## SUNDAY SCHOOL BALL LEAGUE TO ORGANIZE

Committee of the Sunday School association will be called together soon, according to N. C. Helronimus, chairman, for considering organization of the Sunday School Baseball league. Two members of last year's committee are not in the city, and their places will have to be filled. They are N. C. Helronimus, D. D. Ramsey, and N. C. Helronimus, Prof. Ramsey, Paul Benfield and J. J. Somerville. Schedule of the league does not open until after the close of the public schools. The first school to consider placing a team is the First Methodist, the young men's class already having made arrangements to place a team in the field, which should develop into one of the strongest in the league.

## RECEIVE NO WORD FROM JACK DILLON

So far no word has been received from Jack Dillon by directors of the Quaker City Athletic club, who are endeavoring to bring the "Hoosier Bearcat" here for a fight soon. Regardless of the heavy expenses involved, one of the directors said today, the club intended to take a chance if arrangements could be made with Dillon. "We will give the fans the very best there is to find out whether they really intend to support the sport," he said. Fate of the boxing game in Richmond may depend upon the result of the proposed fight.

## COACH WALLACE WANTS BATTERY

With warm weather, the Earlham college baseball candidates are frisking about the campus, showing good form for so early in the season. Enough men are trying out to make two full teams. Question of selecting a new battery is puzzling the coach, Cy Wallace, just a little. Bowen who played outfield last year has been working out behind the bat. The pitching staff consists of Little, Morrish and Carmen. These men have been working out steadily. Little was understudy to Cy Wallace last year. Morrish is big and has lots of steam. Carmen, a new man on the squad who heaves from the portside is showing promise and is making a strong bid for a regular berth.

## PREPARE GOLF COURSE

Work of putting the golf links at the country club in condition for play will begin shortly. Wilbur Hibberd said today. Rolling and sowing of grass seed will be done shortly, but it is not likely that the course will be in shape for use before late in April.

## GARFIELD RUNNERS WORK ON CINDERS

Although the high school "track" men have shown out early they are not the only ones who have crossed the cinders with the expectations of a prosperous season. Garfield men have been for the last week constantly taking "cross country" runs. The field meet will be close as the Whites still have their individual star, Glen Carver, the 220 and 100 yard man, while the Purples have Chester Arnold who made Carver know he was running some to defeat him. Arnold will also participate in the running broad and high jump.

Indianapolis Technical track squad will be the first opponents of the Richmond squad at Earlham college on Saturday, April 21. Definite arrangements for this meet have been made by Coach Nohr. Among the most promising finds of the 1916 squad is Ray Smith, who is rapidly developing into a dangerous man in the runs.

## THERE'S NOTHING AS GOOD FOR CORNS AS G-E-T-S-IT

Refuse All and Any Imitations. Don't let anyone tell you there is anything else as good for corns as "G-E-T-S-IT." Some may try to shove an imitation one on you, with a name that sounds like "G-E-T-S-IT" and meant to deceive you. Reliable druggists won't do it.

"Why, O Why, Did I Do It? 'G-E-T-S-IT' for Me After This—If I Live!" "Glad to meet you!" says the razor to the corn. "I'll bleed for you!" says the corn to the razor. Razors and corns love each other. Corns love to be cut, picked, gouged, salved, plastered and jerked out—they grow faster. Mr. and Mrs. Went-and-Cut-It realize it now—they use "G-E-T-S-IT" instead—it's the wonderful, simple corn-cure that never fails. Stops pain. You apply it in 2 seconds, it dries at once, the corn is doomed. Nothing to stick to the stocking or press on the corn. It means good-night to plasters, salves, diggers, razors and toe-bundling. You can wear smaller shoes. Your corns will come right off, "clean as a whistle." Never inflames healthy flesh. It's the world's biggest selling corn cure. If you don't get "G-E-T-S-IT" when you ask for it, it's your own fault and your own loss. "G-E-T-S-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill. Sold in Richmond and recommended as the world's best corn remedy by A. G. Loken and Clem Thistlethwaite.—Adv.

## REFEREE STOPS RAMER MATCH

HAGERSTOWN, Ind., March 31.—Rough tactics employed by Ramer and Dils in their wrestling bout here last night caused the referee to stop their grappling after each man had taken a fall. They had wrestled eight minutes for the third fall when the official interfered. Ramer, who weighed in at 155 pounds, took the first fall on a toe hold in nineteen minutes. Dils with a body scissor, took the second fall in eleven minutes. He weighed in at 160 pounds. In the preliminary Paul Weigand won from Smith Gauchey in sixteen minutes with a body hold. Ed Evans refereed the card.

Warm weather has revived interest in baseball at Hagerstown, where Jim Taylor is trying to get together a team to represent that place.
