which preceded the Democratic rally at the Coliseum.

From "Woodrow," the Cambridge City delegation's mascot donkey, down to the last voter in line, the procession was surcharged with old time political enthusiasm. Main street echoed with the battle cry of the Wilson and Marshall following.

Marshall Gets Ovation.

Vice-president Marshall himself, with his secretary, Mark Thistlethwaite, and Henry Farwig, local Democratic leader, occupied the machine that followed closely in the wake of "Woodrow," the long eared symbol of Democracy. Along the line of march the Marshall machine was given an almost continual ovation. The Richmond, Cambridge City and Indianapolis bands were scattered through the line of machines and men. The Cambridge City and New Palestine drum corps aided effectively.

The advent of the Indianapolis Rooster club was the signal for a continued round of applause. The "Roosters" headed by their title image, wore snappy linen dusters, supplemented with red and white head gear. The Indianapolis delegation presented a nifty appearance. Their "pep" was one of the features of the parade.

Delegations from practically every town and city of the Sixth district occupied their place in the line of march. Cambridge City, Dublin, Dunreath, Centerville, Germantown, Brookville, Liberty, New Palestine and other points were represented. Hundreds of railroad men were in the line.

Executives who arranged and directed the parade were George Bayer, chairman; Anton Stolle and Dan Chapman, marshals; Harry Schuerman and Will Schutte, aids.

WOMEN'S HOME ASKS FURNITURE FOR ITS COTTAGE

It tones and strengthens the entire digestive system and is a real aid to Nature in cases of indigestion, cramps or malaria.

Although donations have been received which will help materially in furnishing the new addition to the Margaret Smith Home for aged women, the matron announced today that more furniture is still needed.

The matron said anything would be acceptable but bedsteads of which the cottage has a sufficient number.

The additional space will enable the home to care for several more women who have been on the waiting list for some time.

Persons having furnishing which they will donate to the home are asked to communicate with the matron at once, so immediate arrangement can be made to supply the needs of the new addition, ready for occupancy.
