

MILLS WRITES ACCOUNT OF AUTO CLUB SESSION

BY J. H. MILLS

Great interest is being manifested in the Centennial Highway Day, Thursday, October 12, Indianapolis.

The near approach of the date set for a state wide manifestation of public interest in Indiana Highways prompted Mr. Horace Kramer to call a special meeting of motor club owners at the Wayne County Motor club rooms last night.

At this meeting Mr. Kramer presented the proposition of thoroughly organizing Wayne county in connection with Henry and Hancock counties, in such manner as will do credit not only to these counties but the state in her effort to successfully place herself in observing the one hundredth anniversary of statehood.

Manifest Enthusiasm.

Great enthusiasm on the part of those present was manifested. All pledged themselves not only to attend this great demonstration by joining the parade themselves, but each to secure the promise of ten or more motorists to join the ranks by attending a called meeting for Wednesday night, October 4th, Wayne County Motor club rooms, Masonic Temple.

At this meeting arrangements will be made to further the plans of this organization with the view of making it a success and a credit to Eastern Indiana. With the support of all motorists, this delegation may be made one of the largest in the state. Each and every car owner in Wayne county and vicinity should immediately enter upon this work.

Further information regarding lunches, pennants, place of arrival at Indianapolis, line of march and program for the day will be given at the Wednesday evening meeting.

Issues Call to Owners.

Let every owner of a motor car lay aside all things else and attend this meeting.

Arrangements will be completed to secure the Richmond City Band to head our parade in Indianapolis.

It is planned to have a sufficient number of bands assembled into one large body to represent more than one hundred thousand instruments, and to supply in advance, all bands with specially prepared music to be played under the leadership of one musical director. It is hoped to make this the largest band that has ever been assembled under the leadership of one director.

Delegations to Combine.

The various delegations entering Indianapolis from every section of the state will combine to make this the largest Automobile Demonstration ever held.

All delegations will be assembled and the approach in double formation the Monument Square from the south at which point the entire parade will be viewed by President Wilson and party.

From this point the parade will proceed to the Fair Grounds where special program has been arranged for the afternoon meeting. President Wilson will deliver the main speech of the afternoon on our Highways.

Can't Afford to Miss.

As a patriotic citizen of Indiana and Wayne county, can you afford to miss the opportunity to be represented in making this the greatest Highway Demonstration ever held.

The greatest success can only be assured by unanimous support of all owners of cars falling in line with this gigantic undertaking on the part of the state organization supported by local organizations from all parts of

the state. Eastern Indiana should not fail to make hers the largest and most enthusiastic delegation entering Indianapolis.

Let every motorist immediately fall in and attend the Wednesday night meeting, October 4th, Wayne County Motor club rooms, Masonic Temple, 8 p. m.

DE VINNEY APPEALS CASE, BUT IS HELD ON ANOTHER COUNT

Robert De Vinney, colored, recently convicted in city court of operating a blind tiger and fined \$250 and costs and sentenced to six months at the state penal farm was released on \$400 bond yesterday following the action of his attorney, R. K. Shiveley, in appealing the verdict to the circuit court.

Today De Vinney was again arrested, this time on a charge of having "by persuasion and offer of money influenced Green Gartin, a person subpoenaed as a witness in the case of the state against De Vinney, to fail to attend court and to cause him to depart from the jurisdiction of the court."

Denies His Guilt.

Attorney Shiveley entered a plea of not guilty to this charge, the hearing of the case being set for Friday morning in city court. De Vinney's bond was fixed at \$300 and he expects to secure bail. A person for whom De Vinney had been working furnished his appeal bond of \$400.

Gartin was the state's star witness in the blind tiger case. He could not be located the day the case was called for trial. Later he was arrested and produced a letter given to him by De Vinney which was addressed to a Dayton saloonkeeper asking the Dayton man to shelter Gartin for several days and promising to pay his expenses. Gartin testified that De Vinney gave him \$5.00 to leave town, an assertion which De Vinney denied.

Penalty is \$500.

The maximum penalty for influencing a witness is \$500 and costs and six months imprisonment.

Proceedings for the confiscation of liquor seized at De Vinney's place were instituted before Mayor Robbins today and A. C. Lindemuth, special judge in the blind tiger case, was appointed special judge in the confiscation case on a change of venue petition filed by the defense.

Here's Help in Housecleaning

Rugs and carpets present a problem in housecleaning. Beating them is a back-breaking job and injures the warp, leaving the rug limp and wrinkled on the floor.

Scrubbing with soap and water is bad, for the water soaks in, shrivels and rots the warp and the rug is left shrunken and rumpled.

OLSONITE

restores the colors in rugs and carpets, making them bright and fresh looking as when new.

You don't have to take a rug off the floor to do the work.

The use of Olsonite achieves better results than cleaning or dyeing, which costs ten to twenty times as much.

FATIMA

A Sensible Cigarette

Such men seek
smoke-comfort

WHEN YOU stop to realize the number of sound, conservative men who have changed over to Fatimas in the last six months, it surely indicates that Fatimas must offer something no other cigarette can offer.

Perhaps you haven't thought of it this way:

Do you know any other cigarette that is always cool and comfortable? Do you know any other cigarette beside Fatimas that leaves a man feeling fine and "fit" even after a long-smoking day?

It is these qualities that make Fatimas truly sensible.

Here Is What Mr. O. H. Scantland Has to Say About Public Sale Advertising---

It is the expression of a man who knows—who has tried newspaper advertising and found it to pay him in bigger results. The Advertising Department of the Palladium is willing to offer its experience to farmers in preparing their advertising copy and will gladly furnish what cuts are necessary.

BREEDERS EXCHANGE STOCK FARM

O. H. Scantland.

Williamsburg, Ind., Feb. 2, 1916.

The Palladium Printing Co.,
Richmond, Ind.

Gentlemen:

In replying to your request of recent date, I have this to say about newspaper advertising:

During the past month I have had two public sales, one was on my herd of Percherons sold at the Taube Barn, the other on my stock, grain, farm implements, etc., at my farm. Both were a grand success and drew larger crowds than it has ever been my experience to see.

Naturally, the success of any sale is the number of people you can attract to your sale to buy. My method of advertising in the past has always been to use hand bills and posters, and using just a small space in the newspapers; but on both my recent sales when I really had more at stake and a larger stock to sell, I put all of my appropriation for advertising in the newspapers. The results obtained were far greater than the old way and I want to take this means of expressing my appreciation for the way my advertising was handled.

I also want to thank those farmers who contributed to the success of my sale and extend to all my friends and patrons a welcome to visit me at my new home at Lewisville, Arkansas.

Sincerely yours,

O. H. SCANTLAND, ND.
