A RICHMOND INTERVIEW.

Mr. Morris Tells His Experience. The following brief account of an interview with a Richmond man over seven years ago, and its sequel, will be read with keen interest by every citizen.

J. W. Morris, proprietor meat market, 421 Main street, Richmond, says: "I suffered from backache for several years, the attacks at times being so severe that I could hardly straighten up. It was told it was lumbago. The kidney secretions were sometimes profuse and then again scanty in passage, making it plain that my kidneys were affected. I began doctoring, but it was not until I had taken several different medicines without success that I chanced on Doan's Kidney Pills. I used three boxes and was cured of the backache."

The above statement was given on Dec. 12, 1908, and on Sept. 15, 1915, Mr. Morris said: "Since giving a former recommendation for Doan's Kidney Pills, I have had but few occasions to use them. When I have, they have never failed to relieve me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Morris has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.—adv.
