GEORGETOWN PLAYS HERE AS FEATURE OF "EARLHAM DAY"

Through a change in schedule Georgetown university football team, of Lexington, Ky., will play at Richmond this coming Saturday—Home Coming Day at Earlham college. The Georgetown game was originally scheduled for Lexington, but was shifted to Reid Field as the feature event of the Home Coming Day observance.

The Quaker-Colonel game will be the big game of the Earlham schedule. Georgetown U. is represented by one of the strongest of southern teams and is rated as the peer of any eleven traveling out of the Blue Grass state. This is the first time G. U. has ever invaded Richmond for a game with the Quakers.

Big preparations are now under way for the entertainment of the alumni numbering several hundred here for the game. Invitations have been issued to all former students and graduates of Earlham.

CAPTAIN BUS HITS HOOPS REGULARLY

That Captain Bus Parker, of the R. H. S. basketball five, has lost none of his "intuition" at the hoops was evidenced in the Varsity-Scrub session at the school gym last night when the first team put over a 47-22 win at the expense of the underclassmen. Of that grand total of forty-seven, Cap Parker boosted in some twenty-two points. Tal Jessup, the other end man, contributed something like eighteen points.

Despite the absence of Webb and Norris, ineligibility suspects, from the lineup, the Varsity team handled the second stringers in a manner pleasing to Coach Lyboult. Karl McBride, who seems good for one guard berth, Sheldon and Grimes alternated at the defenses in place of Webb and Norris, who probably are out of it for good.

FORDS LEAD LEAGUE OF GARFIELD NINES

GARFIELD MOTOR LEAGUE

Fords 5 2 .714
Bucks 3 3 .500
Mercedes 3 4 .428
Stutz 2 4 .333

Fords, 18; Mercedes, 10. Despite the title, the Henry combination of the Garfield Junior high school Motor League continue to maintain the class division of the race. Taking advantage of numerous bobbles on part of the opposition last night, the Lizzies accumulated enough tallies to win several games. Factors in the win were extra base hits by Easton, Hyde and Way and sensational drives by Rost, Ball and Way. The score and batteries:

WHAT WILL WABASH HAND EARLHAMITES?

In jolting Butler, 56 to 0, at Crawfordsville yesterday, Wabash college football team performed a feat the result of which will just about convince the rest of the secondary schools of the state that to Wabash, easily, will go first honors in the state football race. On a basis of comparative scores Wabash stands head and shoulders above the rest of the pack clamoring for a place on the secondary pedestal of gridiron fame.

Local football enthusiasts are wondering just what the Quakers may expect against the Crawfordsville crowd.

GERMANS CAPTURE FIRST TWO LINES

Germans, 2; Santa Marias, 1. After Selim's 221 mark posted in the first game had upset the Saints it was a comparatively easy matter for the Germans to total two best of three in the Kaysee series at the City alleys last night. Zeyen's 201 in the final helped, too. For the losing crowd, Brennan led.

PARTY SENDS BANKS

Neat little banks have reached Postmaster Beck from a division of the finance committee of the Democratic National committee. No instructions came with them, nor any keys. Mr. Beck does not know what the idea of the committee is for the use of the banks and they may be turned over to the local committee.

The banks are marked "Help Elect Wilson and Marshall." One is a pocket bank for coins and the other is larger and has a place for bank notes.

Rival attractions across the street put a crimp in the "Y" bowling league schedule last night when, one party of the contract, the Natcos, deserted cold, according to Alley Manager Tim Sprouse.

The Geezers, influenced by "Kap" Gentle stuck with the ship and posted the following scores:

EXPECT TO DOUBLE SALE OF RED CROSS STAMPS IN COUNTY

Within a week, the committee to take charge of the Red Cross Seal campaign will be appointed and will at once consider a plan for a more widespread campaign with the idea of doubling sales in Richmond and Wayne county.

The first order for seals went in yesterday. An insurance company ordered 500 for immediate use on policies and other instruments and documents of its business, and for all mail.

The per capita purchase of Red Cross seals in Richmond and Wayne county last year was about one-fourth of that of some of the leading cities of the state. To bring sales up to the standard set by the leaders it would be necessary to sell 150,000 in Richmond and a total of 225,000 in the city and county. The total city and county sales were nearly 50,000. It is believed this can be doubled by a new form of campaign which may be given a trial.

SCHEDULES CONFLICT

Ten days before the opening date of the R. H. S. basketball season Manager Charles Towle is still uncertain about the initial booking left open when Rushville cancelled because of a conflict in schedule. Modoc, Spiceland, Farmount, Winchester and St. Marys of Dayton, are possibilities.

Local football enthusiasts are wondering just what the Quakers may expect against the Crawfordsville crowd.

W. C. T. U. WINS PENANT AT MUNCIE

ECONOMY, Ind., Oct. 24.—The W. C. T. U. delegates who attended the state convention at Huntington from here brought back a pretty pennant worn by Mrs. Hannah Taylor, Red Letter Day superintendent. The society here received a red ribbon for securing the largest membership percentage the past year.... Miss Dora Garrison, of Sapulpa, Okla., sent back two pieces of hand embroidery of her own work that is unsurpassed by the painter's brush in the blending of colors. One piece, "The Old Homestead," is so nicely done in tinted silk floss that it looks like fine oil painting.

Plans for Winter.

John Taylor is going to keep warm this winter if a \$600 water-steam system plant will furnish the heat he is installing in his house.... Miss Grace Garrison returned from a sightseeing and shopping tour of Richmond Thursday evening.... Mr. and Mrs. O. L. Hatt visited Greensfork relatives Friday.... Lon Edwards made a special legal call at Richmond today.... Dr. Loop was at Richmond today to hear Democratic news.

FATIMA

A Sensible Cigarette

More men are now smoking SENSIBLY—

MEN ARE willing to think a little more carefully today even about the cigarette they choose.

That is good sense. For if an otherwise good cigarette is unfortunate in its blend—if it disturbs after continued smoking—it is not worth while.

The one reason why Fatimas appeal strongly to so many thinking men is that they do not disturb. Fatimas are truly comfortable—comfortable to throat as well as tongue. And they always leave a man feeling fine and "fit" even after a long-smoking day.

We Can Save a Few Men \$175 On the HUDSON SUPER-SIX

Note these Important Facts Prices Will Advance Soon

We have just been notified as follows about coming Super-Sixes:

There will be no change in models. The only changes, if any, will be minor refinements. But this year's production is nearly sold out—both of open models and enclosed. The new production—starting December 1—will be built from materials contracted this year, at enormous advance in cost. And, to maintain present standards, those cars must cost \$175 more.

WE HAVE CARS YET TO COME

We have some cars yet due us at the present price. Some open, some enclosed. They will be sold at present prices while our allotment lasts. After that, every car shipped to us will cost the higher price.

You can save that difference—\$175—by buying your Super-Six now. And you'll get the same model as buyers get who buy after December 1.

Consider that fact well.

THE FAIR HUDSON POLICY

This is another striking evidence of the fair Hudson policy.

The Super-Six is a monopoly. This marvelous motor—adding 80 per cent to engine efficiency—is a Hudson patent.

Its supremacy is unchallenged. It has won every world's record which can possibly prove any quality you seek in a motor.

It has made the Hudson the largest-selling fine car in the world. Yet this year's demand was hardly half supplied.

Still this car has been sold at a minimum profit—at a price far below cars of lesser performance. The only advance for next year is the added cost of materials. And that advance will not apply until these materials are used.
