Genuine Spanish
Leather, Cane Panels

24-inch by 36-inch
Fumed Oak Library
Table, Cane Panels

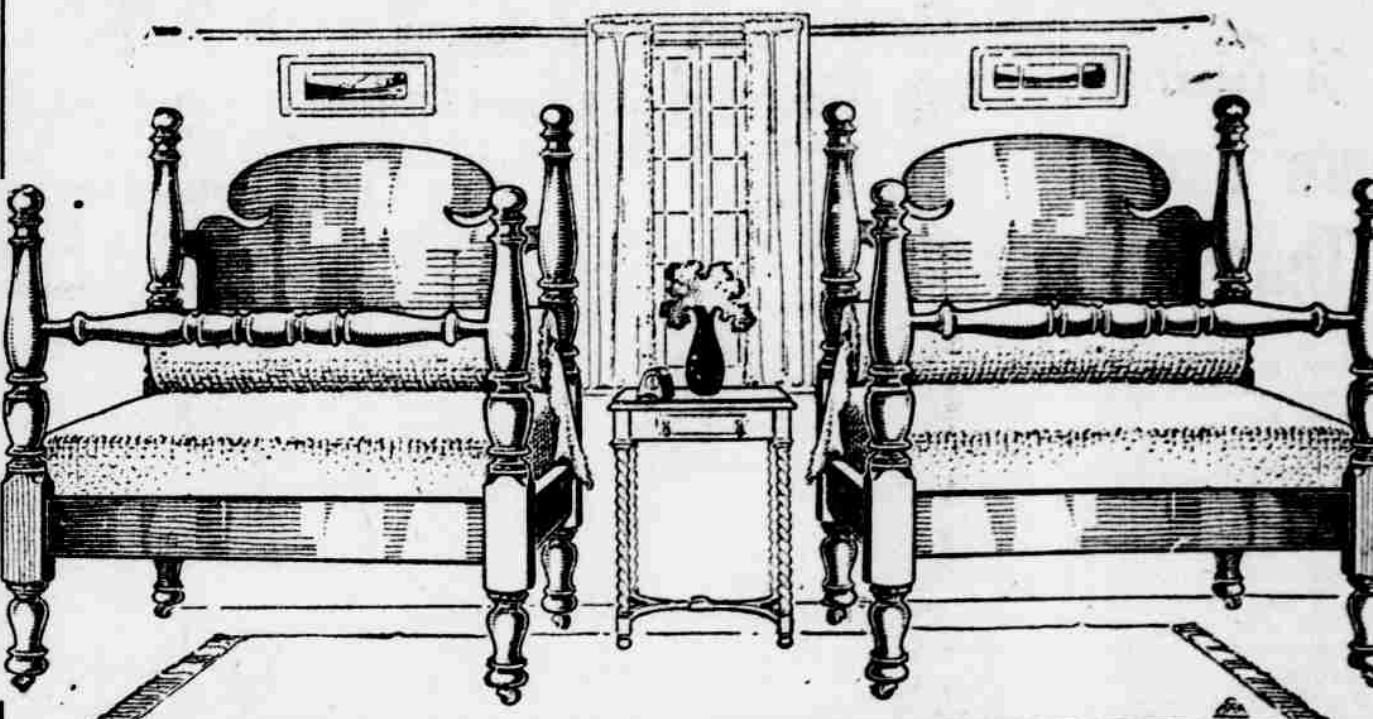

All Three Pieces in
Fumed Oak Match
Perfectly

The chair and rocker forming this beautiful three-piece Library Set are upholstered in genuine Spanish Leather over a spring seat construction. The entire three pieces are just as you see them illustrated.

The table is a very simple but a very graceful one; built of solid Oak throughout, has large drawer in center, and well reinforced at all four corners. Has large magazine shelf at bottom and is a table fit to grace any library.

As each of the three pieces is made by the same manufacturer and all were finished at the same time they match perfectly, all in that beautiful Nut Brown Fumed Oak so greatly admired today, unquestionably the most popular of all finishes.

Genuine Mahogany Twin Beds, Each \$19.00

The Beautiful Four-Poster Style

can't be matched for giving elegance and tone to a bedroom. The gracefully carved posts combine with the solid part of the bed in the same fascinating way that the spires of a Gothic cathedral combine with its body.

What Solid Mahogany Means

It means that every part of the bed, down to the very feet, is made of genuine, well-grained seasoned mahogany, not part mahogany and part mahogany finish. We doubt if you'll ever be able to buy that much mahogany again for \$19.00.
