## Kindness Makes Dorr Manager

REMY DORR.

Remy Dorr, born and raised in New Orleans has come to the front as a prize fight manager in his native city and is a favorite with all Southern fight fans, although not so well known in other parts of the country. He is 28 years old and was engaged in mercantile line before becoming a manager.

Remy Dorr's entrance into the fight field is rather unique. A local fighter with whom Dorr was rather friendly has been having bad luck and needed new capital and backing if he was to continue in the ring. He told Dorr his troubles and Dorr, out of kindness of heart volunteered to see what he could do, raised the necessary money, promoted the fight, and was surprised to see his man come out victorious, started on the road to ring success.

Other rising fighters in the vicinity heard of Dorr through this and he was soon swamped with managerial offers.

Thus, Dorr started in his rise to prominence as a fight manager.

## Varicose Veins Are Quickly Reduced and Terrible Eczema Goes Quickly

Strong, Powerful, Yet Safe, Surgeons' Prescription Called Moone's Emerald Oil, Has Astonished Physicians.

There is one simple and inexpensive way to reduce dangerous, swollen veins and bunces, and get them down to normal, and that is to apply Moone's Emerald Oil night and morning. People who have painful, enlarged veins should not neglect them or they sometimes burst and cause much misery and loss of time.

Moone's Emerald Oil besides being so marvelously antiseptic that it at once destroys germs and poisons

caused by germs is such a remarkable healing agent that eczema, barbers' itch, salt rheum and other inflammatory skin eruptions go in a few days. Piles are quickly absorbed and even goiters, wens and enlarged glands are dissolved.

For years it has been used in hospitals for boils, carbuncles, ulcers, abscesses and open sores, and with the most perfect success. With each 50 cent original bottle which any pharmacist can supply you, is a folder that gives instructions for use in all of the above distressing complaints. Leo H. Fife sells a great deal of Moone's Emerald Oil, and will be glad to supply you.—Adv.
