TO LEAD CHOIR AT HAGERSTOWN

HAGERSTOWN, Ind., March 31.—Grover Shinn, who directed the large chorus at the Christian church revival which closed one week ago last Sunday will direct the music Sunday and the chorus will sing. The singing will be accompanied by an orchestra. There will be preaching at the morning and the evening services by the pastor, the Rev. Chelan. The home of Mr. and Mrs. Moses Keever was the scene of merriment Monday evening when they were given a pleasant surprise by friends who had received invitations from Chester Keever, to be present at a party in their honor. There were games, music and readings and ice cream and cake was served. The guests were Mr. and Mrs. N. B. WANTED--MOVIE MEN

INDIANAPOLIS, March 31.—Wanted: Hoosiers to act in the movies. That should not be a hard matter to solve. Lots of folks are anxious to get in the movies but seldom have the opportunity. The fact that a big film company is reeling off yard after yard of Hoosier film for the state centennial celebration makes it easy to get in. The film company has several hundred employees but several hundred more Hoosiers are needed to fill in on various scenes. There isn't any money in it and there isn't any work. All one has to do is to get in the picture. They'll tell you about it when they get around to your neighborhood.

ATTRACTIVE COAT FOR OUT-OF-DOORS

Sport clothes promise to be of great importance this year and, undoubtedly because of this, the varied and numerous styles in sport wear have increased. An attractive semi-sport outfit is shown, consisting of tailored blouse, white gabardine skirt and an unusually smart plaid sport coat. The cut of the coat features a raglan sleeve and hood back, which proves an odd combination. The plaid is in black and white and the lining and pipings are of green taffeta.

HERE'S PROOF

A Richmond Citizen Tells of His Experience.

You have a right to doubt statements of people living far away but can you doubt Richmond endorsement? Read it:

Edgar S. Mote, mail carrier, 1117 South H street, Richmond, says: "I suffered from backache and kidney weakness. The least cold affected me and at times I could hardly straighten up, owing to the intense pain across my kidneys. I began using Doan's Kidney Pills, procured at Lukens & Co.'s drug store, and they made a permanent cure."

The above statement was given on December 14, 1908, and on September 16, 1915, Mr. Mote said: "The cure that Doan's Kidney Pills gave me has been permanent."

"Poison" Dentist

DR. ARTHUR WARREN WAITE, and inserts of the accused dentist. Dr. Arthur Warren Waite, as he looked upon his graduation from the university and his brother-in-law, Percy Peck, who started the investigation leading to the arrest of Dr. Waite.

A formal charge of murder in the first degree will be placed against Dr. Arthur Warren Waite, the New York dentist accused of poisoning his wealthy father and mother-in-law, Mr. and Mrs. John E. Peck, in his apartment in Riverside Drive.

The investigation started by Percy S. Peck, son of the dead man and woman, has led to startling revelations. Percy Peck is of the opinion that Waite planned a wholesale murder of his wife's family in order to gain the fortune of his father-in-law.

CITY WASTES LAND DECLARES LEONARD

No definite word has been received by Prof. R. J. Leonard, head of the local industrial survey, who recently wrote to the agricultural department asking for an expert, at the expense of the government, to study the local situation regarding home gardening. Prof. Leonard said today that he is still hopeful that the department will furnish an expert.

"There is much ground in the city that is going to waste that might be made to yield a small profit," said Prof. Leonard.

Zemo for Dandruff

You do not want a slow treatment when hair is falling and the dandruff germ is killing the hair roots. Delay means no hair.

Get, at any drug store, a bottle of zemo for 25c or \$1.00 for extra large size. Use as directed, for it does the work quickly. It kills the dandruff germ, nourishes the hair roots and immediately stops itching scalp. It is sure and safe, is not greasy, is easy to use and will not stain. Soaps and shampoos are harmful, as they contain alkali. The best thing to use is zemo, for it is pure and also inexpensive.

NOTHING WRINKLES FADES OR SHRINKS

Women save \$5 in an hour by dry cleaning everything with gasoline.

Dry cleaning at home is all the rage here, says a well-known downtown druggist. Any woman can do five dollars' worth of dry cleaning at home at very little cost by dissolving two ounces of solvite in two gallons of gasoline; then immerse the articles to be cleaned; rub a little and in a few moments the gasoline evaporates and the articles cleaned look as bright and fresh as new.

Dry clean your own silk waists, dresses, ribbons, belts, kid gloves, satin shoes, evening slippers, fine laces, net work, woollens, dresses, children's coats, furs, veils, neckties, shawls, gentlemen's garments, fancy vests, lace curtains, rugs, in fact, everything that would be ruined by washing with soap and water. Nothing will fade, shrink or wrinkle, making pressing unnecessary.

Dry cleaning at home is inexpensive and effects a tremendous saving in the household and is really just as easy as laundering. Any druggist will sell two ounces of solvite which is simply a gasoline soap and your grocer or a garage will supply the gasoline. Then the outfit. As gasoline is very inflammable, be sure to do your cleaning out of doors or in a room away from a wash boiler or dishpan completely from fire or flame, with the windows left open.

KENNY'S TALKS HELP CHURCH

Rev. F. G. Kenny's subject at the revival meeting at the First Baptist church tonight will be "The Agonizing Church." One of the most helpful features of the meetings is the prayer meeting beginning at 7:15 o'clock.

The messages of the evangelist are proving remarkably helpful to the congregation. They are delivered with a simple earnestness that compels attention. In his sermon last night on "Preparation for Service" he said the chief thing about such preparation is faith in God. "In the work of the church," he said, "failure after failure has been recorded when ever condition of success seemed present except faith, and at other times marvelous success has come when the only favorable condition was confidence in God. When Peter said to the lame man, 'Silver and gold have I none, but such as I have give I unto thee,' he was not offering something of less value than the money the poor man had asked, but something of infinitely more value. It was something he had to give because of his faith in God."

AUTO STRIKES CHILD

Frank Root, driving a two-passenger Ford runabout, ran down a small boy on North A street, near Fifteenth street, last last night, fracturing one of the youngster's arms, but not seriously injuring him. The injured boy is the son of Thomas Benham, North Twelfth street. Root took him home in his car. The boy while playing directly across the street, running directly in front of Root's car.

Improves your skin while cleansing it

Almost any soap will clean the skin and hair. Many toilet soaps are pure enough to do so without injuring these delicate textures. But those who want a soap which not only cleanses but actually helps the complexion and hair are wise to choose Resinol Soap.

The soothing, healing properties of Resinol enable it to protect the skin and scalp from annoying eruptions, keep the complexion clear, and the hair rich and lustrous. This, soaps which are merely pure and cleansing cannot be expected to do.

When the skin is in bad condition, through neglect or an unwise use of cosmetics, spread on just a little Resinol Ointment for ten or fifteen minutes before using Resinol Soap. Resinol Soap and Ointment are sold by all druggists.

CLOSE BUM HOTEL UNTIL NEXT FALL

The cafe of the Hotel de Bum, one of Richmond's best patronized hosteleries, located in the basement of the city building, has been closed until next winter. Mine Host Vogelsong announced today. Throughout the winter every vagrant who has sought shelter in the city hall basement has been provided a warm breakfast, but

Vogelsong declares that the hoboes can now shift for their own forage. "There is no excuse now for a man not having a job," Vogelsong said today.

Two Hotel de Bum guests who slept there last night became so infatuated with the place that Vogelsong had to drive them out into the mellow sunshine about 9 o'clock this morning.

Minnesota proposes to spend nearly \$7,500,000 this year for better roads.

INSPECTS FIRE MOTORS

Mayor Robbins, Fire Chief Miller and Alfred Davis and Charles Marshall left last night for Rochester, N. Y., where they intend to inspect chassis for fire wagons. Transportation was furnished by a Rochester manufacturing concern. John McManis of the board lost his ticket and had to remain here.

Warning

This season's wheat was the worst in 50 years; badly damaged by too much rain. Flour from such wheat is weak and won't rise properly. But we got the cream of what little high grade wheat was raised, by sending our own men out for it and paying premium prices to get it.

If you want to be sure of getting the best baking results now—if you want to make certain of getting flour made from high grade wheat, ask for Valier's Enterprise Flour. It may cost a few cents more, but it is guaranteed to make more baking per sack and better eating.
