Fashions.

There are fashions in medicine as well as in millinery. The old time cathartic pills with their harsh drastic effects have gone out, and it is high time that they had. In their place we have the mild laxatives and gentle cathartics of which Chamberlain's Tablets is one of the most popular. When the proper dose is taken the effect of these tablets is so agreeable and so natural that you do not realize that it has been produced by a medicine. Chamberlain's Tablets also strengthen the stomach and improve the digestion. Obtainable everywhere.—Adv.
