

BOTH CHAIRMEN STILL CLAIM VICTORY; M'CORMICK CLAIMS 268 ELECTORAL VOTES; WILCOX ASSERTS HUGHES TO GET 301

NEW YORK, Nov. 8.—At an early hour this morning Democratic Chairman McCormick was claiming at least 268 votes for President Wilson in the electoral college and Republican Chairman Wilcox claimed 301, each was claiming the doubtful states, Kentucky, Kansas, Montana, Nebraska, and Washington on the face of early returns were leaning toward President Wilson. Maryland seemed almost

certainly democratic. Missouri, Indiana, West Virginia, Arizona and Delaware were leaning to Hughes.

Chairman McCormick, however, claimed the president could have a majority of two votes in the electoral college without carrying California, Indiana, North and South Dakota, West Virginia or Wisconsin, from which returns were far from complete but showing a republican trend.

The early morning returns came in slowly. Managers of both parties were anxiously watching Ohio and both claimed victory, as the hours dragged on it became more and more evident that it would be a close election and there appeared possibilities that in some places it might be necessary to resort to official accounts to determine the result.

County G. O. P. Elects Entire Ticket, With Weidner Far in Lead

With only ten of the sixty-four precincts of the county to hear from at 3 o'clock this morning all candidates for county office on the G. O. P. ticket were rolling up old time Republican majorities for themselves with Ed J. Weidner, candidate for treasurer, leading his ticket with a majority of 1,903 over his Democratic opponent, Hunt. Weidner was being followed by Frank T. Strayer, G. O. P. candidate for prosecutor, who had a lead of 1,889 over Allen. Judge Comstock, candidate for congress whose name appeared on the

county ballot was gaining strength as the reports came in and had increased an early lead of a scant 700 to 1,056 after 54 precincts had been heard from.

Majorities received by other candidates on the Republican county ticket, for 54 precincts, follows: Bartel, representative, 1,330; Lafuze, joint representative, 1,335; Carr, sheriff, 1,541; Fisher, recorder, 1,192; Morrow, corner, 1,651; Horton, surveyor, 1,747; Simpson, commissioner, western district, 1,507; Cheesman, commissioner, middle district, 1,584.

HUGHES' INDIANA MAJORITY IS CUT DOWN BY LATEST REPORT TO HEADQUARTERS

INDIANAPOLIS, Ind., Nov. 8.—Hughes' early lead in Indiana was cut down somewhat as later reports were received and according to returns up to one o'clock with 1,475 of the 3,142 precincts in the state heard from, the lead was 7,994. If the present ratio continues however, Hughes will have a plurality of about 15,000. The returns are scattering and come from 84 counties out of 92 in the state. Republican State Chairman Will H. Hays, shortly after midnight issued a statement claiming that Hughes would have a plurality of 50,000 in Indiana. Fairbanks, the Republican vice presidential nominee, sent a message of congratulation to Mr. Hughes.

He also issued a statement saying: "It is very gratifying and reassuring

to the country that the Republican party has been restored to power."

Democratic State Chairman Bernard Korbly locked himself in his room at headquarters and refused to give out a statement. Other Democratic leaders, however, refused to concede a victory to the Republicans in Indiana.

Vice President Marshall said: "It is too early to tell anything or say anything. It is also too late to talk now. Whatever the outcome, it is the duty of every American citizen to abide by the choice of the people."

New and Watson, Republican candidates for U. S. senators maintained a lead over Senators Kern and Taggart as did also Goodrich, the Republican candidate for governor over Adair.

With Mrs. Grace Julian Clarke of Indianapolis for the chief speaker, Earlham college girls will hold a meeting to consider the organization of a suffrage league Wednesday night. The meeting will be conducted under the direction of Miss Miss Esther Griffin White, Sixth district chairman of the Women's Franchise League of Indiana. Should the Earlham girls complete their organization tomorrow night, they probably will be the first in Indiana to organize a suffrage league, duplicating the action of girls in many eastern colleges. The girls showed remarkable interest in casting straw ballots recently when a college vote was taken by the faculty.
